4 Sec. 2. 24 App. V.S.A. chapter 411, § 404 is amended to read:

5 § 404. REVENUES AND APPROPRIATIONS

6 (a) The Board of Supervisors shall establish a fee structure for the purpose
7 of generating revenues for the District, which fee structure shall be designed to
8 generate sufficient revenue to enable the District to operate and carry out its
9 functions and financial obligations, including the timely payment of its
10 longterm indebtedness, bonded indebtedness, and anticipated closure costs.

11 The surcharge fee schedule shall be based upon the actual tonnage collected
12 and reported by District-registered haulers from each member municipality.

13 The fee schedule shall be expressed in dollars per ton or dollars per cubic yard,
14 as the Board of Supervisors shall determine to be most appropriate. Fees ~~shall~~
15 may include the rate of surcharge, tipping fees for recycling, charges for waste
16 services, per capita fees, and amount to be assessed against each member
17 municipality of the District for all waste generated within the member
18 municipality and managed by the District, which assessment shall be billed
19 with such frequency as the Board of Supervisors shall determine appropriate.

20 “Per capita” means charges based on the most recent decennial census of
21 towns.
