1 AN ACT Relating to injured workers' rights during compelled
2 medical examinations; and amending RCW 51.36.070.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 51.36.070 and 2020 c 213 s 3 are each amended to
5 read as follows:

6 (1)(a) Whenever the department or the self-insurer deems it
7 necessary in order to (i) make a decision regarding claim allowance
8 or reopening, (ii) resolve a new medical issue, an appeal, or case
9 progress, or (iii) evaluate the worker's permanent disability or work
10 restriction, a worker shall submit to examination by a physician or
11 physicians selected by the department, with the rendition of a report
12 to the person ordering the examination, the attending physician, and
13 the injured worker.

14 (b) The examination must be at a place reasonably convenient to
15 the injured worker, or alternatively utilize telemedicine if the
16 department determines telemedicine is appropriate for the
17 examination. For purposes of this subsection, "reasonably convenient"
18 means at a place where residents in the injured worker's community
19 would normally travel to seek medical care for the same specialty as
20 the examiner. The department must address in rule how to accommodate

1 the injured worker if no approved medical examiner in the specialty
2 needed is available in that community.

3 (2) The department or self-insurer shall provide the physician
4 performing an examination with all relevant medical records from the
5 worker's claim file. The director, in his or her discretion, may
6 charge the cost of such examination or examinations to the self-
7 insurer or to the medical aid fund as the case may be. The cost of
8 said examination shall include payment to the worker of reasonable
9 expenses connected therewith.

10 (3) For purposes of this section, "examination" means a physical
11 or mental examination by a medical care provider licensed to practice
12 medicine, osteopathy, podiatry, chiropractic, dentistry, or
13 psychiatry at the request of the department or self-insured employer
14 (~~or by order of the board of industrial insurance appeals~~).

15 (4)(a) The worker has the right to record the audio, video, or
16 both, of all examinations ordered under this section, RCW 51.32.110,
17 or by the board of industrial insurance appeals.

18 (b) The worker or the worker's representative must provide notice
19 to the entity scheduling the examination that the examination will be
20 recorded no less than seven calendar days before the date of the
21 examination. The department must adopt rules to define the
22 notification process.

23 (c) The worker is responsible for paying the costs of recording.

24 (d) Upon request, the worker must provide one copy of the
25 recording to the department or self-insured employer within 14 days
26 of receiving the request, but in no case prior to the issuance of a
27 written report of the examination.

28 (e) The worker must take reasonable steps to ensure the recording
29 equipment does not interfere with the examination. The worker may not
30 hold the recording equipment while the examination is occurring.

31 (f) The worker may not materially alter the recording. Benefits
32 received as a result of any material alteration of the recording by
33 the worker or done on the worker's behalf may be subject to repayment
34 pursuant to RCW 51.32.240.

35 (g) The worker may not post the recording to social media.

36 (h) Recordings made under this subsection are deemed confidential
37 pursuant to RCW 51.28.070.

38 (i) The worker has the right to have one person, who is at least
39 the age of majority and who is of the worker's choosing, to be
40 present to observe all examinations ordered under this section, RCW

1 51.32.110, or by the board of industrial insurance appeals. The
2 observer must be unobtrusive and not interfere with the examination.
3 The observer may not be the worker's legal representative, an
4 employee of the legal representative, the worker's attending
5 provider, or an employee of the worker's attending provider.

6 (5) This section applies prospectively to all claims regardless
7 of the date of injury.
