H.919

SHORT FORM

Introduced by Representatives Cina of Burlington and Hooper of Randolph

Referred to Committee on

Date:

Subject: Education; workforce initiative; technology and artificial intelligence

education programs

Statement of purpose of bill as introduced: This bill proposes to fund a pilot program through the University of Vermont and the Vermont State Colleges to increase technology and artificial intelligence education programs for kindergarten through grade 12 students, their teachers, and workers.

An act relating to funding a pilot program to increase technology and artificial intelligence education programs

It is hereby enacted by the General Assembly of the State of Vermont:
