11 such supervision may be employed by hospitals, boards of education of
12 public or private schools, county boards, boards of health, or public
13 or charitable institutions, or in dental offices.

14 **Sec. 2.** RCW 18.29.056 and 2009 c 321 s 1 are each amended to read
15 as follows:

16 (1)(a) Subject to RCW 18.29.230 and (e) of this subsection, dental
17 hygienists licensed under this chapter with two years' practical
18 clinical experience with a licensed dentist within the preceding five
19 years may be employed, retained, or contracted by health care
20 facilities and senior centers to perform authorized dental hygiene
21 operations and services without dental supervision.

22 (b) Subject to RCW 18.29.230 and (e) of this subsection, dental

28 (c) Dental hygienists performing operations and services under (a)
29 or (b) of this subsection are limited to removal of deposits and stains
30 from the surfaces of the teeth, application of topical preventive or
31 prophylactic agents, application of topical anesthetic agents,
32 polishing and smoothing restorations, and performance of root planing
33 and soft-tissue curettage, but shall not perform injections of

13 under the program, including age, treatments rendered, insurance
14 coverage, if any, and patient referral to dentists. This data must be
