Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1(6)

New language changes the annual safety net payment to school districts from annually to quarterly if the following criteria are met:

- The award is provided for a high-cost student that receives services from an approved nonpublic agency located outside of Washington;
- The school district successfully applied for and received a safety net award for the high-cost student in a prior school year and the student's placement has not changed; and
- The school district meets all other safety net award eligibility requirements as determined by the oversight committee.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

No impact to cash receipts

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Section 1(6)

Changing the safety net payment from annually to quarterly requires additional staff time to process three additional payments. OSPI estimates 20 hours annually at a total cost of \$1000.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1(6)

New language changes the annual safety net payment to school districts from annually to quarterly if the following criteria are met:

- a. The award is provided for a high-cost student that receives services from an approved nonpublic agency located outside of Washington;
- b. The school district successfully applied for and received a safety net award for the high-cost student in a prior school year and the student's placement has not changed; and
- c. The school district meets all other safety net award eligibility requirements as determined by the oversight committee.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

No impact to cash receipts

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Section 1(6)

Changing the safety net payment from annually to quarterly requires additional staff time to process three additional payments. It will take an estimated 2.5 hours of staff time annually to accomplish this new work. The position responsible for this work could vary. Using the average cost of two duty roots, the estimated cost is \$200 annually per district. Approximately \$64,000 annually, for 318 school districts, charter schools and tribal compact schools.
