
HOUSE BILL 1206

State of Washington

68th Legislature

2023 Regular Session

By Representatives Pollet and Walen; by request of Attorney General

1 AN ACT Relating to tax relief for newspaper publishers; amending
2 RCW 82.04.260, 35.102.150, 82.04.460, and 82.08.806; adding a new
3 section to chapter 82.04 RCW; creating new sections; providing an
4 effective date; and providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that Washington
7 state's local newspapers and online digital news publishers are
8 important providers of journalism in their communities. Across the
9 state and the country, local newspapers are vanishing at an alarming
10 rate.

11 Since the advent of the internet, Washington state newspapers,
12 large and small, have experienced severe financial losses that caused
13 layoffs and reduced journalistic capacity. Between 2005 and 2020,
14 Washington state newspapers lost 67 percent of their newsroom
15 employees. Many print media organizations operate at a deficit due to
16 disruption of traditional revenue streams and even the surviving
17 legacy news organizations are cutting staff and circulation.
18 Washington state has lost more than two dozen weeklies and three
19 dailies since 2004. The decline of these journalistic institutions
20 represents a threat to democracy, government accountability, and
21 civic engagement.

1 A Portland State University study found that the loss of local
2 journalism is correlated to a decline in civic engagement, both
3 nationally and in Washington state, which includes contacting a
4 public office to express an opinion, participating in school groups,
5 community associations, or civic organizations, and serving on a
6 committee of any group or organization.

7 The legislature finds that local journalism can help keep watch
8 over health trends in the community by identifying and preventing
9 disease. The legislature finds that rural and underserved communities
10 are the hardest hit in the area of public health when newspapers
11 decline.

12 The legislature finds that local journalism helps combat
13 government corruption and holds powerful institutions accountable.
14 Studies have revealed a correlation between the loss of local
15 journalism and higher taxes.

16 The legislature finds that community-focused online digital
17 publishers provide a vital service to geographically remote and
18 ethnically diverse communities by producing timely, community-focused
19 information in an accessible format. Furthermore, local print and
20 digital news sources are often the most accurate and accessible
21 sources of news and community discourse.

22 Without legislative action, the current business and occupation
23 tax preference for newspaper publishers will expire on July 1, 2024.
24 By increasing this tax benefit and expanding eligibility to online
25 publishers, the legislature intends to protect local newspapers and
26 the multitude of benefits their services provide to enrich civic
27 life, ensure accountability, and protect our state's democratic
28 systems.

29 NEW SECTION. **Sec. 2.** A new section is added to chapter 82.04
30 RCW to read as follows:

31 (1) In computing the taxes imposed under this chapter, a person
32 may deduct from the measure of tax amounts received for engaging in
33 any of the following activities:

34 (a) Printing a newspaper, publishing a newspaper, or both; and
35 (b) Publishing eligible digital content, but only if the person's
36 primary business activity is creating and publishing eligible digital
37 content.

38 (2) In cases where a publisher charges a single, nonvariable
39 amount to advertise in, subscribe to, or access content in both a

1 publication identified in subsection (1) of this section and another
2 type of publication, the entire amount of such charge is deductible
3 under this section.

4 (3) A person claiming a deduction under this section must include
5 the deductible amount in its gross income reported on its excise tax
6 return.

7 (4)(a) For purposes of this section, "eligible digital content"
8 means a publication that:

9 (i) Is published at regularly stated intervals at least once

23 and occupation tax must allocate a person's gross income from the
24 activities of printing, and of publishing newspapers, periodicals, or
25 magazines, to the principal place in this state from which the
26 taxpayer's business is directed or managed. As used in this section,
27 the activities of printing, and of publishing newspapers,
28 periodicals, or magazines are those activities to which the deduction
29 in section 2 of this act and the tax rate((s)) in RCW ((82.04.260(13)-
30 and)) 82.04.280(1)(a) apply.

