4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 36.70A.300 and 1997 c 429 s 14 are each amended to
6 read as follows:

7 (1) The board shall issue a final order that shall be based
8 exclusively on whether or not a state agency, county, or city is in
9 compliance with the requirements of this chapter, chapter 90.58 RCW as
10 it relates to adoption or amendment of shoreline master programs, or
11 chapter 43.21C RCW as it relates to adoption of plans, development
12 regulations, and amendments thereto, under RCW 36.70A.040 or chapter
13 90.58 RCW.

14 (2)(a) Except as provided in (b) of this subsection, the final
15 order shall be issued within one hundred eighty days of receipt of the
16 petition for review, or, if multiple petitions are filed, within one
17 hundred eighty days of receipt of the last petition that is
18 consolidated.

1 (b) The board may extend the period of time for issuing a decision
2 to enable the parties to settle the dispute if additional time is
3 necessary to achieve a settlement, and (i) an extension is requested by
4 all parties, or (ii) an extension is requested by the petitioner and
5 respondent and the board determines that a negotiated settlement
6 between the remaining parties could resolve significant issues in
7 dispute. The request must be filed with the board not later than seven
8 days before the date scheduled for the hearing on the merits of the
9 petition. The board may authorize one or more extensions for up to
10 ninety days each, subject to the requirements of this section.

13 with the requirements of this chapter, chapter 90.58 RCW as it relates
14 to the adoption or amendment of shoreline master programs, or chapter
15 43.21C RCW as it relates to adoption of plans, development regulations,
16 and amendments thereto, under RCW 36.70A.040 or chapter 90.58 RCW; or

17 (b) Find that the state agency, county, or city is not in
18 compliance with the requirements of this chapter, chapter 90.58 RCW as

23 affected state agency, county, or city. The board shall specify a
24 reasonable time not in excess of one hundred eighty days, or such
25 longer period as determined by the board in cases of unusual scope or
26 complexity, within which the state agency, county, or city shall comply
27 with the requirements of this chapter. The board may require periodic
28 reports to the board on the progress the jurisdiction is making towards
29 compliance.

30 (4)(a) Unless the board makes a determination of invalidity (~~as~~
31 ~~provided in~~) under RCW 36.70A.302, a finding of noncompliance and an
32 order of remand shall not affect the validity of comprehensive plans
33 and development regulations during the period of remand.

34 (b) Unless the board makes a determination of invalidity, state
35 agencies, commissions, and governing boards may not determine a county,
36 city, or town to be ineligible or otherwise penalized in the acceptance
37 of applications or the awarding of state agency grants or loans during
38 the period of remand. This subsection (4)(b) applies only to counties,

1 cities, and towns that have: (i) Delayed the initial effective date of
2 the action subject to the petition before the board until after the
3 board issues a final determination; or (ii) within thirty days of
4 receiving notice of a petition for review by the board, delayed or
5 suspended the effective date of the action subject to the petition
6 before the board until after the board issues a final determination.

7 (5) Any party aggrieved by a final decision of the hearings board
8 may appeal the decision to superior court as provided in RCW 34.05.514
9 or 36.01.050 within thirty days of the final order of the board.
10 Unless the board makes a determination of invalidity under RCW
11 36.70A.302, state agencies, commissions, or governing boards shall not
12 penalize counties, cities, or towns during the pendency of an appeal as
13 provided in RCW 43.17.250.

14 **Sec. 2.** RCW 43.17.250 and 1999 c 164 s 601 are each amended to
15 read as follows:

16 (1) Whenever a state agency is considering awarding grants or loans
17 for a county, city, or town planning under RCW 36.70A.040 to finance
18 public facilities, it shall consider whether the county, city, or town
19 requesting the grant or loan has adopted a comprehensive plan and
20 development regulations as required by RCW 36.70A.040.

