19 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

20 Sec. 1. RCW 71.05.010 and 2016 sp.s. c 29 s 203 are each amended 21 to read as follows: 1 (1) The provisions of this chapter <u>apply to persons who are</u> 2 <u>eighteen years of age or older and</u> are intended by the legislature:

3 (a) To protect the health and safety of persons suffering from 4 ((mental disorders and substance use)) <u>behavioral health</u> disorders 5 and to protect public safety through use of the parens patriae and 6 police powers of the state;

7 (b) To prevent inappropriate, indefinite commitment of ((mentally
8 disordered persons and persons with substance use disorders)) persons
9 living with behavioral health disorders and to eliminate legal
10 disabilities that arise from such commitment;

11 (c) To provide prompt evaluation and timely and appropriate 12 treatment of persons with serious ((mental disorders and substance 13 use)) <u>behavioral health</u> disorders;

14

(d) To safeguard individual rights;

(e) To provide continuity of care for persons with serious
 ((mental disorders and substance use)) <u>behavioral health</u> disorders;

17 (f) To encourage the full use of all existing agencies, 18 professional personnel, and public funds to prevent duplication of 19 services and unnecessary expenditures; and

20 (g) To encourage, whenever appropriate, that services be provided 21 within the community.

22 (2) When construing the requirements of this chapter the court 23 must focus on the merits of the petition, except where requirements have been totally disregarded, as provided in In re C.W., 147 Wn.2d 24 25 259, 281 (2002). A presumption in favor of deciding petitions on 26 their merits furthers both public and private interests because the mental and physical well-being of individuals as well as public 27 28 safety may be implicated by the decision to release an individual and 29 discontinue his or her treatment.

30 Sec. 2. RCW 71.05.012 and 1997 c 112 s 1 are each amended to 31 read as follows:

It is the intent of the legislature to enhance continuity of care for persons with serious ((mental)) <u>behavioral health</u> disorders that can be controlled or stabilized in a less restrictive alternative commitment. Within the guidelines stated in *In <u>r</u>e LaBelle* 107 Wn. 2d 196 (1986), the legislature intends to encourage appropriate interventions at a point when there is the best opportunity to restore the person to or maintain satisfactory functioning.

For persons with a prior history or pattern of repeated hospitalizations or law enforcement interventions due to decompensation, the consideration of prior ((mental)) history is particularly relevant in determining whether the person would receive, if released, such care as is essential for his or her health or safety.

7 Therefore, the legislature finds that for persons who are 8 currently under a commitment order, a prior history of decompensation 9 leading to repeated hospitalizations or law enforcement interventions 10 should be given great weight in determining whether a new less 11 restrictive alternative commitment should be ordered.

Sec. 3. RCW 71.05.020 and 2018 c 305 s 1, 2018 c 291 s 1, and 2018 c 201 s 3001 are each reenacted and amended to read as follows: The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

1 persons with developmental disabilities, impaired by substance use 2 disorder, or suffering from dementia and who otherwise meet the 3 criteria for detention or judicial commitment are not ineligible for 4 detention or commitment based on this condition alone.

5 Sec. 9. RCW 71.05.050 and 2016 sp.s. c 29 s 207 are each amended 6 to read as follows:

7 (1) Nothing in this chapter shall be construed to limit the right of any person to apply voluntarily to any public or private agency or 8 practitioner for treatment of a ((mental disorder or substance use)) 9 behavioral health disorder, either by direct application or by 10 11 referral. Any person voluntarily admitted for inpatient treatment to any public or private agency shall be released immediately upon his 12 or her request. Any person voluntarily admitted for inpatient 13 treatment to any public or private agency shall orally be advised of 14 15 the right to immediate discharge, and further advised of such rights 16 in writing as are secured to them pursuant to this chapter and their rights of access to attorneys, courts, and other legal redress. Their 17 condition and status shall be reviewed at least once each one hundred 18 eighty days for evaluation as to the need for further treatment or 19 20 possible discharge, at which time they shall again be advised of 21 their right to discharge upon request.

