488 Section 7. Section **77-16a-201** is amended to read:

489 **77-16a-201. Probation.**

490 (1) (a) In felony cases, when the court proposes to place on probation a defendant who

491 has pled or is found guilty with a mental illness at the time of the offense, it shall request UDC
492 to provide a presentence investigation report regarding whether probation is appropriate for that
493 defendant and, if so, recommending a specific treatment program. If the defendant is placed on
494 probation, that treatment program shall be made a condition of probation, and the defendant
495 shall remain under the jurisdiction of the sentencing court.

496 (b) The court may not place an offender who has been convicted of the felony offenses
497 listed in Section 76-3-406 on probation, regardless of whether the offender has, or had, a
498 mental illness.

499 (2) The period of probation for a felony offense committed by a [person] defendant
500 who has been found guilty with a mental illness at the time of the offense [~~may be for no less~~
501 ~~than five years. Probation for those offenders~~] may not be subsequently reduced by the
502 sentencing court without consideration of an updated report on the mental health status of the
503 defendant.

504 (3) (a) Treatment ordered by the court under this section may be provided by or under
505 contract with the department, a mental health facility, a local mental health authority, or, with
506 the approval of the sentencing court, any other public or private mental health provider.

507 (b) The entity providing treatment under this section shall file a report with the
508 defendant's probation officer at least every six months during the term of probation.

509 (c) Any request for termination of probation regarding a defendant who is receiving
510 treatment under this section shall include a current mental health report prepared by the
511 treatment provider.

512 (4) Failure to continue treatment or any other condition of probation, except by
513 agreement with the entity providing treatment and the sentencing court, is a basis for initiating
514 probation violation hearings.

515 (5) The court may not release an offender with a mental illness into the community, as
516 a part of probation, if it finds by clear and convincing evidence that the offender:

517 (a) poses an immediate physical danger to self or others, including jeopardizing the
518 offender's own or others' safety, health, or welfare if released into the community; or

519 (b) lacks the ability to provide the basic necessities of life, such as food, clothing, and
520 shelter, if released into the community.

521 (6) An offender with a mental illness who is not eligible for release into the community

522 under the provisions of Subsection (5) may be placed by the court, on probation, in an
523 appropriate mental health facility.

524 Section 8. Section **77-16a-205** is amended to read:

525 **77-16a-205. Parole.**

526 (1) When an offender with a mental illness who has been committed to the department
527 becomes eligible to be considered for parole, the board shall request a recommendation from
528 the executive director and from UDC before placing the offender on parole.

529 (2) Before setting a parole date, the board shall request that its mental health adviser
530 prepare a report regarding the offender with a mental illness, including:

531 (a) all available clinical facts;

532 (b) the diagnosis;

533 (c) the course of treatment received at the mental health facility;

534 (d) the prognosis for remission of symptoms;

535 (e) potential for recidivism;

536 (f) an estimation of the dangerousness of the offender with a mental illness either to
537 self or others; and

538 (g) recommendations for future treatment.

539 (3) Based on the report described in Subsection (2), the board may place the offender
540 with a mental illness on parole. The board may require mental health treatment as a condition
541 of parole. If treatment is ordered, failure to continue treatment, except by agreement with the
542 treatment provider, and the board, is a basis for initiation of parole violation hearings by the
543 board.

544 (4) UDC, through Adult Probation and Parole, shall monitor the status of an offender
545 with a mental illness who has been placed on parole. UDC may provide treatment by
546 contracting with the department, a local mental health authority, any other public or private
547 provider, or in-house staff.

548 (5) [~~The period of parole may be no less than five years, or until expiration of the~~
549 ~~defendant's sentence, whichever occurs first.~~] The board may not subsequently reduce the
550 period of parole without considering an updated report on the offender's current mental
551 condition.