21 (2) If a comprehensive plan, development regulation, or amendment
22 thereto adopted by a county, city, or town has been appealed to the
23 growth management hearings board under RCW 36.70A.280, the county,
24 city, or town may not be determined to be ineligible or otherwise
25 penalized in the acceptance of applications or the awarding of state
26 agency grants or loans during the pendency of the appeal before the
27 board or subsequent judicial appeals. This subsection (2) applies only
28 to counties, cities, and towns that have: (a) Delayed the initial
29 effective date of the action subject to the petition before the board
30 until after the board issues a final determination; or (b) within
31 thirty days of receiving notice of a petition for review by the board,

33 petition before the board until after the board issues a final
34 determination.

35 (3) When reviewing competing requests from counties, cities, or
36 towns planning under RCW 36.70A.040, a state agency considering
37 awarding grants or loans for public facilities shall accord additional

1 preference to those counties, cities, or towns that have adopted a
2 comprehensive plan and development regulations as required by RCW
3 36.70A.040. For the purposes of the preference accorded in this
4 section, a county, city, or town planning under RCW 36.70A.040 is
5 deemed to have satisfied the requirements for adopting a comprehensive

9 regulations within the time periods specified in RCW 36.70A.040;

10 (b) Adopts or has adopted a comprehensive plan and development
11 regulations before (~~submitting a request for a grant or loan~~) the

14 plan and/or development regulations within the time periods specified
15 in RCW 36.70A.040; or

16 (c) Demonstrates substantial progress toward adopting a
17 comprehensive plan or development regulations within the time periods
18 specified in RCW 36.70A.040. A county, city, or town that is more than
19 six months out of compliance with the time periods specified in RCW
20 36.70A.040 shall not be deemed to demonstrate substantial progress for
21 purposes of this section.

22 (~~(3)~~) (4) The preference specified in subsection (~~(2)~~) (3) of
23 this section applies only to competing requests for grants or loans
24 from counties, cities, or towns planning under RCW 36.70A.040. A
25 request from a county, city, or town planning under RCW 36.70A.040
26 shall be accorded no additional preference based on subsection (~~(2)~~)
27 (3) of this section over a request from a county, city, or town not
28 planning under RCW 36.70A.040.

29 (~~(4)~~) (5) Whenever a state agency is considering awarding grants
30 or loans for public facilities to a special district requesting funding
31 for a proposed facility located in a county, city, or town planning
32 under RCW 36.70A.040, it shall consider whether the county, city, or
33 town in whose planning jurisdiction the proposed facility is located
34 has adopted a comprehensive plan and development regulations as
35 required by RCW 36.70A.040 and shall apply the standards in subsection
36 (2) of this section and the preference specified in subsection (~~(2)~~)
37 (3) of this section and restricted in subsection (~~(3)~~) (4) of this
38 section.

1 **Sec. 3.** RCW 43.155.070 and 2012 c 196 s 9 are each amended to read

8 (b) The local government must have developed a capital facility
9 plan; and

10 (c) The local government must be using all local revenue sources
11 which are reasonably available for funding public works, taking into
12 consideration local employment and economic factors.

13 (2) Except where necessary to address a public health need or
14 substantial environmental degradation, a county, city, or town planning
15 under RCW 36.70A.040 (~~must have~~) may not receive financial assistance
16 under this chapter unless it has adopted a comprehensive plan,
17 including a capital facilities plan element, and development

21 or receiving (~~a loan or loan guarantee~~) financial assistance under
22 this chapter if such request is made before the expiration of the time
23 periods specified in RCW 36.70A.040. A county, city, or town planning
24 under RCW 36.70A.040 (~~which~~) that has not adopted a comprehensive
25 plan and development regulations within the time periods specified in
26 RCW 36.70A.040 is not prohibited from receiving (~~a loan or loan~~

31 with the board.

32 (3) In considering awarding (~~loans~~) financial assistance for
33 public facilities to special districts requesting funding for a
34 proposed facility located in a county, city, or town planning under RCW
35 36.70A.040, the board must consider whether the county, city, or town
36 planning under RCW 36.70A.040 in whose planning jurisdiction the
37 proposed facility is located has adopted a comprehensive plan and
38 development regulations as required by RCW 36.70A.040.

