Subject: Human services; health; justice-impacted youth; culturally informed  
services and support; pilot program

Statement of purpose of bill as introduced: This bill proposes to establish a  
pilot program to provide community health and wellness programming and  
services to youth in Black, Brown, and marginalized communities throughout  
the State. It further proposes to provide support, mentorship, and advice to  
Black, Brown, and marginalized youth who are either justice-impacted or who  
have been removed from their homes. The pilot program proposed in this bill  
would provide culturally informed services to support foster parents.

An act relating to establishing a culturally informed youth support pilot  
program

1 It is hereby enacted by the General Assembly of the State of Vermont:
