29 (1) In order to cover the costs of the operation of the
30 department's division of banks and to establish and maintain a
31 reasonable reserve for the division of banks, the department may charge
32 and collect the costs of examination, filing and other service fees,
33 and semiannual charges for recoupment of nondirect expenses related to
34 the examination of financial institutions regulated by the department,

27 same license fees as are required of general corporations.

28 (5) The director shall establish, set, and adjust by rule the
29 amount of all fees and charges authorized by subsections (2) and (3) of
30 this section.

31 **Sec. 3.** RCW 30.04.111 and 2010 c 88 s 10 are each amended to read

12 ~~(d) Loans or extensions of credit fully secured by a segregated~~
13 ~~deposit account or accounts in the lending bank;~~

18 ~~warehouse receipts, or similar documents transferring or securing title~~

21 ~~limitations, if the market value of the staples securing each~~

29 ~~(h) The unpaid purchase price of a sale of bank property, if~~
30 ~~secured by such property)) A loan or extension of credit made by a bank~~
31 ~~or trust company does not violate this section if the loan or extension~~
32 ~~of credit would qualify for an exception to the lending limit for a~~
33 ~~national bank under rules adopted by the United States office of the~~
34 ~~comptroller of the currency, or successor federal agency with authority~~
35 ~~over national banks and federal savings associations.~~

10 agency, instrumentality, or political subdivision thereof, or any
11 similar entity or organization)) the terms "borrower," "capital and
12 surplus," "derivative transaction," "loans and extensions of credit,"
13 and "person" shall have the same meaning as those terms are defined in
14 section 32.2 of Title 12 of the United States code of federal
15 regulations, 12 C.F.R. Sec. 32.2, except that "loans and extensions of
16 credit" also includes repurchase agreements, reverse repurchase
17 agreements, securities lending transactions, or securities borrowing
18 transactions between a bank and a borrower if the federal deposit
19 insurance corporation requires such treatment for a state insured bank
20 or the board of governors of the federal reserve system requires such
21 treatment for member state banks.~~

~~22 ((+5)) (3) The director may prescribe rules to administer and
23 carry out the purposes of this section, including without limitation
24 rules (a) to define or further define terms used in this section
25 ((and)), (b) to establish limits or requirements other than those
26 specified in this section for particular classes or categories of loans
27 ((or)) and extensions of credit, ((and)) (c) to determine when a loan
28 putatively made to a person shall, for purposes of this section, be
29 attributed to another person, (d) to set standards for computation of
30 time in relation to determining limits on loans and extensions of
31 credit, and (e) to implement and incorporate other changes in limits on
32 loans and extensions of credit necessary to conform to federal statute
33 and rule required or otherwise authorized by this section. In adopting
34 the rules, the director shall be guided by rulings of the United States
35 comptroller of the currency, or successor federal banking regulator,
36 that govern ((lending)) limits on loans and extensions of credit
37 applicable to national banks and federal savings associations. In lieu
38 of the adoption by the department of a rule applicable to specific~~

1 types of transactions, a bank, unless otherwise approved by the
2 director, shall conform to all applicable rulings of the comptroller of
3 the currency, or successor federal banking regulator, which ~~((+a))~~ (i)
4 relate to national banks and federal savings associations, ~~((+b))~~ (ii)
5 govern such specific types of transactions or circumstances, and
6 ~~((+c))~~ (iii) are consistent with this section and the department's
7 adopted rules.

8 (4)(a) A loan or extension of credit that was within the limit on
9 loans and extensions of credit when made is not a violation but will be
10 treated as nonconforming if the loan or extension of credit is no
11 longer in conformity with the bank's or trust company's limit on loans
12 and extensions of credit because:

13 (i) The bank's or trust company's capital has declined, borrowers
14 have subsequently merged or formed a common enterprise, lenders have
15 merged, or the limit on loans and extensions of credit or capital rules
16 have changed; or

17 (ii) Collateral securing the loan or extension of credit, in order
18 to satisfy the requirements of an exception to the limit, has declined
19 in value.

20 (b) A bank or trust company shall make reasonable efforts to bring
21 a loan or extension of credit that is nonconforming under (a)(i) of
22 this subsection into conformity with the bank's or trust company's
23 limit on loans and extensions of credit unless to do so would be
24 inconsistent with safe and sound banking practices.

25 (c) A bank or trust company must bring a loan or extension of
26 credit that is nonconforming under (a)(ii) of this subsection into
27 conformity with the bank's limit on loans and extensions of credit
28 within thirty calendar days, except when judicial proceedings,
29 regulatory actions, or other extraordinary circumstances beyond the
30 bank's or trust company's control prevent the bank or trust company
31 from taking action.

32 (d) Notwithstanding any provision of this subsection (4), the
33 director may by rule or interpretation prescribe standards for
34 treatment of nonconforming extensions of credit that are derivatives
35 transactions, repurchase agreements, reverse repurchase agreements,
36 securities lending transactions, or securities borrowing transactions,
37 and may, if required for state insured banks or member state banks,

1 rely upon rules or interpretations of the federal deposit insurance
2 corporation or the board of governors of the federal reserve system, as
3 applicable.

4 (5) Notwithstanding any provision of this section to the contrary,
5 in the event that a bank's capital declines sufficiently to seriously
6 impair the bank's ability to effectively operate in its marketplace or
7 serve the needs of its customers or the community in which it is
8 located, the director may, upon written application and in the exercise
9 of the director's discretion, grant the bank temporary permission to
10 fund loans and extensions of credit in excess of the bank's limit on
11 loans and extensions of credit under this section. In the exercise of
12 discretion, the director may further specify conditions for granting
13 such emergency exception and may limit emergency lending authority
14 under this section to particular types or classes of loans and
15 extensions of credit.

16 (6) Notwithstanding any provision of this section to the contrary,
17 the director, in the exercise of discretion, may grant an exception to
18 the limit on loans and extensions of credit otherwise required by this
19 section, based on extenuating facts and circumstances. In deciding
20 whether to grant an exception under this subsection, the director shall
21 consider:

- 22 (a) The proposed transaction for which the exception is sought;
- 23 (b) How the requested exception would affect the capital adequacy
24 and safety and soundness of the requesting bank if the exception is not
25 granted or, if the exception is granted, if the proposed borrower
26 should ultimately default;
- 27 (c) How the requested exception would affect the loan portfolio
28 diversification of the requesting bank;
- 29 (d) The competency of management to handle the proposed transaction
30 and any resulting safety and soundness issues;
- 31 (e) The marketability and value of the proposed collateral; and
- 32 (f) The extenuating facts and circumstances that warrant an
33 exception in light of the purpose of limit on loans and extensions of
34 credit set forth in this section.

35 **Sec. 4.** RCW 30.04.215 and 2010 c 88 s 12 are each amended to read
36 as follows:

37 (1) Notwithstanding any other provisions of law, in addition to all

1 powers enumerated by this title, and those necessarily implied
2 therefrom, a bank or trust company may engage in other business
3 activities that have been determined by the board of governors of the
4 federal reserve system or by the United States Congress to be closely
5 related to the business of banking, as of ((July 27, 2003)) the
6 effective date of this section.

7 (2) A bank or trust company that desires to perform an activity
8 that is not expressly authorized by subsection (1) of this section
9 shall first apply to the director for authorization to conduct such
10 activity. Within thirty days of the receipt of this application, the
11 director shall determine whether the activity is closely related to the
12 business of banking, whether the public convenience and advantage will
13 be promoted, whether the activity is apt to create an unsafe and
14 unsound practice by the bank or trust company and whether the applicant
15 is capable of performing such an activity. If the director finds the
16 activity to be closely related to the business of banking and the bank
17 or trust company is otherwise qualified, he or she shall immediately
18 inform the applicant that the activity is authorized. If the director
19 determines that such activity is not closely related to the business of
20 banking or that the bank or trust company is not otherwise qualified,
21 he or she shall promptly inform the applicant in writing. The
22 applicant shall have the right to appeal from an unfavorable
23 determination in accordance with the procedures of the Administrative
24 Procedure Act, chapter 34.05 RCW. In determining whether a particular
25 activity is closely related to the business of banking, the director
26 shall be guided by the rulings of the board of governors of the federal
27 reserve system and the comptroller of the currency in making
28 determinations in connection with the powers exercisable by bank
29 holding companies, and the activities performed by other commercial
30 banks or their holding companies.

31 (3) Notwithstanding any restrictions, limitations, and requirements
32 of law, in addition to all powers, express or implied, that a bank ((~~or~~
33 ~~trust company~~)) has under the laws of this state, a bank ((~~or~~ ~~trust~~
34 ~~company~~)) shall have ((~~each and every power and authority~~)) the powers
35 and authorities conferred as of July 28, 1985, or as of any subsequent
36 date not later than ((July 27, 2003)) the effective date of this
37 section, upon any federally chartered bank doing business in this
38 state. A bank ((~~or~~ ~~trust company~~)) may exercise the powers and

1 authorities conferred on a federally chartered bank after (~~July 27,~~
2 ~~2003~~) the effective date of this section, only if the director finds
3 that the exercise of such powers and authorities:

4 (a) Serves the convenience and advantage of depositors, borrowers,
5 or the general public; and

6 (b) Maintains the fairness of competition and parity between state-
7 chartered banks (~~or trust companies~~) and federally chartered banks.

8 (4) Notwithstanding any other provisions of law, a bank has the
9 powers and authorities that an out-of-state state bank operating a
10 branch in Washington has if the director finds that the exercise of
11 such powers and authorities serves the convenience and advantage of
12 depositors and borrowers, or the general public, and maintains the
13 fairness of competition and parity between state-chartered banks and
14 out-of-state state banks.

15 (5) As used in this section, "powers and authorities" include
16 without limitation powers and authorities in corporate governance and
17 operational matters.

18 (~~(+5)~~) (6) The restrictions, limitations, and requirements
19 applicable to specific powers (~~or~~) and authorities of federally
20 chartered banks and out-of-state state banks, as applicable, shall
21 apply to banks (~~or trust companies~~) exercising those powers (~~or~~)
22 and authorities permitted under this (~~(subsection)~~) section but only
23 insofar as the restrictions, limitations, and requirements relate to
24 exercising the powers (~~or~~) and authorities granted banks (~~or trust~~
25 ~~companies~~) solely under this (~~(subsection)~~) section.

26 (~~(+6)~~) (7) The director may require a bank (~~or trust company~~) to
27 provide notice to the director prior to implementation of a plan to
28 develop, improve, or continue holding real estate, including
29 capitalized and operating leases, acquired through any means in full or
30 partial satisfaction of a debt previously contracted, under
31 circumstances which a national bank would be required to provide notice
32 to the comptroller of the currency prior to implementation of such a
33 plan. The director may adopt rules or issue orders, directives,
34 standards, policies, memoranda, or other official communications to
35 specify guidance with regard to the exercise of the powers and
36 authorities to expend such funds as are needed to enable a bank or
37 trust company to recover its total investment to the fullest extent

1 authorized for a national bank under the national bank act, 12 U.S.C.
2 Sec. 29.

3 ~~((+7))~~ (8) Any activity which may be performed by a bank or trust
4 company, except the taking of deposits, may be performed by (a) a
5 corporation or (b) another entity approved by the director, which in
6 either case is owned in whole or in part by the bank or trust company.

7 **Sec. 5.** RCW 30.04.217 and 2010 c 88 s 13 are each amended to read
8 as follows:

9 (1) Notwithstanding any other provisions of law, in addition to all
10 powers, express or implied, that a bank ~~((or trust company))~~ has under
11 the laws of this state, a bank ~~((or trust company))~~ shall have the
12 powers and authorities conferred upon a savings bank under Title 32
13 RCW~~((, only if:~~

14 ~~(a) The bank or trust company notifies the director at least thirty~~
15 ~~days prior to the exercise of such power or authority by the bank or~~
16 ~~trust company, unless the director waives or modifies this requirement~~
17 ~~for notice as to the exercise of a power, authority, or category of~~
18 ~~powers or authorities by the bank or trust company;~~

19 ~~(b) The director finds that the exercise of such powers and~~
20 ~~authorities by the bank or by the trust company serves the convenience~~
21 ~~and advantage of depositors, borrowers, or the general public; and~~

22 ~~(c) The director finds that the exercise of such powers and~~
23 ~~authorities by the bank or by the trust company maintains the fairness~~
24 ~~of competition and parity between banks or trust companies and mutual~~
25 ~~savings banks)).~~

26 (2) As used in this section, "powers and authorities" include
27 without limitation powers and authorities in corporate governance and
28 operational matters.

