39 ENACTS:

40 **53F-5-222**, Utah Code Annotated 1953

42 *Be it enacted by the Legislature of the state of Utah:*

43 Section 1. Section **53F-5-222** is enacted to read:

44 **53F-5-222. Long-term Educational Achievement Program.**

45 (1) As used in this section:

46 (a) "Backbone organization" means a nonprofit entity that provides strategic  
47 coordination and support for cross-sector partnerships.

48 (b) "High school feeder system" means a junior high and at least one elementary school  
49 that provides students to the same high school within the LEA.

50 (c) "Local communities" means the local municipal leaders, businesses, and other  
51 organizations within a geographic area proximate to a school.

52 (d) "Local education agency" or "LEA" means a school district or charter school that  
53 offers educational services to grades K-12.

54 (e) "Student achievement" means a student's academic performance measured by  
55 standardized tests and proficiency indicators.

56 (2) There is created a six-year pilot program known as the Long-term Educational  
57 Achievement Program to foster collaboration between an LEA, a backbone organization, a  
58 local municipality, and local communities in ensuring:

- 59           (a) all students graduate high school on a career path; and
- 60           (b) improved outcomes in student achievement.
- 61           (3) (a) An LEA and backbone organization shall partner with the local municipality to
- 62 create a proposal for the Long-term Educational Achievement Program.
- 63           (b) The participating LEA or backbone organization shall submit the proposal to the
- 64 state board.
- 65           (4) The proposal shall include:
- 66           (a) a plan for implementation in at least one identified high school feeder system within
- 67 the participating LEA that has a high school with a graduation rate of 85% or lower and one of
- 68 the following:
- 69           (i) each junior high and elementary school is a Title I school; or
- 70           (ii) at least 50% of students at each junior high and elementary school qualify for free
- 71 or reduced lunch;
- 72           (b) a demonstration of at least five years of partnered work on educational and
- 73 community outcomes between:
- 74           (i) the LEA;
- 75           (ii) a backbone organization;
- 76           (iii) local municipal leaders;
- 77           (iv) local non-profit organizations;
- 78           (v) other local community organizations; and
- 79           (vi) the local business community;
- 80           (c) a strategic plan between the participating LEA, a backbone organization, and local
- 81 municipal leaders to:
- 82           (i) achieve a 95% four-year cohort high school graduation rate within the identified
- 83 high school feeder system;
- 84           (ii) improve student achievement within the identified high school feeder system by
- 85 setting a goal for:
- 86           (A) grade 3 reading proficiency achievement that is at least equal to the goal set by the
- 87 state board; and
- 88           (B) grade 8 math proficiency achievement;
- 89           (iii) outline:

90 (A) a plan for the partners to share results and facilitate progress among students within  
91 the high school feeder system;

92 (B) a plan for active family and community engagement;

93 (C) a plan and process for collaborative leadership within the partnership including  
94 identified roles of each partner;

95 (D) expanded and enriched learning opportunities to provide each student with  
96 individualized support and access to local opportunities;

97 (E) a plan to develop a system to use community resources that align with school-based  
98 supports;

99 (F) the provision of rigorous and personalized classroom instruction to each student;

100 and

101 (G) strategic plan performance measures using data sharing systems and agreements  
102 between partners that adhere to federal and state privacy laws; and

103 (iv) identify and use community resources that may be provided within or for the  
104 students and families at each participating school including:

105 (A) health and mental health services;

106 (B) nutrition services;

107 (C) early childhood education programs;

108 (D) out-of-school time programs;

109 (E) mentoring and other youth development programs;

110 (F) parent education and development activities;

111 (G) housing resources; and

112 (H) crime prevention and rehabilitation services;

113 (d) a budget identifying:

114 (i) the total amount of funds needed;

115 (ii) the percentage of the total funds to be allocated to the:

116 (A) LEA;

117 (B) backbone organization; and

118 (C) local municipality or community organizations;

