59	WHEREAS, to fully mitigate the total lifetime excess NOx emissions from certain
60	noncompliant 2.0-liter diesel Volkswagen and Audi vehicles, Volkswagen agreed to pay into
61	the Volkswagen Environmental Mitigation Trust to fund eligible mitigation actions within the
62	United States or its territories;
63	WHEREAS, 5,983 noncompliant 2.0-liter and 3.0-liter Volkswagen and Audi diesel
64	vehicles and 1,030 noncompliant 3.0-liter Volkswagen, Audi, and Porsche diesel vehicles are
65	registered in the state of Utah;
66	WHEREAS, seven counties in the state of Utah have been designated "nonattainment"
67	for the federal National Ambient Air Quality Standards for pollutants that are formed by NOx;
68	WHEREAS, the State Implementation Plan imposes certain requirements and
69	restrictions on the public so the air quality may reach attainment for those pollutants in the
70	seven counties;
71	WHEREAS, in accordance with the terms of the Volkswagen Partial Consent Decree,
72	the Governor of the state of Utah may seek a portion of the Volkswagen Environmental
73	Mitigation Trust to fund specific eligible mitigation actions authorized by the U.S. District
74	Court-appointed trustee to mitigate the lifetime excess NOx emissions in the state of Utah from

WHEREAS, it is the intention of the Governor to elect to become a Volkswagen Environmental Mitigation Trust fund beneficiary by timely filing, with the U.S. District Court, the necessary certifications, including certifying that the state will agree to be bound by the terms of the Environmental Trust Agreement, only for purposes of requesting, obtaining, and expending funds from the Volkswagen Environmental Mitigation Trust;

the noncompliant Volkswagen and Audi 2.0-liter diesel vehicles;

WHEREAS, the Governor intends to designate the Utah Department of Environmental Quality to act on behalf of and legally bind the state regarding requests and expenditures from the Volkswagen Environmental Mitigation Trust;

WHEREAS, upon the trustee confirming the state of Utah as a beneficiary under the Volkswagen Partial Consent Decree, the Department of Environmental Quality and its Division
