2 Introduced by Senator Illuzzi

3 Referred to Committee on

4 Date:

5 Subject: Worker's compensation; state contracts; compliance with

6 Davis-Bacon

7 Statement of purpose: This bill proposes that when the most recently updated
8 Davis-Bacon wages cannot be determined due to the simultaneous updating by
9 two or more counties, the agencies of administration and of transportation shall
10 have the authority to select the minimum required wage for a state contract
11 subject to Davis-Bacon wages from those counties.

12 An act relating to minimum wages for state contracts

13 It is hereby enacted by the General Assembly of the State of Vermont:

14 Sec. 1. Sec. 32 of No. 54 of the Acts of 2009 is amended to read:

15 Sec. 32. WORKERS' COMPENSATION; STATE CONTRACTS;

16 COMPLIANCE WITH DAVIS-BACON

17 * * *

18 (c) The agencies shall assure that any state contract funded in whole or in
19 part with American Recovery and Reinvestment Act of 2009 (ARRA) monies
20 shall comply with the payment of Davis-Bacon wages when required by

1 ARRA. However, in the event the applicable Davis-Bacon wages in any
2 county have not been updated in the previous three years, the minimum state
3 required wage for a state contract subject to Davis-Bacon wages under ARRA
4 shall be that of the Vermont county that has most recently updated its
5 applicable Davis-Bacon wages, provided this provision does not result in the
6 loss of ARRA funds and is not otherwise contrary to federal law. In the event
7 that the most recently updated Davis-Bacon wages cannot be determined due
8 to the simultaneous updating by two or more counties, the agencies shall have
9 the authority to select the minimum state required wage for a state contract
10 subject to Davis-Bacon wages under ARRA from among those counties.