32 read as follows:

33 (1) Except as otherwise provided in this section, any person
34 earning apportionable income taxable under this chapter and also
35 taxable in another state must, for the purpose of computing tax
36 liability under this chapter, apportion to this state, in accordance
37 with RCW 82.04.462, that portion of the person's apportionable income
38 derived from business activities performed within this state.

1 (2) The department must by rule provide a method of apportioning
2 the apportionable income of financial institutions, where such
3 apportionable income is taxable under RCW 82.04.290. The rule adopted
4 by the department must, to the extent feasible, be consistent with
5 the multistate tax commission's recommended formula for the
6 apportionment and allocation of net income of financial institutions
7 as existing on June 1, 2010, or such subsequent date as may be
8 provided by the department by rule, consistent with the purposes of
9 this section, except that:

10 (a) The department's rule must provide for a single factor
11 apportionment method based on the receipts factor; and

12 (b) The definition of "financial institution" contained in
13 appendix A to the multistate tax commission's recommended formula for
14 the apportionment and allocation of net income of financial
15 institutions is advisory only.

16 (3) The department may by rule provide a method or methods of
17 apportioning or allocating gross income derived from sales of
18 telecommunications service and competitive telephone service taxed
19 under this chapter, if the gross proceeds of sales subject to tax
20 under this chapter do not fairly represent the extent of the
21 taxpayer's income attributable to this state. The rule must provide
22 for an equitable and constitutionally permissible division of the tax
23 base.

24 (4) For purposes of this section, the following definitions apply
25 unless the context clearly requires otherwise:

11 income received from engaging in apportionable activities, but any
12 other state has jurisdiction to subject the taxpayer to a business
13 activities tax on such income under the substantial nexus standards
14 in RCW 82.04.067(1).

15 (ii) For purposes of this subsection (4)(b), "business activities
16 tax" and "state" have the same meaning as in RCW 82.04.462.

22 is used primarily in the printing or publishing of any printed
23 material, or to sales of or charges made for labor and services
24 rendered in respect to installing, repairing, cleaning, altering, or
25 improving the computer equipment. This exemption applies only to
26 computer equipment not otherwise exempt under RCW 82.08.02565.

27 (2) A person taking the exemption under this section must keep
28 records necessary for the department to verify eligibility under this
29 section. This exemption is available only when the purchaser provides
30 the seller with an exemption certificate in a form and manner
31 prescribed by the department. The seller must retain a copy of the
32 certificate for the seller's files.

33 (3) The definitions in this subsection (3) apply throughout this

14 simultaneously for administrative and nonadministrative purposes, the
15 administrative use must be disregarded during the period of
16 simultaneous use for purposes of determining whether the computer
17 equipment is used primarily for administrative purposes.

18 NEW SECTION. **Sec. 7.** (1) This section is the tax preference
19 performance statement for the tax preference contained in section 2,
20 chapter . . ., Laws of 2023 (section 2 of this act). This performance
21 statement is only intended to be used for subsequent evaluation of
22 the tax preference. It is not intended to create a private right of
23 action by any party or to be used to determine eligibility for
24 preferential tax treatment.

25 (2) The legislature categorizes this tax preference as one
26 intended to provide tax relief for certain businesses or individuals
27 and to create or retain jobs, as indicated in RCW 82.32.808(2) (c)
28 and (e).

29 (3) It is the legislature's specific public policy objective to
30 protect and support local journalism.

31 (4) If a review finds that the tax preference accomplishes its
32 goal of supporting local journalism across the state, measured by
33 retaining 75 percent of the journalism jobs, local newspapers, and
34 community-focused online news outlets based in Washington as of
35 December 31, 2022, or if a review finds that the tax preference
36 enables locally based journalism outlets to continue to exist when
37 compared to states that did not provide similar tax incentives, then
38 the legislature intends to extend the expiration date of this tax
39 preference.

1 (5) In order to obtain the data necessary to perform the review
2 in subsection (4) of this section, the joint legislative audit and
3 review committee may refer to any data collected by the state.

4 NEW SECTION. **Sec. 8.** This act takes effect January 1, 2024.
