State Government

UCA 36-12-13(2)(b)

Revenues	FY 2019	FY 2020	FY 2021
Total Revenues	\$0	\$0	\$0

Enactment of this legislation likely will not materially impact state revenue.

Expenditures	FY 2019	FY 2020	FY 2021
GFR - State Park Fees	\$0	\$5,000	\$0
Total Expenditures	\$0	\$5,000	\$0

Enactment of this legislation could cost the Division of Parks and Recreation \$5,000 one-time from the Park Fees Restricted Account, beginning in FY 2018, for making rules and to evaluate state property for designation as a state monument. These costs can be absorbed with existing budgets. To the extent that the division determines a state property is appropriate for state monument designation, and such monument is created by the Legislature and the governor, it could cost the division \$30,000 ongoing from the restricted account to provide staff support to the management committee; as well as \$400 per meeting ongoing from the General Fund for compensation and expenses of a legislator who is a member of the management committee. The division's management and maintenance costs could be significant, depending on the number of monuments, the size, and the location.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
