SHORT FORM

Introduced by Representatives Bluemle of Burlington and Leavitt of Grand  
Isle

Referred to Committee on

Date:

Subject: Health; medical food; tube feeding; blenderized whole foods

Statement of purpose of bill as introduced: This bill proposes to increase  
access to a blenderized whole foods diet for individuals who receive nutrition  
through a feeding tube by providing financial assistance to qualifying  
individuals and families to purchase nutritious whole foods, by providing  
educational opportunities for families and health care providers regarding best  
practices for blenderized food diets, and by providing support and resources  
for individuals and families who elect to prepare blenderized foods for  
themselves or for friends or family members who require tube feeding.

An act relating to increasing access to a blenderized whole foods diet for  
individuals receiving nutrition through a feeding tube

It is hereby enacted by the General Assembly of the State of Vermont:
