35 Section 1. Section **34A-2-302** is amended to read:

36 **34A-2-302. Employee's willful misconduct -- Penalty.**

37 (1) For purposes of this section:

38 (a) "Controlled substance" is as defined in Section **58-37-2**.

39 (b) "Local government employee" is as defined in Section **34-41-101**.

40 (c) "Local governmental entity" is as defined in Section **34-41-101**.

41 (d) "State institution of higher education" is as defined in Section **34-41-101**.

42 (e) "Valid prescription" is a prescription, as defined in Section **58-37-2**, that:

43 (i) is prescribed for a controlled substance for use by the employee for whom it was  
44 prescribed; and

45 (ii) has not been altered or forged.

46 (2) An employee may not:

47 (a) remove, displace, damage, destroy, or carry away any safety device or safeguard  
48 provided for use in any employment or place of employment;

49 (b) interfere in any way with the use of a safety device or safeguard described in  
50 Subsection (2)(a) by any other person;

51 (c) interfere with the use of any method or process adopted for the protection of any  
52 employee in the employer's employment or place of employment; or

53 (d) fail or neglect to follow and obey orders and to do every other thing reasonably  
54 necessary to protect the life, health, and safety of employees.

55 (3) Except in case of injury resulting in death:

56 (a) compensation provided for by this chapter shall be reduced 15% when injury is  
57 caused by the willful failure of the employee:

58 (i) to use safety devices when provided by the employer; or

59 (ii) to obey any order or reasonable rule adopted by the employer for the safety of the  
60 employee; and

61 (b) except when the employer permitted, encouraged, or had actual knowledge of the  
62 conduct described in Subsection (4):

63 (i) disability compensation may not be awarded under this chapter or Chapter 3, Utah  
64 Occupational Disease Act, to an employee when the major contributing cause of the employee's  
65 injury is the employee's conduct described in Subsection (4); or

66 (ii) disability compensation to an employee under this chapter or Chapter 3, Utah  
67 Occupational Disease Act, shall be reduced by 15% when the employee's conduct is a  
68 contributing cause of the employee's injury but not the major contributing cause.

69 (4) The conduct described in Subsection (3)(b) is the employee's:

70 (a) knowing use of a controlled substance that the employee did not obtain under a  
71 valid prescription;

72 (b) intentional abuse of a controlled substance that the employee obtained under a valid  
73 prescription if the employee uses the controlled substance intentionally:

74 (i) in excess of prescribed therapeutic amounts; or

75 (ii) in an otherwise abusive manner; or

76 (c) intoxication from alcohol with a blood or breath alcohol concentration of [~~08~~] .05  
77 grams or greater as shown by a chemical test.

78 (5) (a) For purposes of Subsections (3) and (4), as shown by a chemical test that  
79 conforms to scientifically accepted analytical methods and procedures and includes verification  
80 or confirmation of any positive test result by gas chromatography, gas chromatography-mass  
81 spectroscopy, or other comparably reliable analytical method, before the result of the test may  
82 be used as a basis for the presumption, it is presumed that the major contributing cause of the  
83 employee's injury is the employee's conduct described in Subsection (4) if at the time of the  
84 injury:

85 (i) the employee has in the employee's system:

86 (A) any amount of a controlled substance or its metabolites if the employee did not  
87 obtain the controlled substance under a valid prescription; or

88 (B) a controlled substance the employee obtained under a valid prescription or the  
89 metabolites of the controlled substance if the amount in the employee's system is consistent

90 with the employee using the controlled substance intentionally:

91 (I) in excess of prescribed therapeutic amounts; or

92 (II) in an otherwise abusive manner; or

93 (ii) the employee has a blood or breath alcohol concentration of [~~.08~~] .05 grams or  
94 greater.

95 (b) The presumption created under Subsection (5)(a) may be rebutted by a  
96 preponderance of the evidence showing that:

97 (i) the chemical test creating the presumption is inaccurate because the employer failed  
98 to comply with:

99 (A) Sections 34-38-4 through 34-38-6; or

100 (B) if the employer is a local governmental entity or state institution of higher  
101 education, Section 34-41-104 and Subsection 34-41-103(5);

102 (ii) the employee did not engage in the conduct described in Subsection (4);

103 (iii) the test results do not exclude the possibility of passive inhalation of marijuana  
104 because the concentration of total urinary cannabinoids is less than 50 nanograms/ml as  
105 determined by a test conducted in accordance with:

106 (A) Sections 34-38-4 through 34-38-6; or

107 (B) if the employer is a local governmental entity or state institution of higher  
108 education, Section 34-41-104 and Subsection 34-41-103(5);

109 (iv) a competent medical opinion from a physician verifies that the amount of  
110 controlled substances, metabolites, or alcohol in the employee's system does not support a  
111 finding that the conduct described in Subsection (4) was the major contributing cause of the  
112 employee's injury or a contributing cause of the employee's injury; or

113 (v) (A) the conduct described in Subsection (4) was not a contributing cause of the  
114 employee's injury; or

115 (B) the employee's mental and physical condition were not impaired at the time of the  
116 injury.

117 (c) (i) Except as provided in Subsections (5)(c)(ii) and (iii), if a chemical test that  
118 creates the presumption under Subsection (5)(a) is taken at the request of the employer, the  
119 employer shall comply with:

120 (A) Title 34, Chapter 38, Drug and Alcohol Testing; or

121 (B) if the employee is a local governmental employee or an employee of a state  
122 institution of higher education, Title 34, Chapter 41, Local Governmental Entity Drug-Free  
123 Workplace Policies.

124 (ii) Notwithstanding Section 34-38-13, the results of a test taken under Title 34,  
125 Chapter 38, Drug and Alcohol Testing, may be disclosed to the extent necessary to establish or  
126 rebut the presumption created under Subsection (5)(a).

127 (iii) Notwithstanding Section 34-41-103, the results of a test taken under Title 34,  
128 Chapter 41, Local Governmental Entity Drug-Free Workplace Policies, may be disclosed to the  
129 extent necessary to establish or rebut the presumption created under Subsection (5)(a).

130 (6) (a) A test sample taken pursuant to this section shall be taken as a split sample.

131 (b) One part of the sample is to be used by the employer for testing pursuant to  
132 Subsection (5)(a):

133 (i) at a testing facility selected by the employer; and

134 (ii) at the employer's or the employer's workers' compensation carrier's expense.

135 (c) The testing facility selected under Subsection (6)(b) shall hold the part of the  
136 sample not used under Subsection (6)(b) until the sooner of:

137 (i) six months from the date of the original test; or

138 (ii) when the employee requests that the sample be tested.

139 (d) The employee has only six months from the date of the original test to have the  
140 remaining sample tested:

141 (i) at the employee's expense; and

142 (ii) at the testing facility selected by the employee, except that the test shall meet the  
143 requirements of Subsection (5)(a).

144 (7) If any provision of this section, or the application of any provision of this section to  
145 any person or circumstance, is held invalid, the remainder of this section shall be given effect  
146 without the invalid provision or application.