1 (4) The board must develop a priority process for public works
2 projects as provided in this section. The intent of the priority
3 process is to maximize the value of public works projects accomplished
4 with assistance under this chapter. The board must attempt to assure
5 a geographical balance in assigning priorities to projects. The board
6 must consider at least the following factors in assigning a priority to
7 a project:

8 (a) Whether the local government receiving assistance has
9 experienced severe fiscal distress resulting from natural disaster or
10 emergency public works needs;

11 (b) Except as otherwise conditioned by RCW 43.155.110, whether the
12 entity receiving assistance is a Puget Sound partner, as defined in RCW
13 90.71.010;

14 (c) Whether the project is referenced in the action agenda
15 developed by the Puget Sound partnership under RCW 90.71.310;

17 health and safety of a great number of citizens;

18 (e) Whether the applicant's permitting process has been certified
19 as streamlined by the office of regulatory assistance;

20 (f) Whether the applicant has developed and adhered to guidelines
21 regarding its permitting process for those applying for development
22 permits consistent with section 1(2), chapter 231, Laws of 2007;

23 (g) The cost of the project compared to the size of the local
24 government and amount of loan money available;

25 (h) The number of communities served by or funding the project;

26 (i) Whether the project is located in an area of high unemployment,
27 compared to the average state unemployment;

28 (j) Whether the project is the acquisition, expansion, improvement,
29 or renovation by a local government of a public water system that is in
30 violation of health and safety standards, including the cost of
31 extending existing service to such a system;

32 (k) Except as otherwise conditioned by RCW 43.155.120, and
33 effective one calendar year following the development of model
34 evergreen community management plans and ordinances under RCW
35 35.105.050, whether the entity receiving assistance has been
36 recognized, and what gradation of recognition was received, in the
37 evergreen community recognition program created in RCW 35.105.030;

1 (1) The relative benefit of the project to the community,
2 considering the present level of economic activity in the community and
3 the existing local capacity to increase local economic activity in
4 communities that have low economic growth; and

5 (m) Other criteria that the board considers advisable.

6 (5) Existing debt or financial obligations of local governments may
7 not be refinanced under this chapter. Each local government applicant

15 preceding fiscal year and a prioritized list of projects which are
16 recommended for funding by the legislature, including one copy to the
17 staff of each of the committees. The list must include, but not be
18 limited to, a description of each project and recommended financing,
19 the terms and conditions of the loan or financial guarantee, the local
20 government jurisdiction and unemployment rate, demonstration of the
21 jurisdiction's critical need for the project and documentation of local
22 funds being used to finance the public works project. The list must
23 also include measures of fiscal capacity for each jurisdiction
24 recommended for financial assistance, compared to authorized limits and
25 state averages, including local government sales taxes; real estate
26 excise taxes; property taxes; and charges for or taxes on sewerage,
27 water, garbage, and other utilities.

28 (7) The board may not sign contracts or otherwise financially
29 obligate funds from the public works assistance account before the
30 legislature has appropriated funds for a specific list of public works
31 projects. The legislature may remove projects from the list
32 recommended by the board. The legislature may not change the order of
33 the priorities recommended for funding by the board.

34 (8) Subsection (7) of this section does not apply to loans made
35 under RCW 43.155.065, 43.155.068, and subsection (9) of this section.

36 (9) Loans made for the purpose of capital facilities plans are
37 exempted from subsection (7) of this section.

1 (10) To qualify for loans or pledges for solid waste or recycling
2 facilities under this chapter, a city or county must demonstrate that
3 the solid waste or recycling facility is consistent with and necessary
4 to implement the comprehensive solid waste management plan adopted by
5 the city or county under chapter 70.95 RCW.

6 (11) After January 1, 2010, any project designed to address the
7 effects of storm water or wastewater on Puget Sound may be funded under
8 this section only if the project is not in conflict with the action

27 proposed facility located in a county, city, or town planning under RCW
28 36.70A.040, it shall consider whether the county, city, or town
29 planning under RCW 36.70A.040 in whose planning jurisdiction the
30 proposed facility is located has adopted a comprehensive plan and
31 development regulations as required by RCW 36.70A.040.
