3 "NEW SECTION. **Sec. 1.** The legislature finds that people  
4 participating in their government is an essential part of developing  
5 public policy. Familiarizing students with their representative  
6 government's policy development process increases social  
7 responsibility and civic awareness that will benefit them now as  
8 students and later as adults while improving our state. The  
9 legislature further finds that policymakers can benefit from the  
10 input of students presently in our kindergarten through grade 12  
11 school system and those attending a community or technical college,  
12 sharing insights and ideas on education and other issues affecting  
13 youth in our state. Therefore, the legislature intends to establish  
14 student councils, including 49 legislative district student councils  
15 each representing one legislative district to ensure proportional and  
16 geographical representation, to allow students to learn about and  
17 participate in our representative democracy and share policy ideas  
18 with their state elected officials.

19 NEW SECTION. **Sec. 2.** (1) A legislative district student council  
20 is established in each legislative district to examine issues  
21 important to youth. Legislative district student councils are  
22 informal nonpartisan advisory bodies which may examine issues  
23 affecting youth and education and make recommendations to legislators  
24 on those issues. Each chair of a legislative district student  
25 council, selected pursuant to this section, shall coordinate with the  
26 legislators from the legislative district which the student member  
27 represents to stand up and maintain their district's student council.  
28 Each legislative district student council is facilitated by the  
29 legislative office or offices of legislators who elect to assist in  
30 facilitating the program. Participation in this process is  
31 discretionary for each legislator.

1 (2) Consistent with the provisions of this act, the legislative  
2 youth advisory council, in consultation with the student  
3 representative network created in section 3 of this act, shall  
4 develop:

5 (a) Processes and procedures that may be used to set up  
6 legislative district student councils;

7 (b) An application and selection process that may be used to  
8 select student members to serve on the council, including for the  
9 position of chair for each legislative district student council;

10 (c) A model process, program, and duties for legislative district  
11 student councils, which must include mechanisms for administration,  
12 supervision, and facilitation support to the legislative district  
13 student councils; and

14 (d) Model practices enabling qualifying schools to conduct  
15 legislative district student council meetings as extracurricular  
16 activities.

17 (3) Each legislative district student council is composed of no  
18 more than 11 student members as follows:

19 (a) One chair, selected for each legislative district student  
20 council by the legislative youth advisory council, established under  
21 RCW 43.15.095. The legislative youth advisory council shall select  
22 the initial chairs no later than October 1, 2024, with the selection  
23 of the subsequent chairs being on June 1, 2026, and each June 1st  
24 every two years thereafter.

25 (b) To the extent possible, the Washington state school  
26 directors' association shall select up to five student board  
27 representatives from each legislative district who attend a public  
28 school that serves students in any of grades nine through 12 and are  
29 members of the Washington state school directors' association's  
30 student representatives network to receive automatic membership to  
31 that district's legislative district student council.

32 (c)(i) At least five additional members must be selected who are  
33 under the age of 21 at the start of their term and attend either a  
34 qualifying school that serves students in any of grades nine through  
35 12 or a community or technical college, which is located within that  
36 student council's legislative district.

37 (ii) Factors to consider for selection of the members described  
38 in this subsection (3)(c) include:

39 (A) Balancing representation among the various grades, with at  
40 least one student being in grade 11 and one being in grade 12; and

1 (B) Demonstrated a commitment to civic education through current  
2 participation in another local youth council.

3 (iii)(A) For the selection of initial members described in this  
4 subsection (3)(c) for new legislative district student councils, the  
5 legislative youth advisory council shall form a committee consisting  
6 of the chairs of each legislative district student council for the  
7 purpose of selecting members for each legislative district student  
8 council from the applications submitted. Initial members must be  
9 selected by January 15, 2025.

10 (B) Subsequent selection of members described in this subsection  
11 (3)(c) shall be the responsibility of each legislative district  
12 student council and must occur no later than January 15, 2027, and on  
13 January 15th every two years thereafter.

14 (4) To the closest extent feasible, the members of each  
15 legislative district student council must attend either a qualifying  
16 school that serves students in any of grades nine through 12 or a  
17 community or technical college, that is in their council's  
18 legislative district. If there are no applicants from a legislative  
19 district, qualifying students who attend a qualifying school that  
20 serves students in any of grades nine through 12 or a community or  
21 technical college located in an adjacent legislative district may be  
22 selected for membership.

23 (5) Membership terms are as follows:

24 (a) Of the chairs initially selected, each chair shall serve two-  
25 year terms except that students who are in grade 12 shall serve a  
26 one-year term but may serve the full two-year term if they attend a  
27 community or technical college within the student council's  
28 legislative district in the following year. The term of each  
29 subsequent chair shall be two years, but qualifying chairs may be  
30 selected for subsequent two-year terms.

31 (b) Of the members initially selected to serve on a legislative  
32 district student council, each member shall serve a two-year term,  
33 except that students who are in grade 12 shall serve a one-year term  
34 but may serve the full two-year term if they attend a community or  
35 technical college within the student council's legislative district  
36 in the following year. The term of each subsequent eligible member  
37 shall be two years, but members may be selected for subsequent two-  
38 year terms.

1 (c) In the case of a vacancy, the selection of a student member  
2 to fill the remainder of an unexpired term must be conducted in the  
3 same manner as the original appointment.

4 (6) Each student council may not conduct more than four in-person  
5 meetings, with one of the in-person meetings occurring in person in  
6 Olympia on the day of youth civic education organized by the  
7 legislative youth advisory council, in collaboration with the student  
8 representative network, pursuant to RCW 43.15.095(5)(g). Each student  
9 council must attend the day of youth civic education in Olympia.

10 (7) The legislature, any agency of the legislature, and any  
11 official or employee of such office or agency are immune from  
12 liability for any injury that is incurred by or caused by a member of  
13 the legislative district student council and that occurs while the  
14 member of the council is performing duties of the council. The  
15 immunity provided by this subsection does not apply to an injury  
16 intentionally caused by the act or omission of an employee or  
17 official of the office of the legislature or any agency of the  
18 legislature.

14 representative network and that occurs while the member of the  
15 network is performing duties of the network or is otherwise engaged
