64-13e-103. Contracts for housing state inmates.

30 (1) Subject to Subsection (6), the department may contract with a county to house state
31 inmates in a county or other correctional facility.

32 (2) The department shall give preference for placement of state inmates, over private
33 entities, to county correctional facility bed spaces for which the department has contracted
34 under Subsection (1).

35 (3) (a) The compensation rate for housing state inmates pursuant to a contract
36 described in Subsection (1) shall be:

37 (i) [~~73%~~] 79% of the final state daily incarceration rate for beds in a county that,

40 (ii) [~~70%~~] 73% of the final state daily incarceration rate for beds in a county other than
41 the beds described in Subsection (3)(a)(i).

42 (b) The department shall:

43 (i) make rules, in accordance with Title 63G, Chapter 3, Utah Administrative
44 Rulemaking Act, that establish standards that a treatment program is required to meet before
45 the treatment program is considered for approval for the purpose of a county receiving payment
46 based on the rate described in Subsection (3)(a)(i); and

47 (ii) determine on an annual basis, based on appropriations made by the Legislature for
48 the contracts described in this section, whether to approve a treatment program that meets the
49 standards established under Subsection (3)(b)(i), for the purpose of a county receiving payment
50 based on the rate described in Subsection (3)(a)(i).

51 (c) The department may not approve a treatment program for the purpose of a county
52 receiving payment based on the rate described in Subsection (3)(a)(i), unless:

57 (B) pay each county that does not provide a treatment program an amount per state

58 inmate that is not less than the amount per state inmate received for the preceding fiscal year by
59 a county that did not provide a treatment program; and

60 (iii) the department determines that the treatment program is needed by the department
61 at the location where the treatment program will be provided.

62 (4) Compensation to a county for state inmates incarcerated under this section shall be
63 made by the department.

64 (5) Counties that contract with the department under Subsection (1) shall, on or before
65 June 30 of each year, submit a report to the department that includes:

66 (a) the number of state inmates the county housed under this section; and

67 (b) the total number of state inmate days of incarceration that were provided by the
68 county.

69 (6) Except as provided under Subsection (7), the department may not enter into a
70 contract described under Subsection (1), unless the Legislature has previously passed a joint

72 (a) the approximate number of beds to be contracted;

73 (b) the final state daily incarceration rate;

74 (c) the approximate amount of the county's long-term debt; and

75 (d) the repayment time of the debt for the facility where the inmates are to be housed.

76 (7) The department may enter into a contract with a county government to house
77 inmates without complying with the approval process described in Subsection (6) only if the
78 county facility was under construction, or already in existence, on March 16, 2001.

79 (8) Any resolution passed by the Legislature under Subsection (6) does not bind or
80 obligate the Legislature or the department regarding the proposed contract.
