Total Expenditures	\$0	\$311,000	\$287,000

Enactment of this bill could cost the Commission on Criminal and Juvenile Justice \$285,000 ongoing beginning in FY 2021 from the newly created Pretrial Release Programs Special Revenue Fund for grants to local counties to create pre-trial release programs. This bill could also cost the Commission on Criminal and Juvenile Justice up to \$15,000 ongoing from the Pretrial Release Programs Special Revenue Fund to administer the grant program. This bill could cost the Administrative Office of the Courts \$24,000 one-time in FY 2021 from the General Fund for changes in applications and processes. This bill could also save the Administrative Office of the Courts \$13,000 ongoing beginning in FY 2021 from the General Fund by making failure to appear notifications to bail bonds companies electronic.

Local Government

UCA 36-12-13(2)(c)

Enactment of this bill could cost local counties and estimated \$285,000 ongoing beginning in FY 2021 funded through grants from the Pretrial Release Programs Special Revenue Fund to create pretrial release programs. This bill could also result in increased revenue of an estimated \$75,000 ongoing beginning in FY 2021 to local prosecutor offices. To the extent that the courts apply pre-trial releases required in this bill, fewer offenders could be held in local jails resulting in reduced costs for jail beds.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