29 (3) The restrictions, limitations, and requirements applicable to
30 specific powers ~~((or))~~ and authorities of ~~((mutual))~~ savings banks
31 shall apply to banks ~~((or trust companies))~~ exercising those powers
32 ~~((or))~~ and authorities permitted under this section but only insofar as
33 the restrictions, limitations, and requirements relate to exercising
34 the powers ~~((or))~~ and authorities granted banks ~~((or trust companies))~~
35 solely under this section.

1 **Sec. 6.** RCW 30.04.240 and 2003 c 53 s 184 are each amended to read
2 as follows:

3 (1) (~~Every corporation doing~~) A person authorized under this
4 title to engage in a trust business shall maintain in its office a
5 trust department in which it shall keep books and accounts of its trust
6 business, separate and apart from its other business. Such books and
7 accounts shall specify the cash, securities and other properties, real
8 and personal, held in each trust, and such securities and properties
9 shall be at all times segregated from all other securities and
10 properties except as otherwise provided in this section.

11 (2) Any person connected with a bank or trust company who shall,
12 contrary to this section or any other provision of law, commingle any
13 funds or securities of any kind held by such corporation in trust, for
14 safekeeping or as agent for another, with the funds or assets of the

22 in Article 8 of the Uniform Commercial Code, chapter 62A.8 RCW); (b)
23 within another state bank, national bank, or trust company having trust
24 power whether located inside or outside of this state; or (c) within
25 itself. When such securities are so deposited, certificates
26 representing securities of the same class of the same issuer may be
27 merged and held in bulk in the name of the nominee of such clearing
28 corporation or state bank, national bank, or trust company holding the
29 securities as the depository, with any other such securities deposited
30 in such clearing corporation or depository by any person, regardless of
31 the ownership of such securities, and certificates of small
32 denomination may be merged into one or more certificates of larger
33 denomination. The records of such fiduciary and the records of such
34 state bank, national bank, or trust company as a fiduciary or as
35 custodian for a fiduciary shall at all times show the name of the party
36 for whose account the securities are so deposited. Ownership of, and
37 other interests in, such securities may be transferred by bookkeeping
38 entries on the books of such clearing corporation, state bank, national

1 bank, or trust company without physical delivery or alteration of
2 certificates representing such securities. A state bank, national
3 bank, or trust company so depositing securities pursuant to this
4 section shall be subject to such rules and regulations as, in the case
5 of state chartered banks and trust companies, the director and, in the
6 case of national banking associations, the comptroller of the currency
7 may from time to time issue. A state bank, national bank, or trust
8 company acting as custodian for a fiduciary shall, on demand by the
9 fiduciary, certify in writing to the fiduciary the securities so
10 deposited by such state bank, national bank, or trust company in such
11 clearing corporation or state bank, national bank, or trust company

17 representative or conservator; specifying wherein the action complained
18 of is believed not to be in the best interest of the bank or trust
19 company, and such request shall stay the action specified pending
20 review of such action by the director. Any order entered by the
21 director appointing a representative and providing that the bank or
22 trust company shall not do certain acts as provided in RCW 30.46.030
23 and 30.46.040, any order entered by the director appointing a
24 conservator, and any order by the director following the review of an
25 action of the representative or conservator as herein above provided
26 shall be subject to review in accordance with the administrative
27 procedure act of the state of Washington.