119 (iii) any funding contributions provided by an entity described in Subsection

120 (4)(d)(ii)(A) through (C); and

- 121 (iv) the general use proposed for the funds including administrative costs;  
122 (e) any regulatory waivers needed for implementation including:  
123 (i) local governing board policy;  
124 (ii) state board rule; or  
125 (iii) local ordinances; and  
126 (f) evidence that the following agree to the proposal:  
127 (i) a majority of the local governing board members of the participating LEA;  
128 (ii) at each school within the high school feeder system:  
129 (A) all administrators;  
130 (B) a majority of teachers; and  
131 (C) a majority of the school community council members;  
132 (iii) the superintendent of the participating LEA;  
133 (iv) the mayor or manager and at least one city council member of the local  
134 municipality; and  
135 (v) other community members committed to the goals of the proposal.  
136 (5) The state board shall:  
137 (a) review a proposal for compliance with this section;  
138 (b) subject to legislative appropriations, provide funds up to the amount requested in a  
139 proposal to the LEA;  
140 (c) grant any waiver to a state board rule identified in the proposal, unless the waiver  
141 would:  
142 (i) cause the LEA or a school within the high school feeder system to be in violation of  
143 state or federal law;  
144 (ii) threaten the health, safety, or welfare of students in the participating LEA; or  
145 (iii) waive a rule related to:  
146 (A) employee criminal background checks; or  
147 (B) accounting principles; and  
148 (d) carry out Subsections (5)(a) through (c) on a first come first served basis until the  
149 state board distributes all appropriated funds.  
150 (6) The participating LEA shall:  
151 (a) distribute the allocated funds as outlined in the proposal;

152 (b) coordinate with the backbone organization to facilitate community resources that  
153 are available to support students and families;

154 (c) provide one dedicated full-time staff at the superintendency level to oversee the  
155 implementation of the proposal;

156 (d) provide regular information, professional development, training, and mentoring for  
157 school administrators and teachers at each school in the high school feeder system;

158 (e) maintain detailed accounting records of the funds and make the accounting records  
159 available for review at the request of:

160 (i) the board of the backbone organization;

161 (ii) the participating LEA's governing board;

162 (iii) the legislative body of the municipality;

163 (iv) the state board;

164 (v) the state auditor; and

165 (vi) the legislative auditor general;

166 (f) coordinate with the backbone organization to provide an annual progress report to  
167 the LEA's governing board; and

168 (g) commit to data sharing systems and agreements that enable shared accountability  
169 and shared work toward outcomes.

170 (7) The backbone organization shall:

171 (a) serve as the community liaison between the participating LEA, local municipal  
172 leaders, and local community resources;

173 (b) identify:

174 (i) non-academic impediments that prevent students from accessing and engaging in  
175 the learning process; and

176 (ii) opportunities or resources for students within the local community that can  
177 improve student achievement;

178 (c) align and coordinate community resources to remove non-academic impediments to  
179 students;

180 (d) facilitate the coordination of the delivery of community resources, programs, and  
181 activities through the use of the school as a community-level hub; and

182 (e) coordinate needs from local municipal leaders.

- 183           (8) The participating local municipality shall:  
184           (a) provide supportive programming that helps meet the proposal goals;  
185           (b) align programing with participating schools;  
186           (c) work with the backbone organization to engage community partners to contribute to  
187 the goal; and  
188           (d) commit to data sharing systems and agreements that enable shared accountability  
189 and shared progress toward outcomes.  
190           (9) The participating LEA, backbone organization, and local municipalities may not  
191 use funds to supplant existing funds.  
192           (10) The participating LEA may accept private grants, loans, gifts, endowments,  
193 devises, or bequests that are made to support the proposal.  
194           (11) Upon request of the Education Interim Committee, the participating LEA in  
195 collaboration with the backbone organization and local municipal leaders shall report to the  
196 Education Interim Committee on the pilot program's progress and outcomes.
