Waterbury

Referred to Committee on

Date:

Subject: Education; career technical education

1 Statement of purpose of bill as introduced: This bill proposes to require public  
2 schools to include within their courses of study, beginning in the fifth grade,  
3 exposure to career technical education, in collaboration with the regional  
4 advisory board for its career technical education service region. This bill also  
5 requires that school guidance counselors receive specific training in methods to  
6 encourage students to pursue career technical education where best suited to  
7 meet their educational goals.

8 An act relating to career technical education

9 It is hereby enacted by the General Assembly of the State of Vermont:
