

# Calendar No. 637

118TH CONGRESS  
2D SESSION

# S. 4996

To amend Public Law 89–108 to modify the authorization of appropriations for State and Tribal, municipal, rural, and industrial water supplies, and for other purposes.

---

## IN THE SENATE OF THE UNITED STATES

SEPTEMBER 9, 2024

Mr. HOEVEN (for himself, Mr. PADILLA, and Mr. CRAMER) introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

NOVEMBER 21, 2024

Reported by Mr. MANCHIN, with an amendment

[Strike out all after the enacting clause and insert the part printed in italic]

---

# A BILL

To amend Public Law 89–108 to modify the authorization of appropriations for State and Tribal, municipal, rural, and industrial water supplies, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Dakota Water Re-  
5       sources Act Amendments of 2024”.

1   **SEC. 2. AUTHORIZATION OF APPROPRIATIONS FOR STATE**  
2                   **AND TRIBAL, MUNICIPAL, RURAL, AND IN-**  
3                   **DUSTRIAL WATER SERVICE.**

4       Section 10 of Public Law 89-108 (79 Stat. 433; 100  
5   Stat. 424; 106 Stat. 4669; 114 Stat. 2763A-291) is  
6   amended—

7                  (1) in subsection (b)—

8                   (A) in paragraph (1)—

9                   (i) by redesignating subparagraph (C)  
10                   as subparagraph (D); and

11                   (ii) by inserting after subparagraph  
12                   (B) the following:

13                  “(C) OTHER AMOUNTS.—

14                  “(i) IN GENERAL.—Subject to clause  
15                  (ii), in addition to the amounts made avail-  
16                  able under subparagraphs (A) and (B),  
17                  there are authorized to be appropriated to  
18                  carry out section 7(a)—

19                  “(I) \$120,000,000, as indexed, to  
20                  complete all phases of the Northwest  
21                  Area Water Supply Biota Water  
22                  Treatment Plant and Pump Station  
23                  Project, as described in the record of  
24                  decision dated August 21, 2015;

25                  “(II) \$454,000,000, as indexed,  
26                  to complete the McClusky Canal and

1                   Missouri River North Alternative for  
2                   the Eastern North Dakota Alternate  
3                   Water Supply Project, as described in  
4                   the record of decision issued by the  
5                   Bureau of Reclamation on January  
6                   15, 2021;

7                   “(III) \$50,000,000, as indexed,  
8                   for the Southwest Pipeline Project to  
9                   complete the supplementary raw water  
10                  intake pump station, main trans-  
11                  mission line upgrades, strategic hy-  
12                  draulic improvements, and rural dis-  
13                  tribution expansion; and

14                  “(IV) \$63,000,000, as indexed,  
15                  for North Dakota rural water districts  
16                  for water treatment and rural dis-  
17                  tribution expansion.

18                  “(ii) TRANSFERS.—Any amounts  
19                  made available under any of subclauses (I)  
20                  through (IV) of clause (i) may be trans-  
21                  ferred among the projects described in  
22                  those subclauses, subject to the limitation  
23                  that the initial amount authorized for any  
24                  + project described in any of those sub-  
25                  clauses may not be increased by more than

1           50 percent as a result of any transfers au-  
2           thorized under this clause.”; and

3           (B) in paragraph (2)—

4                 (i) by redesignating subparagraph (C)  
5                 as subparagraph (D); and

6                 (ii) by inserting after subparagraph  
7                 (B) the following:

8                 “(C) OTHER AMOUNTS.—

9                 “(i) IN GENERAL.—In addition to the  
10                 amounts made available under subpara-  
11                 graphs (A)(ii) and (B), there is authorized  
12                 to be appropriated to carry out section  
13                 7(d) \$743,000,000, as indexed.

