EFFECT: (1) Excludes social media platforms from provisions obligating school districts, charter schools, state-tribal compact schools, and Educational Service Districts (ESDs) to make information from the Department of Health (DOH) that addresses substance use trends, overdose symptoms and response, and the secure storage of prescription drugs, over-the-counter medications, and firearms and ammunition available through digital and non-digital communications.

(2) Specifies that the digital and non-digital communications are not required to include the full text of the DOH information and may include a link to that information.

(3) Removes provisions establishing frequency requirements for postings of the DOH information by school districts, charter schools, state-tribal compact schools, and ESDs.
