H.763

SHORT FORM

Introduced by Representative Ode of Burlington (By Request)

Referred to Committee on

Date:

Subject: Professions and occupations; Secretary of State, Office of

Professional Regulation; tilers; licensure

Statement of purpose of bill as introduced: This bill proposes to require tiling professionals to be professionally regulated by the Office of Professional Regulation. A person would need to obtain a license from the Office in order to engage in the practice of tiling. An applicant for initial tiling licensure or license renewal would need to demonstrate that the applicant meets minimum competency requirements and pay an application fee. Applicants and licensees would be subject to the unprofessional conduct provisions that apply to all Office professions and to unprofessional conduct provisions that are specifically applicable to the tiling profession.

An act relating to the professional regulation of tilers

It is hereby enacted by the General Assembly of the State of Vermont:
