EFFECT: Amends the definition of "quota" by: (1) specifying that it is a standard the employee is assigned or required to perform, rather than a standard that is required or recommended; (2) specifying that "adverse employment action" for failing to meet a quota means an action or a pattern of conduct that, taken as a whole, materially and adversely affected the terms, conditions, or privileges of the employee's employment; and (3) removing the performance standard where an employee's actions are categorized between time performing tasks and not performing tasks.
