

30 As used in this part:

31 (1) "Initiative" means the Recreation Coordinated Investment Initiative created in this
32 part.

33 (2) "Outdoor recreation infrastructure" includes:

34 (a) a trail, trail head infrastructure, signage, and crossing infrastructure for both
35 nonmotorized and motorized recreation;

36 (b) a campground or day-use recreation site;

37 (c) water recreation infrastructure, including a pier, dock, or boat ramp; and

38 (d) outdoor recreation facilities that are accessible to visitors with disabilities.

39 (3) "Public lands" includes local, state, and federal lands.

40 Section 2. Section **79-7-502** is enacted to read:

41 **79-7-502. Recreation Coordinated Investment Initiative.**

42 (1) There is created within the division an initiative known as the "Recreation
43 Coordinated Investment Initiative."

44 (2) The initiative is to manage, maintain, expand, restore, and improve outdoor
45 recreation infrastructure on public lands within the state, including building new or expanding
46 existing outdoor recreation infrastructure to address increased usage and to minimize
47 overcrowding or overuse.

48 (3) Consistent with this part, the division may enter into:

49 (a) a partnership agreement to accomplish the objectives listed in Subsection (2) for
50 outdoor recreation infrastructure, such as a shared stewardship agreement, a challenge
51 cost-share agreement, or other formal agreement; and

52 (b) a recreation management agreement to maintain outdoor recreation infrastructure,
53 including motorized or nonmotorized trails, trail networks, or trails across multiple
54 jurisdictions.

55 (4) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
56 division may make rules, after notifying the commission, establishing procedures consistent
57 with Subsections (2) and (5) for entering into an agreement described in Subsection (3).

58 (5) To accomplish the objectives listed in Subsection (2), the initiative shall develop
59 and oversee a project proposal process to:

60 (a) develop statewide priorities that reflect eligibility criteria established under this
61 section, including projects that:

62 (i) are of interest and benefit to recreation users;

63 (ii) offer the advantages and effectiveness of participation between state and other land
64 management agencies;

65 (iii) would benefit local communities; and

66 (iv) can be completed in a timely manner; and

67 (b) address funding amounts allocated in the agreements described in Subsection (3).

68 (6) The director of the division shall designate staff with relevant expertise or
69 experience to administer the initiative.

70 (7) (a) The initiative staff shall compile data and provide a performance report to the
71 Natural Resources, Agriculture, and Environment Interim Committee on or before November 1
72 of each year.

73 (b) An annual performance report under this Subsection (7) shall include for a fiscal
74 year:

75 (i) by source, the initiative's total annual resources, including partner funds;

76 (ii) the total amount of outdoor recreation infrastructure project areas that are benefited
77 by the initiative during the fiscal year;

78 (iii) the total amount of trail miles that receive maintenance;

79 (iv) the total amount of state funding or in-kind resources that are used to leverage
80 non-state partner resources; and

81 (v) other performance metrics that demonstrate the effectiveness of the initiative.

82 Section 3. Section **79-7-503** is enacted to read:

83 **79-7-503. Funding of initiative.**

84 The initiative is funded from the following sources:

85 (1) appropriations made to the initiative by the Legislature, including any appropriation

86 from the Outdoor Adventure Infrastructure Restricted Account created in Section [51-9-902](#);
87 and
88 (2) contributions, including in-kind assistance, from public and private sources,
89 including a federal agency, state agency, local government, or private entity.
