

State of Vermont

Senate Chamber

Montpelier, Vermont

Senate Resolution

By the Committee on Natural Resources and Energy,

S.R. 22. Senate resolution relating to S. 77, An act relating to the recycling and disposal of electronic waste.

Whereas, during the course of the 2009-2010 biennium, a certain Senate bill, S. 77, was passed by the Senate in 2009, and after consideration by the House was returned to the Senate with a proposal of amendment bearing document number 254704.1, and

Whereas, S. 77 was further considered by the Senate, resulting in the Senate concurring in the House proposal of amendment as set forth in document number 254704.1 and in the Senate calendars dated March 9, 12, 16 and 17, with further proposals of amendment, and

Whereas, the House concurred in the Senate's further proposals of amendment to the House proposal of amendment on March 23, 2010, and

Whereas, the action by the House on March 23, 2010, and the subsequent return of S. 77 to the Senate by the House completed the final passage of S. 77 by the Vermont General Assembly, and

Whereas, following final passage of S. 77 it was discovered that one subsection of the House proposal of amendment to S. 77 that had been approved by the House on February 24, 2010, had been inadvertently omitted from the text of the House proposal of amendment as set forth in document number 254704.1 and in the Senate calendars for March 9, 12, 16 and 17, and

Whereas, because of the inadvertent omission of a portion of the House proposal of amendment to S. 77, the version of S. 77 as passed by the Senate differs from the version of S. 77 as passed by the House, and

Whereas, in order for legislation to be enacted in accordance with the Constitution of the State of Vermont, the exact wording of bills as passed by the Senate and the House must be the same in each chamber, and

Whereas, the wording of S. 77 that must be approved by the Senate is the addition to Sec. 2, 10 V.S.A. § 7553, as proposed by the House, of the following language:

“(i) Exemption. A manufacturer who sells less than 20 covered electronic devices in Vermont in a program year is exempt from the requirements of this section.”, now therefore be it

Resolved by the Senate:

That the Vermont Senate does hereby approve and does hereby concur with the House proposal of amendment that in Sec. 2 of S. 77, 10 V.S.A. § 7553(i) should read as follows:

(i) Exemption. A manufacturer who sells less than 20 covered electronic devices in Vermont in a program year is exempt from the requirements of this section.

PRESIDENT OF THE SENATE

ATTESTED TO:

David A. Gibson
Secretary of the Senate
