13 (1) Whenever the department has issued a warrant under RCW
14 82.32.210 for the collection of unpaid trust fund taxes from a
15 limited liability business entity and that business entity has been
16 terminated, dissolved, or abandoned, or is insolvent, the department
17 may pursue collection of the entity's unpaid trust fund taxes,
18 including penalties and interest on those taxes, against any or all
19 of the responsible individuals. For purposes of this subsection,
20 "insolvent" means the condition that results when the sum of the

26 state and local trust fund taxes.

27 (3)(a) For a responsible individual who is the current or a

30 was or should have been aware of the unpaid trust fund tax liability
31 of the limited liability business entity.

32 (b) For any other responsible individual, liability under this
33 section applies only if he or she willfully fails to pay or to cause

37 responsible individual who is the current or a former chief executive
38 or chief financial officer is liable under this section only for

1 trust fund tax liability accrued during the period that he or she was
2 the chief executive or chief financial officer. However, if the
3 responsible individual had the responsibility or duty to remit
4 payment of the limited liability business entity's trust fund taxes
5 to the department during any period of time that the person was not
6 the chief executive or chief financial officer, that individual is
7 also liable for trust fund tax liability that became due during the
8 period that he or she had the duty to remit payment of the limited
9 liability business entity's taxes to the department but was not the
10 chief executive or chief financial officer.