14                 “(ii) ALLOCATION.—The amount  
15                 under clause (i) shall be allocated as fol-  
16                 lows:

17                         “(I) Not more than  
18                 \$118,000,000, as indexed, shall be  
19                 made available to the Secretary to  
20                 complete the Spirit Lake Rural Water  
21                 System within the Fort Totten Indian  
22                 Reservation.

23                         “(II) Not more than  
24                 \$275,000,000, as indexed, shall be  
25                 made available to the Secretary to

1 complete the Three Affiliated Tribes  
2 Rural Water System within the Fort  
3 Berthold Indian Reservation.

4 “(III) Not more than  
5 \$240,000,000, as indexed, shall be  
6 made available to the Secretary to  
7 complete the Standing Rock Rural  
8 Water System within the Standing  
9 Rock Indian Reservation.

10 “(IV) Not more than  
11 \$98,000,000, as indexed, shall be  
12 made available to the Secretary to  
13 complete the Turtle Mountain Rural  
14 Water System within the Turtle  
15 Mountain Indian Reservation.

16 “(V) Not more than  
17 \$12,000,000, as indexed, shall be  
18 made available to the Secretary to  
19 complete the Lake Traverse Rural  
20 Water System within the Lake Tra-  
21 verse Indian Reservation.

22 “(iii) FEASIBILITY STUDIES.—Of the  
23 amounts made available under clause (i),  
24 the Secretary may use such sums as are  
25 necessary to fund feasibility studies, to be

1 completed not later than 2 years after the  
2 date of enactment of the Dakota Water  
3 Resources Act Amendments of 2024, that  
4 identify the features necessary to complete  
5 each of the rural water systems described  
6 in clause (ii), as determined by the Sec-  
7 retary.”;

8 (2) in subsection (e)(2), by striking subparagraph (B) and inserting the following:

9 “(B) \$75,000,000 to carry out section 11,  
10 to remain available until expended.”; and  
11 (3) by striking subsection (e) and inserting the  
12 following:

13 “(e) INDEXING.—

14 “(1) IN GENERAL.—The \$200,000,000 amount  
15 under subsection (a)(1)(B), the \$200,000,000  
16 amount under subsection (b)(1)(B), and the funds  
17 authorized under subparagraphs (A) and (B) of sub-  
18 section (b)(2) shall be indexed as necessary to allow  
19 for ordinary fluctuations of construction costs in-  
20 curred after the date of enactment of the Dakota  
21 Water Resources Act of 2000, as indicated by engi-  
22 neering cost indices applicable for the type of con-  
23 struction involved.

1           “(2) OTHER AMOUNTS.—The funds authorized  
2 under subsections (b)(1)(C) and (b)(2)(C) shall be  
3 indexed as necessary to allow for ordinary fluctua-  
4 tions of construction costs incurred after the date of  
5 enactment of the Dakota Water Resources Act  
6 Amendments of 2024, as indicated by engineering  
7 cost indices applicable for the type of construction  
8 involved.

9           “(3) OTHER COST CEILINGS.—All other author-  
10 ized cost ceilings under this Act shall remain un-  
11 changed.”.

12 **SEC. 3. NATURAL RESOURCES TRUST.**

13         Section 11(a)(2)(B) of Public Law 89–108 (79 Stat.  
14 433; 100 Stat. 424; 114 Stat. 2763A–292) is amended  
15 by striking “and (b)(1)(B)” and inserting “, (b)(1)(B),  
16 and (b)(1)(C)”.