22 (2) If the professional staff of any public or private agency or hospital regards a person voluntarily admitted who requests discharge 23 24 as presenting, as a result of a ((mental disorder or substance use)) behavioral health disorder, an imminent likelihood of serious harm, 25 or is gravely disabled, they may detain such person for sufficient 26 27 time to notify the designated crisis responder of such person's 28 condition to enable the designated crisis responder to authorize such person being further held in custody or transported to an evaluation 29 30 and treatment center, secure detoxification facility, or approved substance use disorder treatment program pursuant to the provisions 31 32 of this chapter, which shall in ordinary circumstances be no later than the next judicial day. 33

(3) If a person is brought to the emergency room of a public or private agency or hospital for observation or treatment, the person refuses voluntary admission, and the professional staff of the public or private agency or hospital regard such person as presenting as a result of a ((mental disorder or substance use)) behavioral health disorder an imminent likelihood of serious harm, or as presenting an

HB 1814

1 imminent danger because of grave disability, they may detain such person for sufficient time to notify the designated crisis responder 2 of such person's condition to enable the designated crisis responder 3 to authorize such person being further held in custody or transported 4 to an evaluation treatment center, secure detoxification facility, or 5 6 approved substance use disorder treatment program pursuant to the conditions in this chapter, but which time shall be no more than six 7 hours from the time the professional staff notify the designated 8 crisis responder of the need for evaluation, not counting time 9 periods prior to medical clearance. 10

(4) Dismissal of a commitment petition is not the appropriate remedy for a violation of the timeliness requirements of this section based on the intent of this chapter under RCW 71.05.010 except in the few cases where the facility staff or designated crisis responder has totally disregarded the requirements of this section.

16 Sec. 10. RCW 71.05.100 and 2018 c 201 s 3005 are each amended to 17 read as follows:

18 In addition to the responsibility provided for by RCW 43.20B.330, any person, or his or her estate, or his or her spouse, ((or the 19 20 parents of a minor person)) who is involuntarily detained pursuant to 21 this chapter for the purpose of treatment and evaluation outside of a 22 facility maintained and operated by the department of social and health services shall be responsible for the cost of such care and 23 24 treatment. In the event that an individual is unable to pay for such 25 treatment or in the event payment would result in a substantial hardship upon the individual or his or her family, then the county of 26 residence of such person shall be responsible for such costs. If it 27 is not possible to determine the county of residence of the person, 28 the cost shall be borne by the county where the person was originally 29 30 detained. The department of social and health services, or the 31 authority, as appropriate, shall, pursuant to chapter 34.05 RCW, 32 adopt standards as to (1) inability to pay in whole or in part, (2) a definition of substantial hardship, and (3) appropriate payment 33 schedules. Financial responsibility with respect to services and 34 35 facilities of the department of social and health services shall continue to be as provided in RCW 43.20B.320 through 43.20B.360 and 36 37 43.20B.370.

1 Sec. 11. RCW 71.05.120 and 2016 sp.s. c 29 s 208 and 2016 c 158 s 4 are each reenacted and amended to read as follows: 2

3 No officer of a public or private agency, nor the (1) superintendent, professional person in charge, 4 his or her professional designee, or attending staff of any such agency, nor any 5 6 public official performing functions necessary to the administration 7 of this chapter, nor peace officer responsible for detaining a person pursuant to this chapter, nor any designated crisis responder, nor 8 the state, a unit of local government, an evaluation and treatment 9 facility, a secure detoxification facility, or an approved substance 10 11 use disorder treatment program shall be civilly or criminally liable 12 for performing duties pursuant to this chapter with regard to the 13 decision of whether to admit, discharge, release, administer antipsychotic medications, or detain a person for evaluation and 14 treatment: PROVIDED, That such duties were performed in good faith 15 and without gross negligence. 16

17 (2) Peace officers and their employing agencies are not liable for the referral of a person, or the failure to refer a person, to a 18 ((mental)) <u>behavioral</u> health agency pursuant to a policy adopted 19 pursuant to RCW 71.05.457 if such action or inaction is taken in good 20 21 faith and without gross negligence.

22 (3) This section does not relieve a person from giving the 23 required notices under RCW 71.05.330(2) or 71.05.340(1)(b), or the duty to warn or to take reasonable precautions to provide protection 24 25 from violent behavior where the patient has communicated an actual 26 threat of physical violence against a reasonably identifiable victim 27 or victims. The duty to warn or to take reasonable precautions to provide protection from violent behavior is discharged if reasonable 28 29 efforts are made to communicate the threat to the victim or victims and to law enforcement personnel. 30

31 RCW 71.05.132 and 2016 sp.s. c 29 s 209 are each Sec. 12. amended to read as follows: 32

When any court orders a person to receive treatment under this 33 34 chapter, the order shall include a statement that if the person is, 35 or becomes, subject to supervision by the department of corrections, the person must notify the treatment provider and the person's 36 37 ((mental health)) treatment ((information and substance use disorder 38 treatment information)) records must be shared with the department of corrections for the duration of the offender's incarceration and 39

1 supervision, under RCW 71.05.445. Upon a petition by a person who 2 does not have a history of one or more violent acts, the court may, 3 for good cause, find that public safety would not be enhanced by the 4 sharing of this person's information.

