Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation could cost municipalities between \$700 and \$1,200 per municipality for public notice and legal review of their Solar Power Plant code. Additionally, enactment of this legislation could also cost between \$1,000 to \$1,500 per county for public notice and legal review for their Solar Power Plant code.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a large increase in the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