28 **Sec. 19.** RCW 30.46.070 and 1994 c 92 s 139 are each amended to
29 read as follows:

30 Any suit filed against a bank or its conservator or a trust company
31 or its conservator, after the entrance of an order by the director
32 placing such bank or trust company in conservatorship and while such
33 order is in effect, shall be brought in the superior court of Thurston
34 county and not elsewhere. The conservator appointed hereunder for such
35 bank or trust company may file suit in any superior court or other

1 court of competent jurisdiction against any person for the purpose of
2 preserving, protecting, or recovering any asset or property of such
3 bank or trust company including claims or causes of action belonging to
4 or which may be asserted by such bank.

5 **Sec. 20.** RCW 30.46.080 and 1975 1st ex.s. c 87 s 8 are each
6 amended to read as follows:

7 The conservator shall serve for such time as is necessary to
8 accomplish the purposes of the conservatorship as intended by this
9 chapter. If rehabilitated, the rehabilitated bank or trust company
10 shall be returned to management or new managements under such
11 conditions as are reasonable and necessary to prevent recurrence of the
12 condition which occasioned the conservatorship.

13 **Sec. 21.** RCW 30.46.090 and 1994 c 92 s 140 are each amended to
14 read as follows:

15 If the director determines to act under authority of this chapter,
16 the sequence of his or her acts and proceedings shall be as set forth
17 in this chapter. However, it is the purpose and substance of this
18 chapter to authorize administrative discretion—to allow the director
19 administrative discretion in the event of unsound banking or trust
20 company operations—and in furtherance of that purpose the director is
21 hereby authorized to proceed with regulation either under this chapter
22 or under any other applicable provisions of law or under this chapter
23 in connection with other law, either as such law is now existing or is
24 hereinafter enacted, and it is so provided.

25 **Sec. 22.** RCW 32.04.030 and 2005 c 348 s 4 are each amended to read
26 as follows:

27 (1) A savings bank may not, without the written approval of the
28 director, establish and operate branches in any place.

29 (2) A savings bank headquartered in this state desiring to
30 establish a branch shall file a written application with the director,
31 who shall approve or disapprove the application.

32 (3) The director's approval shall be conditioned on a finding that
33 the savings bank has a satisfactory record of compliance with
34 applicable laws and has a satisfactory financial condition. In making
35 such findings, the director may rely on an application in the form

1 filed with the federal deposit insurance corporation pursuant to 12
2 U.S.C. Sec. 1828(d). If the application for a branch is not approved,
3 the savings bank shall have the right to appeal in the same manner and
4 within the same time as provided by RCW 32.08.050 and 32.08.060. The
5 savings bank when delivering the application to the director shall
6 transmit to the director a check in an amount established by rule to
7 cover the expense of the investigation. A savings bank headquartered
8 in this state shall not move its headquarters or any branch more than
9 two miles from its existing location without prior approval of the
10 director. On or before the date on which it opens any office at which
11 it will transact business in any state, territory, province, or other
12 jurisdiction, a savings bank shall give written notice to the director
13 of the location of this office. No such notice shall become effective
14 until it has been delivered to the director.

15 (4) The board of trustees of a savings bank, after notice to the
16 director, may discontinue the operation of a branch. The savings bank
17 shall keep the director informed in the matter and shall notify the
18 director of the date operation of the branch is discontinued.

19 (5) A savings bank that is headquartered in this state and is
20 operating branches in another state, territory, province, or other
21 jurisdiction may provide copies of state examination reports and
22 reports of condition of the savings bank to the regulator having
23 oversight responsibility with regard to its operations in that other
24 jurisdiction, including the regulator of savings associations in the
25 event such a savings bank is transacting savings and loan business
26 pursuant to RCW 32.08.142 in that other jurisdiction.

27 (6) No savings bank headquartered in another state may establish,
28 or acquire pursuant to RCW 32.32.500, and operate branches as a savings
29 bank or foreign savings association in any place within ((the)) this
30 state unless:

31 (a) The savings bank has filed with the director an agreement to
32 comply with the requirements of RCW 30.38.040 for periodic reports by
33 the savings bank or by the appropriate state superintendent or
34 equivalent regulator of the savings bank under the laws of the state in
35 which the savings bank is incorporated, unless the laws expressly
36 require the provision of all the reports to the director;

37 (b) The savings bank has filed with the director (i) a duly
38 executed instrument in writing, by its terms of indefinite duration and