17 **SECTION 1. SHORT TITLE.**

18         *This Act may be cited as the “Dakota Water Resources  
19 Act Amendments of 2024”.*

20 **SEC. 2. AUTHORIZATION OF APPROPRIATIONS FOR STATE  
21 AND TRIBAL, MUNICIPAL, RURAL, AND INDUS-  
22 TRIAL WATER SERVICE.**

23         *Section 10 of Public Law 89–108 (79 Stat. 433; 100  
24 Stat. 424; 106 Stat. 4669; 114 Stat. 2763A–291) is amend-  
25 ed—*

1                   (1) in subsection (b)—

2                   (A) in paragraph (1)—

3                   (i) by redesignating subparagraph (C)

4                   as subparagraph (D); and

5                   (ii) by inserting after subparagraph

6                   (B) the following:

7                   “(C) OTHER AMOUNTS.—

8                   “(i) IN GENERAL.—Subject to clauses

9                   (ii) through (iv), in addition to the

10                  amounts made available under subparagraphs (A) and (B), there are authorized to  
11                  be appropriated to carry out section 7(a)—

12                  “(I) \$120,000,000, as indexed, to  
13                  complete all phases of the Northwest  
14                  Area Water Supply Biota Water  
15                  Treatment Plant and Pump Station  
16                  Project, as described in the record of  
17                  decision dated August 21, 2015;

18                  “(II) \$454,000,000, as indexed, to  
19                  complete the McClusky Canal and Mis-  
20                  souri River North Alternative for the  
21                  Eastern North Dakota Alternate Water  
22                  Supply Project, as described in the  
23                  record of decision issued by the Bureau  
24                  of Reclamation on January 15, 2021;

1                   “(III) \$50,000,000, as indexed, for  
2                   the Southwest Pipeline Project to com-  
3                   plete—

4                   “(aa) the supplementary raw  
5                   water intake and pump station  
6                   described in the environmental as-  
7                   essment prepared by the Bureau  
8                   of Reclamation entitled ‘Finding  
9                   of No Significant Impact of Envi-  
10                  ronmental Assessment for South-  
11                  west Pipeline Project, Oliver, Mer-  
12                  cer, North Dunn Service Area in  
13                  Southwest North Dakota’ and  
14                  dated April 2009;

15                  “(bb) the main transmission  
16                  line upgrades described in the  
17                  final supplemental environmental  
18                  assessment prepared by the Bu-  
19                  reau of Reclamation entitled the  
20                  ‘Final Supplemental Environ-  
21                  mental Assessment for Partial  
22                  Funding of Design and Construc-  
23                  tion of an Expansion Water  
24                  Treatment Plant in the City of  
25                  Dickinson, North Dakota and As-

1                   *sociated Water Transmission Fa-*  
2                   *cilities in Southwest North Da-*  
3                   *kota' and dated February 2015;*  
4                   “(cc) strategic hydraulic im-  
5                   *provements; and*  
6                   “(dd) rural distribution ex-  
7                   *pansion; and*  
8                   “(IV) \$63,000,000, as indexed, for  
9                   *North Dakota rural water districts for*  
10                  *water treatment and rural distribution*  
11                  *expansion, to include the South Cen-*  
12                  *tral Regional Water District North*  
13                  *Burleigh Water Treatment Plant Ex-*  
14                  *pansion and Phase One of the North-*  
15                  *east North Dakota Long-Term Water*  
16                  *Supply Project.*

17                  “(ii) TRANSFERS.—Any amounts made  
18                  available under any of subclauses (I)  
19                  through (IV) of clause (i) may be trans-  
20                  ferred among the projects described in those  
21                  subclauses, subject to the limitation that the  
22                  initial amount authorized for any 1 project  
23                  described in any of those subclauses may  
24                  not be increased by more than 50 percent as

1           *a result of any transfers authorized under  
2           this clause.*

3           “*(iii) FINAL ENGINEERING REPORTS.—  
4           Of the amounts made available under sub-  
5           clauses (III) and (IV) of clause (i), the Sec-  
6           retary may use such amounts as are nec-  
7           essary to complete the final engineering re-  
8           ports, to be completed not later than 2 years  
9           after the date of enactment of the Dakota  
10          Water Resources Act Amendments of 2024,  
11          that determine the scope of, and identify the  
12          features necessary to complete, the projects  
13          described in those subclauses, as determined  
14          by the Secretary.”; and*

