## RESOLUTION

Expressing solidarity with Israel in Israel's defense against terrorism in the Gaza Strip.

Whereas the state of Israel is the greatest ally of the United States in the Middle East;

Whereas the Hamas terror organization's charter calls for the destruction of the state of Israel;

Whereas Palestinian terrorists of the Islamic Jihad and Hamas in the Gaza Strip, recently have fired hundreds of rockets at civilian targets in southern Israel, ending a 6-month ceasefire with Israel, in declaration and in deed;

Whereas, during the 6-month "state of calm", the Government of Israel allowed the entry of approximately 17,000 truckloads of humanitarian aid supplies into the Gaza

Strip, while Palestinian terrorists launched 538 rockets and mortars into Israel;

Whereas the latest terrorist attacks on Israel took place only days after the United Nations Security Council adopted Resolution 1850, which unanimously declared support for the peace process between the Palestinians and Israelis;

Whereas, since the most recent terrorist attacks and its military operation that began on December 27, 2008, the Government of Israel has allowed the entry of hundreds of truckloads of humanitarian aid supplies into the Gaza Strip, in full coordination with donor Arab countries and international aid organizations, including the Red Cross, out of respect for human rights and human life and in an effort to minimize the hardship and suffering of the Palestinian people;

Whereas the military operations of the Government of Israel constitute an effort to defend the people of Israel, which is the Government's moral duty in response to the unspeakable horrors of ongoing, indiscriminate terrorism, and are aimed only at dismantling the terrorist infrastructure; and

Whereas hundreds of innocent Israeli and Palestinian civilians tragically have been killed on account of ongoing escalations of violence initiated by Palestinian terrorist organizations: Now, therefore, be it
