Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a medium increase in the regulatory burden for Utah residents or businesses.

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