552 Section 9. Section **77-18-1** is amended to read:

553 **77-18-1. Suspension of sentence -- Pleas held in abeyance -- Probation --**
554 **Supervision -- Presentence investigation -- Standards -- Confidentiality -- Terms and**
555 **conditions -- Termination, revocation, modification, or extension -- Hearings -- Electronic**
556 **monitoring.**

557 (1) On a plea of guilty or no contest entered by a defendant in conjunction with a plea
558 in abeyance agreement, the court may hold the plea in abeyance as provided in Title 77,
559 Chapter 2a, Pleas in Abeyance, and under the terms of the plea in abeyance agreement.

560 (2) (a) On a plea of guilty, guilty with a mental illness, no contest, or conviction of any
561 crime or offense, the court may, after imposing sentence, suspend the execution of the sentence
562 and place the defendant [~~on probation. The court may place the defendant~~]:

563 (i) on probation under the supervision of the Department of Corrections except in cases
564 of class C misdemeanors or infractions;

565 (ii) on probation under the supervision of an agency of local government or with a
566 private organization; or

567 (iii) on court probation under the jurisdiction of the sentencing court.

568 (b) (i) The legal custody of all probationers under the supervision of the department is
569 with the department.

570 (ii) The legal custody of all probationers under the jurisdiction of the sentencing court
571 is vested as ordered by the court.

572 (iii) The court has continuing jurisdiction over all probationers.

573 (iv) Court probation may include an administrative level of services, including
574 notification to the court of scheduled periodic reviews of the probationer's compliance with
575 conditions.

576 (c) Supervised probation services provided by the department, an agency of local
577 government, or a private organization shall specifically address the offender's risk of

582 (ii) the results of a risk and needs assessment;

583 (iii) the demand for services;

584 (iv) the availability of agency resources;
585 (v) public safety; and
586 (vi) other criteria established by the department to determine what level of services
587 shall be provided.

588 (b) Proposed supervision and investigation standards shall be submitted to the Judicial
589 Council and the Board of Pardons and Parole on an annual basis for review and comment prior
590 to adoption by the department.

591 (c) The Judicial Council and the department shall establish procedures to implement
592 the supervision and investigation standards.

593 (d) The Judicial Council and the department shall annually consider modifications to
594 the standards based upon criteria in Subsection (3)(a) and other criteria as they consider
595 appropriate.

596 (e) The Judicial Council and the department shall annually prepare an impact report
597 and submit it to the appropriate legislative appropriations subcommittee.

602 may supervise the probation of a class B [~~misdemeanants~~] misdemeanant in accordance with
603 department standards.

604 (5) (a) Before the imposition of any sentence, the court may, with the concurrence of
605 the defendant, continue the date for the imposition of sentence for a reasonable period of time
606 for the purpose of obtaining a presentence investigation report from the department or
607 information from other sources about the defendant.

608 (b) The presentence investigation report shall include:

609 (i) a victim impact statement according to guidelines set in Section [77-38a-203](#)
610 describing the effect of the crime on the victim and the victim's family;

611 (ii) a specific statement of pecuniary damages, accompanied by a recommendation
612 from the department regarding the payment of restitution with interest by the defendant in

623 (6) (a) The department shall provide the presentence investigation report to the
624 defendant's attorney, or the defendant if not represented by counsel, the prosecutor, and the
625 court for review, three working days prior to sentencing. Any alleged inaccuracies in the
626 presentence investigation report, which have not been resolved by the parties and the
627 department prior to sentencing, shall be brought to the attention of the sentencing judge, and
628 the judge may grant an additional 10 working days to resolve the alleged inaccuracies of the
629 report with the department. If after 10 working days the inaccuracies cannot be resolved, the
630 court shall make a determination of relevance and accuracy on the record.

631 (b) If a party fails to challenge the accuracy of the presentence investigation report at
632 the time of sentencing, that matter shall be considered to be waived.

633 (7) At the time of sentence, the court shall receive any testimony, evidence, or
634 information the defendant or the prosecuting attorney desires to present concerning the
635 appropriate sentence. This testimony, evidence, or information shall be presented in open court
636 on record and in the presence of the defendant.