5 **Sec. 13.** RCW 71.05.150 and 2018 c 291 s 4 are each amended to 6 read as follows:

7 When a designated crisis responder receives information (1) alleging that a person, as a result of a ((mental)) behavioral health 8 disorder, ((substance use disorder, or both)) presents a likelihood 9 10 of serious harm or is gravely disabled, or that a person is in need 11 of assisted outpatient behavioral health treatment; the designated crisis responder may, after investigation and evaluation of the 12 specific facts alleged and of the reliability and credibility of any 13 person providing information to initiate detention or involuntary 14 15 outpatient treatment, if satisfied that the allegations are true and 16 that the person will not voluntarily seek appropriate treatment, file 17 a petition for initial detention under this section or a petition for 18 involuntary outpatient behavioral health treatment under RCW 71.05.148. Before filing the petition, the designated crisis 19 responder must personally interview the person, unless the person 20 21 refuses an interview, and determine whether the person will 22 voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage 23 24 facility, or approved substance use disorder treatment program.

(2) (a) ((An)) <u>A written</u> order <u>of apprehension</u> to detain a person 25 with a ((mental)) <u>behavioral health</u> disorder to a designated 26 27 evaluation and treatment facility, ((or to detain a person with a substance use disorder to)) a secure detoxification facility, or an 28 approved substance use disorder treatment program, for a period of 29 30 not more than ((a seventy-two-hour)) five days for evaluation and 31 treatment ((period)), may be issued by a judge of the superior court upon request of a designated crisis responder, subject to (d) of this 32 subsection, whenever it appears to the satisfaction of a judge of the 33 34 superior court:

(i) That there is probable cause to support the petition; and(ii) That the person has refused or failed to accept appropriate

37 evaluation and treatment voluntarily.

38 (b) The petition for initial detention, signed under penalty of 39 perjury, or sworn telephonic testimony may be considered by the court 1 in determining whether there are sufficient grounds for issuing the 2 order.

3 (c) The order shall designate retained counsel or, if counsel is 4 appointed from a list provided by the court, the name, business 5 address, and telephone number of the attorney appointed to represent 6 the person.

7 (d) A court may not issue an order to detain a person to a secure 8 detoxification facility or approved substance use disorder treatment 9 program unless there is an available secure detoxification facility 10 or approved substance use disorder treatment program that has 11 adequate space for the person.

12 (3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if 13 any, a copy of the order together with a notice of rights, and a 14 petition for initial detention. After service on such person the 15 16 designated crisis responder shall file the return of service in court 17 and provide copies of all papers in the court file to the evaluation 18 and treatment facility, secure detoxification facility, or approved 19 substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and 20 the prosecuting attorney that a probable cause hearing will be held 21 22 within ((seventy-two hours)) five days of the date and time of outpatient evaluation or admission to the evaluation and treatment 23 facility, secure detoxification facility, or approved substance use 24 25 disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an 26 attorney, a personal physician, or other professional or religious 27 advisor to the place of evaluation. An attorney accompanying the 28 person to the place of evaluation shall be permitted to be present 29 during the admission evaluation. Any other individual accompanying 30 31 the person may be present during the admission evaluation. The 32 facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere 33 with the evaluation. 34

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any,

1 a copy of the original order together with a notice of rights and a 2 petition for initial detention.

3 Sec. 14. RCW 71.05.150 and 2018 c 291 s 5 are each amended to 4 read as follows:

5 (1) When a designated crisis responder receives information alleging that a person, as a result of a ((mental)) behavioral health 6 disorder, ((substance use disorder, or both)) presents a likelihood 7 of serious harm or is gravely disabled, or that a person is in need 8 of assisted outpatient behavioral health treatment; the designated 9 10 crisis responder may, after investigation and evaluation of the 11 specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or involuntary 12 13 outpatient treatment, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file 14 15 a petition for initial detention under this section or a petition for 16 involuntary outpatient behavioral health treatment under RCW 17 71.05.148. Before filing the petition, the designated crisis 18 responder must personally interview the person, unless the person refuses an interview, and determine whether the person will 19 20 voluntarily receive appropriate evaluation and treatment at an 21 evaluation and treatment facility, crisis stabilization unit, triage 22 facility, or approved substance use disorder treatment program.

(2) (a) ((An)) <u>A written</u> order <u>of apprehension</u> to detain a person 23 24 with a ((mental)) <u>behavioral health</u> disorder to a designated 25 evaluation and treatment facility, ((or to detain a person with a substance use disorder to)) a secure detoxification facility\_ or an 26 27 approved substance use disorder treatment program, for <u>a period of</u> 28 not more than ((a seventy-two-hour)) five days for evaluation and treatment ((period)), may be issued by a judge of the superior court 29 30 upon request of a designated crisis responder whenever it appears to 31 the satisfaction of a judge of the superior court:

32

(i) That there is probable cause to support the petition; and

33 (ii) That the person has refused or failed to accept appropriate 34 evaluation and treatment voluntarily.

