

HB 1086 - H AMD 1

By Representative Shavers

1 On page 2, line 25, after "living." insert "The legislature
2 therefore intends to increase the dollar limit from \$25,000 to \$75,000
3 for smaller agencies. It is the intent of the legislature that this
4 limit apply annually to all contracts entered into by an agency under
5 RCW 35.21.278 in any one year, and that this limit not be interpreted
6 to apply on a per contract basis so as to allow any number of
7 individual contracts of up to \$75,000.

8 It is the intent of the legislature that this authority be used to
9 provide additional opportunities for public service organizations to
10 meaningfully participate in the betterment of their community, rather
11 than as a way for local agencies to advantage non-profits over other
12 businesses in public contracting."