753 maximum sentence.

754 (B) Except as provided in Subsection (10)(a)(ii), if a defendant's probation is revoked
755 and later reinstated, the total time of all periods of probation the defendant serves, relating to
756 the same sentence, may not exceed the defendant's maximum sentence.

757 ~~[(iii)]~~ (iv) If a period of incarceration is imposed for a violation, the defendant shall be
758 sentenced within the guidelines established by the Utah Sentencing Commission pursuant to
759 Subsection 63M-7-404(4), unless the judge determines that:

760 (A) the defendant needs substance abuse or mental health treatment, as determined by a
761 validated risk and needs screening and assessment, that warrants treatment services that are
762 immediately available in the community; or

763 (B) the sentence previously imposed shall be executed.

764 ~~[(iv)]~~ (v) If the defendant had, prior to the imposition of a term of incarceration or the
765 execution of the previously imposed sentence under this Subsection (12), served time in jail as
766 a condition of probation or due to a violation of probation under Subsection (12)(e)~~[(iii)]~~(iv),
767 the time the probationer served in jail constitutes service of time toward the sentence
768 previously imposed.

769 (13) The court may order the defendant to commit ~~himself or herself~~ the defendant to

770 the custody of the Division of Substance Abuse and Mental Health for treatment at the Utah
771 State Hospital as a condition of probation or stay of sentence, only after the superintendent of
772 the Utah State Hospital or the superintendent's designee has certified to the court that:

- 773 (a) the defendant is appropriate for and can benefit from treatment at the state hospital;
- 774 (b) treatment space at the hospital is available for the defendant; and
- 775 (c) ~~[persons]~~ individuals described in Subsection 62A-15-610(2)(g) are receiving
776 priority for treatment over the defendants described in this Subsection (13).

777 (14) Presentence investigation reports are classified protected in accordance with Title
778 63G, Chapter 2, Government Records Access and Management Act. Notwithstanding Sections
779 63G-2-403 and 63G-2-404, the State Records Committee may not order the disclosure of a
780 presentence investigation report. Except for disclosure at the time of sentencing pursuant to
781 this section, the department may disclose the presentence investigation only when:

- 782 (a) ordered by the court pursuant to Subsection 63G-2-202(7);
- 783 (b) requested by a law enforcement agency or other agency approved by the department
784 for purposes of supervision, confinement, and treatment of the offender;

- 786 (d) requested by the subject of the presentence investigation report or the subject's
787 authorized representative; or
- 788 (e) requested by the victim of the crime discussed in the presentence investigation
789 report or the victim's authorized representative, provided that the disclosure to the victim shall
790 include only information relating to statements or materials provided by the victim, to the
791 circumstances of the crime including statements by the defendant, or to the impact of the crime
792 on the victim or the victim's household.

793 (15) (a) The court shall consider home confinement as a condition of probation under
794 the supervision of the department, except as provided in Sections 76-3-406 and 76-5-406.5.

795 (b) The department shall establish procedures and standards for home confinement,
796 including electronic monitoring, for all individuals referred to the department in accordance
797 with Subsection (16).

798 (16) (a) If the court places the defendant on probation under this section, it may order
799 the defendant to participate in home confinement through the use of electronic monitoring as
800 described in this section until further order of the court.

801 (b) The electronic monitoring shall alert the department and the appropriate law
802 enforcement unit of the defendant's whereabouts.

803 (c) The electronic monitoring device shall be used under conditions which require:

804 (i) the defendant to wear an electronic monitoring device at all times; and

805 (ii) that a device be placed in the home of the defendant, so that the defendant's
806 compliance with the court's order may be monitored.

807 (d) If a court orders a defendant to participate in home confinement through electronic
808 monitoring as a condition of probation under this section, it shall:

809 (i) place the defendant on probation under the supervision of the Department of
810 Corrections;

811 (ii) order the department to place an electronic monitoring device on the defendant and
812 install electronic monitoring equipment in the residence of the defendant; and

813 (iii) order the defendant to pay the costs associated with home confinement to the
814 department or the program provider.

