Request #	1
Bill #	1791 EHB AMS BFGT S2287.1

Part 2 – Explanation

This bill allows appraisers to conduct real property evaluations and sets new education requirements.

2.A – Brief Description Of What The Measure Does That Has Fiscal Impact

EHB 1797 AMS BFGT S2287.1 bill changes:

- Provides the Department of Licensing regulatory authority over evaluations conducted by state-licensed appraisers or state-certified appraisers.
- Changes the definition of "evaluation" to mean an estimate of the market value of real property or real estate.
- Clarifies that a financial institution choosing to do an evaluation does not excuse that institution from complying with the federal Financial Institutions Reform, Recovery, and Enforcement Act.
- Replaces the education requirements with language that requires appraisers and appraiser trainees to adhere to nondiscrimination and fair housing provisions as provided in the ethics rule in accordance with the Appraisal Standards Board and the Uniform Standards of Professional Appraisal Practice.

EHB1797:

Sec. 1 – Adds a new section to chapter 18.140 RCW

- Allows state-licensed or certified appraiser to perform evaluations for financial institutions
 - These are not considered appraisal activity when a disclaimer is included
 - These are not subject to DOL or Appraiser Commission regulation
 - Appraisers may choose to comply with USPAP
- The disclaimer should include the following language:
 - “I am a state-licensed appraiser or a state-certified appraiser. This evaluation was not prepared in my capacity as a real estate appraiser and might not comply with the uniform standards of professional appraisal practice.”
- “Evaluation” means an opinion of real property or real estate market value, provided to a financial institution that conforms with the interagency appraisal and evaluation guidelines adopted by the federal financial institution’s regulatory agencies for use in real estate-related financial transactions that don’t require an appraisal

Sec. 2 – Amends RCW 18.140.030

- (15) updates exceptions

Sec. 3 – Adds a new section to chapter 18.140 RCW

- Requires DOL to adopt the following rules:
 - Beginning 1/1/2024 require all initial applicants to complete a 7 hour qualifying course with an exam that includes valuation bias and fair housing laws and regulations as part of the core modules required for licensure
 - Applies to state-registered appraiser trainees, state-licensed real estate appraisers, state-certified residential real estate appraisers, and state-certified general real estate appraiser certifications
 - Before 1/1/2025 require all holders of an active or inactive certification, license, or registration to complete a 7-hour course (described above)

- Beginning 1/1/2026 require all holders of an active or inactive certification, license, or registration to complete a 4-hour continued education course on the topics above

Sec. 4 – New Section

- Provides an effective date based on adoption of administrative rules by DOL
- Requires DOL to provide written notice of the effective date to affected parties and the legislature

Effective Date: This act takes effect upon the adoption of administrative rules. DOL estimates these will be completed prior to January 1, 2025, when appraisers are required to have completed qualifying courses that include valuation bias and fair housing laws and regulations for licensure as anticipated by the Appraiser Qualifications Board (AQB).

2.B - Cash receipts Impact

To implement this legislation, a one-time assessment would need to be added to licenses that are funded with dedicated funds, equal to the costs contained in the expenditure section of this fiscal note. The cost allocation model applied to current expenditures is used to establish the revenue breakdown. For efficiency purposes, the department will add inclusion of this one-time assessment per license, to a planned fee rulemaking process in the spring of 2024, with any fee proposed increases to go into effect in June 2024.

Revenue	Fund	FY 24	FY 25	23-25 Total	25-27 Total	27-29 Total

The agency will use appropriated funds to hire contract programmers to accomplish this work or to support current staff implementing this legislation within the required timeline. Appropriated funds may also be used to hire agency temporary staff to support permanent staff assigned to this legislative effort.