35 (b) The petition for initial detention, signed under penalty of 36 perjury, or sworn telephonic testimony may be considered by the court 37 in determining whether there are sufficient grounds for issuing the 38 order. 1 (c) The order shall designate retained counsel or, if counsel is 2 appointed from a list provided by the court, the name, business 3 address, and telephone number of the attorney appointed to represent 4 the person.

(3) The designated crisis responder shall then serve or cause to 5 be served on such person, his or her guardian, and conservator, if 6 7 any, a copy of the order together with a notice of rights, and a petition for initial detention. After service on such person the 8 designated crisis responder shall file the return of service in court 9 and provide copies of all papers in the court file to the evaluation 10 11 and treatment facility, secure detoxification facility, or approved 12 substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and 13 14 the prosecuting attorney that a probable cause hearing will be held within ((seventy-two hours)) five days of the date and time of 15 16 outpatient evaluation or admission to the evaluation and treatment facility, secure detoxification facility, or approved substance use 17 18 disorder treatment program. The person shall be permitted to be 19 accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious 20 advisor to the place of evaluation. An attorney accompanying the 21 person to the place of evaluation shall be permitted to be present 22 during the admission evaluation. Any other individual accompanying 23 24 the person may be present during the admission evaluation. The 25 facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere 26 with the evaluation. 27

28 (4) The designated crisis responder may notify a peace officer to 29 take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure detoxification 30 31 facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be 32 served on such person, his or her guardian, and conservator, if any, 33 a copy of the original order together with a notice of rights and a 34 petition for initial detention. 35

36 Sec. 15. RCW 71.05.153 and 2016 sp.s. c 29 s 212 are each 37 amended to read as follows:

38 (1) When a designated crisis responder receives information 39 alleging that a person, as the result of a ((mental)) <u>behavioral</u>

health disorder, presents an imminent likelihood of serious harm, or 1 is in imminent danger because of being gravely disabled, after 2 investigation and evaluation of the specific facts alleged and of the 3 reliability and credibility of the person or persons providing the 4 information if any, the designated crisis responder may take such 5 6 person, or cause by oral or written order such person to be taken into emergency custody in an evaluation and treatment facility, 7 secure detoxification facility if available with adequate space for 8 the person, or approved substance use disorder treatment program if 9 available with adequate space for the person, for not more than 10 ((seventy-two hours)) five days as described in RCW 71.05.180. 11

12 (2) ((When a designated crisis responder receives information alleging that a person, as the result of substance use disorder, 13 presents an imminent likelihood of serious harm, or is in imminent 14 danger because of being gravely disabled, after investigation and 15 evaluation of the specific facts alleged and of the reliability and 16 17 credibility of the person or persons providing the information if any, the designated crisis responder may take the person, or cause by 18 19 oral or written order the person to be taken, into emergency custody in a secure detoxification facility or approved substance use 20 21 disorder treatment program for not more than seventy-two hours as described in RCW 71.05.180, if a secure detoxification facility or 22 23 approved substance use disorder treatment program is available and 24 has adequate space for the person.

19 Sec. 17. RCW 71.05.160 and 2016 sp.s. c 29 s 217 are each 20 amended to read as follows:

21 Any facility receiving a person pursuant to RCW 71.05.150 or 22 71.05.153 shall require the designated crisis responder to prepare a 23 petition for initial detention stating the circumstances under which 24 the person's condition was made known and stating that there is 25 evidence, as a result of his or her personal observation or investigation, that the actions of the person for which application 26 27 is made constitute a likelihood of serious harm, or that he or she is 28 gravely disabled, and stating the specific facts known to him or her as a result of his or her personal observation or investigation, upon 29 30 which he or she bases the belief that such person should be detained 31 for the purposes and under the authority of this chapter.

If a person is involuntarily placed in an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program pursuant to RCW 71.05.150 or 71.05.153, on the next judicial day following the initial detention, the designated crisis responder <u>or accepting evaluation and treatment</u> <u>facility</u> shall file with the court and serve the designated attorney of the detained person the petition or supplemental petition for 1 initial detention, proof of service of notice, and a copy of a notice 2 of emergency detention.

