IN THE SENATE OF THE UNITED STATES

SEPTEMBER 20, 2022

Mr. DURBIN (for himself, Mr. COONS, and Mr. BLUMENTHAL) submitted the following resolution; which was considered and agreed to

RESOLUTION

Expressing the sense of the Senate that violence and threats of violence against the employees of the Federal Bureau of Investigation are unacceptable and should be condemned.

Whereas, pursuant to a judicially issued warrant, the Federal Bureau of Investigation (referred to in this preamble as “FBI”) searched the residence of former President Donald Trump (referred to in this preamble as “the former President”) on August 8, 2022, for classified and national defense information records owned by the United States (referred to in this preamble as “the search”);

Whereas, in the days following the search, employees of the FBI and their families have been subjected to threats of violence;

Whereas the threats to employees of the FBI and their families have been inflamed by—

- (1) calls from members of Congress to “destroy the FBI” or “defund the FBI”;
- (2) members of Congress comparing the execution of a lawful warrant by the FBI to the actions of the Nazi Gestapo; and
- (3) repeated attacks from the former President, who has called FBI officials, among other insults, “vicious monsters”;

Whereas the FBI and the Department of Homeland Security issued an intelligence bulletin warning of a further increase in violent threats and acts of violence against Federal law enforcement officials and facilities following the search;

Whereas these threats include placing a “dirty bomb” outside of FBI headquarters and calls for “civil war” and “armed rebellion”;

Whereas the FBI and the Department of Homeland Security have also “observed the personal identifying information of possible targets of violence, such as home addresses and identification of family members, disseminated online as additional targets”;

Whereas a man wearing body armor and armed with an AR-15 rifle and nail gun attempted to breach the FBI Cincinnati Field Office on August 11, 2022;

Whereas a man was indicted on August 16, 2022, for threatening to murder everyone at the FBI, from the Director, to agents, to the custodial staff;

Whereas a man jumped a fence and threw rocks at the FBI Chicago Field Office on August 25, 2022;

Whereas the continued leveling of threats and baseless attacks against the FBI will increase the risk of injury or death that employees of the FBI face; and

Whereas the employees of the FBI put their lives on the line every day to protect the communities of the United States and uphold the rule of law: Now, therefore, be it

8 ernment to reject and condemn political violence and
9 the threat of political violence, regardless of its moti-
10 vation;

12 ees of the Federal Bureau of Investigation, including
13 their work executing lawful warrants; and

14 (5) affirms that a founding principle of the
15 United States is that individuals settle differences
16 through the political process, not through the use or
17 threat of violence.