815 (e) The department shall pay the costs of home confinement through electronic
816 monitoring only for ~~[those persons who have been]~~ an individual who is determined to be
817 indigent by the court.

818 (f) The department may provide the electronic monitoring described in this section
819 either directly or by contract with a private provider.

820 Section 10. Section **77-27-5** is amended to read:

821 **77-27-5. Board of Pardons and Parole authority.**

822 (1) (a) The Board of Pardons and Parole shall determine by majority decision when and
823 under what conditions, subject to this chapter and other laws of the state, ~~[persons]~~ individuals
824 committed to serve sentences in class A misdemeanor cases at penal or correctional facilities
825 which are under the jurisdiction of the Department of Corrections, and all felony cases except
826 treason or impeachment or as otherwise limited by law, may be released upon parole, pardoned,
827 ordered to pay restitution, or have their fines, forfeitures, or restitution remitted, or their
828 sentences commuted or terminated.

829 (b) The board may sit together or in panels to conduct hearings. The chair shall
830 appoint members to the panels in any combination and in accordance with rules ~~[promulgated]~~
831 made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, by the

832 board, except in hearings involving commutation and pardons. The chair may participate on
833 any panel and when doing so is chair of the panel. The chair of the board may designate the
834 chair for any other panel.

835 (c) No restitution may be ordered, no fine, forfeiture, or restitution remitted, no parole,
836 pardon, or commutation granted or sentence terminated, except after a full hearing before the
837 board or the board's appointed examiner in open session. Any action taken under this
838 subsection other than by a majority of the board shall be affirmed by a majority of the board.

839 (d) A commutation or pardon may be granted only after a full hearing before the board.

840 (e) The board may determine restitution as provided in Section 77-27-6 and Subsection
841 77-38a-302(5)(d)(iii)(A).

842 (2) (a) In the case of original parole grant hearings, rehearings, and parole revocation
843 hearings, timely prior notice of the time and location of the hearing shall be given to the
844 defendant, the county or district attorney's office responsible for prosecution of the case, the
845 sentencing court, law enforcement officials responsible for the defendant's arrest and
846 conviction, and whenever possible, the victim or the victim's family.

847 (b) Notice to the victim, the victim's representative, or the victim's family shall include
848 information provided in Section 77-27-9.5, and any related rules made by the board under that
849 section. This information shall be provided in terms that are reasonable for the lay person to
850 understand.

851 (3) Decisions of the board in cases involving paroles, pardons, commutations or
852 terminations of sentence, restitution, or remission of fines or forfeitures are final and are not
853 subject to judicial review. Nothing in this section prevents the obtaining or enforcement of a
854 civil judgment, including restitution as provided in Section 77-27-6.

855 (4) This chapter may not be construed as a denial of or limitation of the governor's
856 power to grant respite or reprieves in all cases of convictions for offenses against the state,
857 except treason or conviction on impeachment. However, respites or reprieves may not extend
858 beyond the next session of the Board of Pardons and Parole and the board, at that session, shall
859 continue or terminate the respite or reprieve, or it may commute the punishment, or pardon the
860 offense as provided. In the case of conviction for treason, the governor may suspend execution
861 of the sentence until the case is reported to the Legislature at its next session. The Legislature
862 shall then either pardon or commute the sentence, or direct its execution.

863 (5) In determining when, where, and under what conditions [~~offenders serving~~
864 ~~sentences~~] an offender serving a sentence may be paroled, pardoned, have restitution ordered,
865 or have [~~their~~] the offender's fines or forfeitures remitted, or [~~their sentences~~] the offender's
866 sentence commuted or terminated, the board shall:

867 (a) consider whether the [~~persons have~~] offender has made or [~~are~~] is prepared to make
868 restitution as ascertained in accordance with the standards and procedures of Section
869 77-38a-302, as a condition of any parole, pardon, remission of fines or forfeitures, or
870 commutation or termination of sentence; and

871 (b) develop and use a list of criteria for making determinations under this Subsection
872 (5).