3 Sec. 18. RCW 71.05.170 and 2016 sp.s. c 29 s 218 are each 4 amended to read as follows:

5 Whenever the designated crisis responder petitions for detention of a person whose actions constitute a likelihood of serious harm, or 6 who is gravely disabled, the facility providing ((seventy-two hour)) 7 five-day evaluation and treatment must immediately accept on a 8 provisional basis the petition and the person. The facility shall notify in writing the court and the designated crisis responder 12 of the date and time of the initial detention of each person 13 involuntarily detained in order that a probable cause hearing shall 14 15 be held no later than ((seventy-two hours)) five days after 16 detention.

17 The duty of a state hospital to accept persons for evaluation and 18 treatment under this section shall be limited by chapter 71.24 RCW.

19 Sec. 19. RCW 71.05.180 and 2016 sp.s. c 29 s 219 are each 20 amended to read as follows:

If the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program admits the person, it may detain him or her for evaluation and treatment for a period not to exceed ((seventy-two hours)) five days from the time of acceptance as set forth in RCW 71.05.170. The computation of such ((seventy-two hour)) five-day period shall exclude Saturdays, Sundays, and holidays.

28 Sec. 20. RCW 71.05.190 and 2016 sp.s. c 29 s 220 are each 29 amended to read as follows:

30 If the person is not approved for admission by a facility providing ((seventy-two hour)) five-day evaluation and treatment, and 31 the individual has not been arrested, the facility shall furnish 32 transportation, if not otherwise available, for the person to his or 33 her place of residence or other appropriate place. If the individual 34 has been arrested, the evaluation and treatment facility, secure 35 36 detoxification facility, or approved substance use disorder treatment program shall detain the individual for not more than eight hours at 37

1 the request of the peace officer. The facility shall make reasonable 2 attempts to contact the requesting peace officer during this time to 3 inform the peace officer that the person is not approved for 4 admission in order to enable a peace officer to return to the 5 facility and take the individual back into custody.

6 **Sec. 21.** RCW 71.05.195 and 2016 sp.s. c 29 s 221 are each 7 amended to read as follows:

(1) A civil commitment may be initiated under the procedures 8 9 described in RCW 71.05.150 or 71.05.153 for a person who has been found not guilty by reason of insanity in a state other than 10 11 Washington and who has fled from detention, commitment, or conditional release in that state, on the basis of a request by the 12 state in which the person was found not guilty by reason of insanity 13 for the person to be detained and transferred back to the custody or 14 15 care of the requesting state. A finding of likelihood of serious harm 16 or grave disability is not required for a commitment under this 17 section. The detention may occur at either an evaluation and treatment facility or a state hospital. The petition for ((seventy-18 two hour)) five-day detention filed by the designated crisis 19 responder must be accompanied by the following documents: 20

(a) A copy of an order for detention, commitment, or conditional
release of the person in a state other than Washington on the basis
of a judgment of not guilty by reason of insanity;

(b) A warrant issued by a magistrate in the state in which the person was found not guilty by reason of insanity indicating that the person has fled from detention, commitment, or conditional release in that state and authorizing the detention of the person within the state in which the person was found not guilty by reason of insanity;

(c) A statement from the executive authority of the state in which the person was found not guilty by reason of insanity requesting that the person be returned to the requesting state and agreeing to facilitate the transfer of the person to the requesting state.

34 (2) The person shall be entitled to a probable cause hearing 35 within the time limits applicable to other detentions under this 36 chapter and shall be afforded the rights described in this chapter 37 including the right to counsel. At the probable cause hearing, the 38 court shall determine the identity of the person and whether the 39 other requirements of this section are met. If the court so finds,

1 the court may order continued detention in a treatment facility for 2 up to thirty days for the purpose of the transfer of the person to 3 the custody or care of the requesting state. The court may order a 4 less restrictive alternative to detention only under conditions which 5 ensure the person's safe transfer to the custody or care of the 6 requesting state within thirty days without undue risk to the safety 7 of the person or others.

8 (3) For the purposes of this section, "not guilty by reason of 9 insanity" shall be construed to include any provision of law which is 10 generally equivalent to a finding of criminal insanity within the 11 state of Washington; and "state" shall be construed to mean any 12 state, district, or territory of the United States.

13 Sec. 22. RCW 71.05.201 and 2018 c 291 s 11 are each amended to 14 read as follows:

(1) If a designated crisis responder decides not to detain a person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the person detained, an immediate family member or guardian or conservator of the person may petition the superior court for the person's initial detention.

(2) A petition under this section must be filed within ten calendar days following the designated crisis responder investigation or the request for a designated crisis responder investigation. If more than ten days have elapsed, the immediate family member, guardian, or conservator may request a new designated crisis responder investigation.

(3) (a) The petition must be filed in the county in which the 28 designated crisis responder investigation occurred or was requested 29 30 occur and must be submitted on forms developed by the to 31 administrative office of the courts for this purpose. (ii) The date on which an investigation was requested from the
 designated crisis responder.