1 irrevocable, appointing the director and his or her successors its true
2 and lawful attorney, upon whom all process in any action or proceeding
3 against it in a cause of action arising out of business transacted by
4 such savings bank in this state, may be served with the same force and
5 effect as if it were a domestic corporation and had been lawfully
6 served with process within the state, and (ii) a written certificate of
7 designation, which may be changed from time to time by the filing of a
8 new certificate of designation, specifying the name and address of the
9 officer, agent, or other person to whom such process shall be forwarded
10 by the director;

11 (c) The savings bank has supplied the director with such
12 information as he or she shall require by rule, not to exceed the
13 information on which the director may rely in approving a branch
14 application pursuant to this section by a savings bank headquartered in
15 this state; and

16 (d) The ~~((laws of the state in which the))~~ out-of-state savings

18 borrowers, or the general public; and

19 (b) Maintains the fairness of competition and parity between state-
20 chartered savings banks and federal savings banks or their successors
21 under federal law.

22 (3) Notwithstanding any other provision of law, a savings bank has
23 the powers and authorities that an out-of-state state savings bank or
24 savings association operating a branch in Washington has if the

4 **Sec. 27.** RCW 32.08.153 and 2010 c 88 s 49 are each amended to read
5 as follows:

6 (1) Notwithstanding any restrictions, limitations, and requirements
7 of law, in addition to all powers, express or implied, that a

12 effective date of this section.

13 (2) Notwithstanding any restrictions, limitations, and requirements
14 of law, in addition to all powers, express or implied, that a savings
15 bank has under the laws of this state, a savings bank has the powers
16 and authorities conferred upon a national bank after the effective date
17 of this section, only if the director finds that the exercise of such
18 powers and authorities:

19 (a) Serves the convenience and advantage of depositors and
20 borrowers, or the general public; and

21 (b) Maintains the fairness of competition and parity between
22 savings banks and national banks.

23 (3) For the purposes of this section, "powers and authorities"

29 permitted under this section but only insofar as the restrictions,
30 limitations, and requirements relate to exercising the powers or

32 The director may require such a savings bank to provide notice prior to
33 implementation of a plan to develop, improve, or continue holding an
34 individual parcel of real estate, including capitalized and operating
35 leases, acquired through any means in full or partial satisfaction of
36 a debt previously contracted, under circumstances in which a national
37 bank would be required to provide notice to the comptroller of the

1 currency prior to implementation of such a plan. The director may
2 adopt rules, orders, directives, standards, policies, memoranda(~~(+,+)~~),
3 or other communications to specify guidance with regard to the exercise
4 of the powers and authorities to expend such funds as are needed to

19 direct. During the pendency of the conservatorship the conservator
20 shall make such reports to the director from time to time as may be
21 required by the director, and shall be empowered to take all necessary
22 measures to preserve, protect, and recover any assets or property of
23 such savings bank, including claims or causes of actions belonging to
24 or which may be asserted by such bank, and to deal with the same in his
25 or her own name as conservator, and shall be empowered to file,
26 prosecute, and defend any suit and suits which have been filed or which
27 may thereafter be filed by or against such savings bank which are
28 deemed by the conservator to be necessary to protect all of the
29 interested parties for a property affected thereby. The director, or
30 any newly appointed assistant, may be appointed to serve as
31 conservator. If the director, however, is satisfied that such savings
32 bank is not in condition to continue business in the interest of its
33 depositors or creditors under the conservator under this section, the
34 director may proceed with appropriate remedies provided by other
35 provisions of this title.

36 (2) A person appointed as conservator by the director pursuant to

12 effective date of this section. As used in this section, "powers and
13 authorities" include without limitation powers and authorities in
14 corporate governance and operational matters.

15 (2) Notwithstanding any other provisions of law, a savings
16 association has the powers and authorities that an out-of-state state
17 savings association operating a branch in Washington has if the
18 director finds that the exercise of such powers and authorities serves
19 the convenience and advantage of depositors and borrowers, or the
20 general public, and maintains the fairness of competition and parity
21 between savings associations and out-of-state state savings
22 associations.

23 (3) The restrictions, limitations and requirements applicable to
