

30 ~~provisions of this title]~~ this title's provisions or the state engineer's order ~~[of the state engineer],~~
31 notice of ~~[such lapsing]~~ the lapse shall ~~[forthwith]~~ promptly be given to the applicant by regular
32 mail.

33 (2) Within 60 days after ~~[such]~~ notice of a lapse described in Subsection (1), the state
34 engineer may, upon a showing of reasonable cause, reinstate the application with the date of
35 priority changed to the date of reinstatement.

36 (3) The original priority date of a lapsed ~~[or forfeited]~~ application ~~[shall]~~ may not be
37 reinstated, except upon a showing of fraud or mistake of the state engineer.

38 (4) The priority of an application shall be determined by the date of receiving the
39 written application in the state engineer's office, except as provided in Section ~~[73-3-17]~~
40 73-3-12 and as ~~[herein]~~ provided in this section. ~~[Prior to]~~

41 (5) Before issuance of a certificate of appropriation, rights claimed under applications
42 for the appropriation of water may be transferred or assigned by instruments in writing. ~~[Such~~
43 ~~instruments,]~~

44 (6) An instrument transferring or assigning a right described in Subsection (5), when
45 acknowledged or proved and certified in the manner provided by law for the
46 ~~[acknowledgement]~~ acknowledgment or proving of conveyances of real estate, may be filed in
47 the office of the state engineer and shall from time of filing ~~[of same in said office]~~ impart
48 notice to all persons of the contents thereof.

49 (7) Every assignment of an application ~~[which shall not be recorded]~~ that is not filed as
50 ~~[herein]~~ provided ~~[shall be]~~ by this section is void as against any subsequent assignee in good
51 faith and for valuable consideration of the same application or any portion thereof where ~~[his]~~
52 the subsequent assignee's own assignment ~~[shall be]~~ is first duly ~~[recorded]~~ filed.