(4) The court shall, within one judicial day, review the petition 3 to determine whether the petition raises sufficient evidence to 4 support the allegation. If the court so finds, it shall provide a 5 6 copy of the petition to the designated crisis responder agency with an order for the agency to provide the court, within one judicial 7 day, with a written sworn statement describing the basis for the 8 decision not to seek initial detention and a copy of all information 9 material to the designated crisis responder's current decision. 10

(5) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

15 (6) The court shall dismiss the petition at any time if it finds 16 that a designated crisis responder has filed a petition for the 17 person's initial detention under RCW 71.05.150 or 71.05.153 or that 18 the person has voluntarily accepted appropriate treatment.

19 (7) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the 20 information provided to the court, the court may enter an order for 21 initial detention or an order instructing the designated crisis 22 23 responder to file a petition for assisted outpatient behavioral health treatment if the court finds that: (a) There is probable cause 24 25 to support a petition for detention or assisted outpatient behavioral 26 health treatment; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall 27 28 transmit its final decision to the petitioner.

(8) If the court enters an order for initial detention, it shall 29 provide the order to the designated crisis responder agency and issue 30 31 a written order for apprehension ((of the person by a peace officer 32 for delivery of the person to a facility or emergency room determined by the designated crisis responder)). The designated crisis responder 33 agency serving the jurisdiction of the court must collaborate and 34 coordinate with law enforcement regarding apprehensions and 35 detentions under this subsection, including sharing of information 36 relating to risk and which would assist in locating the person. A 37 person may not be detained to jail pursuant to a written order issued 38 39 under this subsection. An order for detention under this section 40 should contain the advisement of rights which the person would

1 receive if the person were detained by a designated crisis responder.
2 An order for initial detention under this section expires one hundred
3 eighty days from issuance.

4 (9) Except as otherwise expressly stated in this chapter, all
5 procedures must be followed as if the order had been entered under
6 RCW 71.05.150. RCW 71.05.160 does not apply if detention was
7 initiated under the process set forth in this section.

(1) Each person involuntarily detained and accepted or admitted at an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program:

19 (i) One physician, physician assistant, or advanced registered 20 nurse practitioner; and

(ii) One mental health professional. If the person is detained for substance use disorder evaluation and treatment, the person may be examined by a chemical dependency professional instead of a mental health professional; and

(b) Shall receive such treatment and care as his or her condition 25 requires including treatment on an outpatient basis for the period 26 27 that he or she is detained, except that, beginning twenty-four hours prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 28 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may 29 30 refuse psychiatric medications, but may not refuse: (i) Any other medication previously prescribed by a person licensed under Title 18 31 RCW; or (ii) emergency lifesaving treatment, and the individual shall 32 be informed at an appropriate time of his or her right of such 33 refusal. The person shall be detained up to ((seventy-two hours)) 34 35 five days, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person 36 presents a likelihood of serious harm, or is gravely disabled. A 37 person who has been detained for ((seventy-two hours)) five days 38 shall no later than the end of such period be released, unless 39

HB 1814

referred for further care on a voluntary basis, or detained pursuant
 to court order for further treatment as provided in this chapter.

If, after examination and evaluation, the mental health 3 (2) professional or chemical dependency professional and licensed 4 physician, physician assistant, or psychiatric advanced registered 5 6 nurse practitioner determine that the initial needs of the person, if 7 detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment program, 8 or, if detained to a secure detoxification facility or approved 9 substance use disorder treatment program, would be better served in 10 an evaluation and treatment facility then the person shall be 11 12 referred to the more appropriate placement; however, a person may only be referred to a secure detoxification facility or approved 13 substance use disorder treatment program if there is an available 14 secure detoxification facility or approved substance use disorder 15 16 treatment program with adequate space for the person.

17 (3) An evaluation and treatment center, secure detoxification facility, or approved substance use disorder treatment program 18 admitting or accepting any person pursuant to this chapter whose 19 physical condition reveals the need for hospitalization shall assure 20 21 that such person is transferred to an appropriate hospital for evaluation or admission for treatment. Notice of such fact shall be 22 given to the court, the designated attorney, and the designated 23 crisis responder and the court shall order such continuance in 24 25 proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days. 26

27 Sec. 24. RCW 71.05.210 and 2017 3rd sp.s. c 14 s 16 are each 28 amended to read as follows:

(1) Each person involuntarily detained and accepted or admitted
at an evaluation and treatment facility, secure detoxification

(a) Shall, within twenty-four hours of his or her admission or
 acceptance at the facility, not counting time periods prior to
 medical clearance, be examined and evaluated by:

