 744 would become eligible to be on the waiting list each year for
 745 the next ten years; (6) a proposal for ways to target available
 746 funds to the most beneficial services and how providing limited
 747 benefits to some people could allow more people to be served;
 748 (7) limitations that need to be considered, such as federal
 749 requirements, noting areas where waiver authority could be
 750 reasonably requested and granted; (8) steps that could be taken
 751 to make sure that only those who truly need government
 752 support are determined to be eligible; (9) a projection of costs
 753 associated with providing services to individuals identified in
 754 the study; (10) a discussion of innovative and creative ways