873 (6) In determining whether parole may be terminated, the board shall consider:

874 (a) the offense committed by the parolee[;]; and

875 (b) the parole period as provided in Section 76-3-202, and in accordance with Section
876 77-27-13.

877 (7) For offenders placed on parole after December 31, 2018, the board shall terminate
878 parole in accordance with the supervision length guidelines established by the Utah Sentencing
879 Commission under Section 63M-7-404, to the extent the guidelines are consistent with the
880 requirements of the law.

887 offender shall be afforded a hearing to establish a date of release or a date for a rehearing, and
888 shall promptly notify the offender of the date.

889 (2) Before reaching a final decision to release any offender under this chapter, the chair
890 shall cause the offender to appear before the board, its panel, or any appointed hearing officer,
891 who shall personally interview the offender to consider the offender's fitness for release and
892 verify as far as possible information furnished from other sources. Any offender may waive a
893 personal appearance before the board. Any offender outside of the state shall, if ordered by the

894 board, submit to a courtesy hearing to be held by the appropriate authority in the jurisdiction in
895 which the offender is housed in lieu of an appearance before the board. The offender shall be
896 promptly notified in writing of the board's decision.

897 (3) (a) In the case of an offender convicted of violating or attempting to violate any of
898 the provisions of Section 76-5-301.1, Subsection 76-5-302(1)(b)(vi), Section 76-5-402,
899 76-5-402.1, 76-5-402.2, 76-5-402.3, 76-5-403, 76-5-403.1, 76-5-404, 76-5-404.1, or 76-5-405,
900 the chair may appoint one or more alienists who shall examine the offender within six months
901 prior to a hearing at which an original parole date is granted on any offense listed in this
902 Subsection (3).

904 to the hearing. The report of the appointed alienists shall specifically address the question of
905 the offender's current mental condition and attitudes as they relate to any danger the offender
906 may pose to children or others if the offender is released on parole.

907 (4) ~~[The]~~ A parolee may petition the board for termination of lifetime parole as
908 provided in Section 76-3-202 in the case of a ~~[person]~~ parolee convicted of a first degree felony
909 violation, or convicted of attempting to violate Section 76-5-301.1, Subsection
910 76-5-302(1)(b)(vi), Section 76-5-402, 76-5-402.1, 76-5-402.2, 76-5-402.3, 76-5-403,
911 76-5-403.1, 76-5-404.1, or 76-5-405, and released on parole before January 1, 2019.

912 (5) In any case where an offender's mental competency is questioned by the board, the
913 chair may appoint one or more alienists to examine the offender and report in writing to the
914 board, specifically addressing the issue of competency.

915 (6) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
916 board shall make rules governing:

- 917 (a) the hearing process;
- 918 (b) alienist examination; and
- 919 (c) parolee petitions for termination of parole.

929 hearing, and recorded the proceedings and decisions of the board.

930 (c) The board may not pardon or parole any offender or commute or terminate the

947 (b) The board may not parole any offender or commute or terminate the sentence of
948 any offender before the offender has served the minimum term for the offense, if the offender

968 performance of its duties.

969 (b) A person who willfully disobeys a properly served subpoena issued by the board is
970 guilty of a class B misdemeanor.

971 (4) (a) The board may adopt rules consistent with law for its government, meetings and

976 held under this chapter, as provided in Section [77-27-9.5](#).

977 (c) The rules may allow the board to establish reasonable and equitable time limits on
978 the presentations by all participants in hearings held under this chapter.

1012 (c) If heard by an appointed examiner, the examiner shall make a written decision
1013 which shall include a statement of the facts relied upon by the examiner in determining the
1014 guilt or innocence of the parolee on the alleged violation and a conclusion as to whether the