35 (i) One physician, physician assistant, or advanced registered 36 nurse practitioner; and

(ii) One mental health professional. If the person is detainedfor substance use disorder evaluation and treatment, the person may

1 be examined by a chemical dependency professional instead of a mental 2 health professional; and

(b) Shall receive such treatment and care as his or her condition 3 requires including treatment on an outpatient basis for the period 4 that he or she is detained, except that, beginning twenty-four hours 5 6 prior to a trial or hearing pursuant to RCW 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.590, or 71.05.217, the individual may 7 refuse psychiatric medications, but may not refuse: (i) Any other 8 medication previously prescribed by a person licensed under Title 18 9 RCW; or (ii) emergency lifesaving treatment, and the individual shall 10 be informed at an appropriate time of his or her right of such 11 12 refusal. The person shall be detained up to ((seventy-two hours)) five days, if, in the opinion of the professional person in charge of 13 the facility, or his or her professional designee, the person 14 presents a likelihood of serious harm, or is gravely disabled. A 15 16 person who has been detained for ((seventy-two hours)) five days 17 shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant 18 to court order for further treatment as provided in this chapter. 19

(2) If, after examination and evaluation, the mental health 20 21 professional or chemical dependency professional and licensed physician, physician assistant, or psychiatric advanced registered 22 23 nurse practitioner determine that the initial needs of the person, if detained to an evaluation and treatment facility, would be better 24 25 served by placement in a substance use disorder treatment program, or, if detained to a secure detoxification facility or approved 26 27 substance use disorder treatment program, would be better served in 28 an evaluation and treatment facility then the person shall be 29 referred to the more appropriate placement.

(3) An evaluation and treatment center, secure detoxification 30 31 facility, or approved substance use disorder treatment program 32 admitting or accepting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure 33 that such person is transferred to an appropriate hospital for 34 evaluation or admission for treatment. Notice of such fact shall be 35 given to the court, the designated attorney, and the designated 36 crisis responder and the court shall order such continuance in 37 proceedings under this chapter as may be necessary, but in no event 38 39 may this continuance be more than fourteen days.

3 (1) Whenever a designated crisis responder or professional person 4 is conducting an evaluation under this chapter, consideration shall 5 include all reasonably available information from credible witnesses 6 and records regarding:

7 (a) Prior recommendations for evaluation of the need for civil

9 conducted under chapter 10.77 RCW;

10 (b) Historical behavior, including history of one or more violent 11 acts;

If the designated crisis responder relies upon information from a credible witness in reaching his or 18 her decision to detain the individual, then he or she must provide 19 contact information for any such witness to the prosecutor. The 20 21 designated crisis responder or prosecutor shall provide notice of the date, time, and location of the probable cause hearing to such a 22 23 witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient behavioral health treatment, when:

(a) Such symptoms or behavior are closely associated with
 symptoms or behavior which preceded and led to a past incident of
 involuntary hospitalization, severe deterioration <u>from safe behavior</u>,
 or one or more violent acts;

33 (b) These symptoms or behavior represent a marked and concerning 34 change in the baseline behavior of the respondent; and

35 (c) Without treatment, the continued deterioration of the 36 respondent is probable.

37 (4) When conducting an evaluation for offenders identified under 38 RCW 72.09.370, the designated crisis responder or professional person 39 shall consider an offender's history of judicially required or 1 administratively ordered antipsychotic medication while in 2 confinement.

3 Sec. 26. RCW 71.05.214 and 2018 c 201 s 3007 are each amended to 4 read as follows:

The initial protocols shall be developed not later than September 13 1, 1999. The authority shall develop and update the protocols in 14 15 consultation with representatives of designated crisis responders, 16 the department of social and health services, local government, law 17 enforcement, county and city prosecutors, public defenders, and 18 groups concerned with ((mental illness and substance use)) behavioral health disorders. The protocols shall be submitted to the governor 19 and legislature upon adoption by the authority. 20

21 Sec. 27. RCW 71.05.215 and 2018 c 201 s 3008 are each amended to 22 read as follows:

23 (1) A person found to be gravely disabled or ((presents)) to present a likelihood of serious harm as a result of a ((mental 24 disorder or substance use)) behavioral health disorder has a right to 25 26 refuse antipsychotic medication unless it is determined that the failure to medicate may result in a likelihood of serious harm or 27 substantial deterioration or substantially prolong the length of 28 29 involuntary commitment and there is no less intrusive course of 30 treatment than medication in the best interest of that person.

31 (2) The authority shall adopt rules to carry out the purposes of 32 this chapter. These rules shall include:

(a) An attempt to obtain the informed consent of the person priorto administration of antipsychotic medication.

