## A BILL

To help charitable nonprofit organizations provide services to meet the increasing demand in community needs caused by the coronavirus pandemic, preserve and create jobs in the nonprofit sector, reduce unemployment, and promote economic recovery.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Work Opportunities  
5 and Resources to Keep Nonprofit Organizations Well Act”  
6 or the “WORK NOW Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds as follows:

3 (1) Charitable nonprofit organizations serve on  
4 our society's frontlines in good times and bad. Col-  
5 lectively, nonprofit organizations employ more than  
6 12,000,000 Americans.

7 (2) As the nation confronts the coronavirus  
8 pandemic and the attendant economic crisis and re-  
9 covery, communities throughout the United States  
10 will rely on nonprofit organizations more than ever  
11 to help more people in more challenging cir-  
12 cumstances.

13 (3) Nonprofit shelters, food banks, domestic vi-  
14 olence services, early childhood care and education  
15 centers, and after-school facilities are being called to  
16 feed, house, and care for the people whose lives have  
17 been disrupted by illness, job loss, and closures.

18 (4) Charitable nonprofit organizations are being  
19 confronted by a combination of contradictory forces,  
20 exponentially increasing demand and devastating de-  
21 creases in revenues.

22 (5) At the same time that need is soaring,  
23 many nonprofit organizations are unable to host  
24 fundraising events, which threatens an essential  
25 source of revenue. Charitable giving has also become

1 more precarious as American families conserve re-  
2 sources in the face of the economic crisis.

3 (6) Without immediate and longer-term re-  
4 sources to keep their doors open to meet ever-in-  
5 creasing needs, many nonprofit organizations will  
6 cease to exist for people in local communities  
7 throughout the country.

8 (7) In order to meet the needs of the  
9 coronavirus pandemic and drive recovery, many non-  
10 profit organizations must innovate and create new  
11 models of service delivery.

12 (8) More than 36,000,000 American workers  
13 lost their jobs and filed for unemployment benefits  
14 in the 8 weeks following March 15, 2020.

15 (9) Providing these newly unemployed workers  
16 the opportunity to find employment at nonprofit or-  
17 ganizations in their local communities will benefit  
18 these workers, nonprofit organizations, and the peo-  
19 ple these organizations serve.

20 **SEC. 3. DEFINITIONS.**