15          *(B) in paragraph (2)—  
16           (i) by redesignating subparagraph (C)  
17           as subparagraph (D); and*

18           *(ii) by inserting after subparagraph  
19           (B) the following:*

20          *“(C) OTHER AMOUNTS.—*

21           *“(i) IN GENERAL.—In addition to the  
22           amounts made available under subpara-  
23           graphs (A)(ii) and (B), there is authorized  
24           to be appropriated to carry out section 7(d)  
25           \$743,000,000, as indexed.*

1                     “(ii) *ALLOCATION.*—The amount under  
2        clause (i) shall be allocated as follows:

3                     “(I) Not more than \$118,000,000,  
4        as indexed, shall be made available to  
5        the Secretary to complete the Spirit  
6        Lake Rural Water System within the  
7        Fort Totten Indian Reservation.

8                     “(II) Not more than  
9        \$275,000,000, as indexed, shall be  
10      made available to the Secretary to  
11      complete the Three Affiliated Tribes  
12      Rural Water System within the Fort  
13      Berthold Indian Reservation.

14                     “(III) Not more than  
15      \$240,000,000, as indexed, shall be  
16      made available to the Secretary to  
17      complete the Standing Rock Rural  
18      Water System within the Standing  
19      Rock Indian Reservation.

20                     “(IV) Not more than \$98,000,000,  
21      as indexed, shall be made available to  
22      the Secretary to complete the Turtle  
23      Mountain Rural Water System within  
24      the Turtle Mountain Indian Reserva-  
25      tion.

1                         “(V) Not more than \$12,000,000,  
2                         as indexed, shall be made available to  
3                         the Secretary to complete a feasibility  
4                         study for the construction of a rural  
5                         water system to meet the drinking  
6                         water needs of the Lake Traverse Rural  
7                         Water System within the Lake Tra-  
8                         verse Indian Reservation.

9                         “(iii) FINAL ENGINEERING REPORTS.—  
10                         Of the amounts made available under clause  
11                         (i), the Secretary may use such amounts as  
12                         are necessary to complete final engineering  
13                         reports, to be completed not later than 2  
14                         years after the date of enactment of the Da-  
15                         kota Water Resources Act Amendments of  
16                         2024, that determine the scope of, and iden-  
17                         tify the features necessary to complete, each  
18                         of the rural water systems described in sub-  
19                         clauses (I) through (IV) of clause (ii), as de-  
20                         termined by the Secretary.”;

21                         (2) in subsection (c)(2), by striking subparagraph (B) and inserting the following:

22                         “(B) \$75,000,000 to carry out section 11, to  
23                         remain available until expended.”; and

1                   (3) by striking subsection (e) and inserting the  
2                   following:

3                   “(e) INDEXING.—

4                   “(1) IN GENERAL.—The \$200,000,000 amount  
5                   under subsection (a)(1)(B), the \$200,000,000 amount  
6                   under subsection (b)(1)(B), and the funds authorized  
7                   under subparagraphs (A) and (B) of subsection (b)(2)  
8                   shall be indexed as necessary to allow for ordinary  
9                   fluctuations of construction costs incurred after the  
10                  date of enactment of the Dakota Water Resources Act  
11                  of 2000, as indicated by engineering cost indices ap-  
12                  plicable for the type of construction involved.

13                  “(2) OTHER AMOUNTS.—The funds authorized  
14                  under subsections (b)(1)(C) and (b)(2)(C) shall be in-  
15                  dexed as necessary to allow for ordinary fluctuations  
16                  of construction costs incurred after the date of enact-  
17                  ment of the Dakota Water Resources Act Amendments  
18                  of 2024, as indicated by engineering cost indices ap-  
19                  plicable for the type of construction involved.

20                  “(3) OTHER COST CEILINGS.—All other author-  
21                  ized cost ceilings under this Act shall remain un-  
22                  changed.”.

23 **SEC. 3. NATURAL RESOURCES TRUST.**