6 this act, the right to periodic review of the decision to medicate by
7 the medical director or designee.

(d) Administration of antipsychotic medication in an emergency 8 and review of this decision within twenty-four hours. An emergency 9 exists if the person presents an imminent likelihood of serious harm, 10 11 and medically acceptable alternatives to administration of 12 antipsychotic medications are not available or are unlikely to be successful; and in the opinion of the physician, physician assistant, 13 or psychiatric advanced registered nurse practitioner, the person's 14 condition constitutes an emergency requiring the treatment be 15 16 instituted prior to obtaining a second medical opinion.

17 (e) Documentation in the medical record of the attempt by the 18 physician, physician assistant, or psychiatric advanced registered 19 nurse practitioner to obtain informed consent and the reasons why 20 antipsychotic medication is being administered over the person's 21 objection or lack of consent.

22 Sec. 28. RCW 71.05.217 and 2016 c 155 s 4 are each amended to 23 read as follows:

(a) The administration of antipsychotic medication or 18 electroconvulsant therapy shall not be ordered unless the petitioning 19 party proves by clear, cogent, and convincing evidence that there 20 21 exists a compelling state interest that justifies overriding the patient's lack of consent to the administration of antipsychotic 22 medications or electroconvulsant therapy, that the proposed treatment 23 24 is necessary and effective, and that medically acceptable alternative 25 forms of treatment are not available, have not been successful, or are not likely to be effective. 26

27 (b) The court shall make specific findings of fact concerning: 28 (i) The existence of one or more compelling state interests; (ii) the necessity and effectiveness of the treatment; and (iii) the person's 29 30 desires regarding the proposed treatment. 35 (c) The person shall be present at any hearing on a request to 36 administer antipsychotic medication or electroconvulsant therapy 37 filed pursuant to this subsection. The person has the right: (i) To 38 be represented by an attorney; (ii) to present evidence; (iii) to 39 cross-examine witnesses; (iv) to have the rules of evidence enforced; 40 (v) to remain silent; (vi) to view and copy all petitions and reports

26

(i) A person presents an imminent likelihood of serious harm;

27 (ii) Medically acceptable alternatives to administration of 28 antipsychotic medications are not available, have not been 29 successful, or are not likely to be effective; and

30 (iii) In the opinion of the physician, physician assistant, or 31 psychiatric advanced registered nurse practitioner with 32 responsibility for treatment of the person, or his or her designee, 33 the person's condition constitutes an emergency requiring the 34 treatment be instituted before a judicial hearing as authorized 35 pursuant to this section can be held.

36 If antipsychotic medications are administered over a person's 37 lack of consent pursuant to this subsection, a petition for an order 38 authorizing the administration of antipsychotic medications shall be 39 filed on the next judicial day. The hearing shall be held within two 40 judicial days. If deemed necessary by the physician, physician 1 assistant, or psychiatric advanced registered nurse practitioner with

10 (2) Every person involuntarily detained or committed under the 11 provisions of this chapter is entitled to all the rights set forth in 12 this chapter and retains all rights not denied him or her under this 13 chapter except as limited by chapter 9.41 RCW.

14 <u>(3) No person may be presumed incompetent as a consequence of</u> 15 receiving evaluation or treatment for a behavioral health disorder. 16 Competency may not be determined or withdrawn except under the 17 provisions of chapter 10.77 or 11.88 RCW.

18 <u>(4) Persons receiving evaluation or treatment under this chapter</u> 19 must be given a reasonable choice of an available physician, 20 physician assistant, psychiatric advanced registered nurse 21 practitioner, or other professional person qualified to provide such 22 services.

(5) Whenever any person is detained under this chapter, the 23 person must be advised that unless the person is released or 24 25 voluntarily admits himself or herself for treatment within five days of the initial detention, a judicial hearing must be held in a 26 27 superior court within five days to determine whether there is 28 probable cause to detain the person for up to an additional fourteen days based on an allegation that because of a behavioral health 29 30 disorder the person presents a likelihood of serious harm or is gravely disabled, and that at the probable cause hearing the person 31 32 has the following rights:

33 (a) To communicate immediately with an attorney; to have an 34 attorney appointed if the person is indigent; and to be told the name 35 and address of the attorney that has been designated;

36 (b) To remain silent, and to know that any statement the person 37 makes may be used against him or her;

38 (c) To present evidence on the person's behalf;

39 (d) To cross-examine witnesses who testify against him or her;

5	and
6	(h) To refuse psychiatric medications, including antipsychotic
7	medication beginning twenty-four hours prior to the probable cause
8	hearing.
9	(6) The judicial hearing described in subsection (5) of this
10	section must be held according to the provisions of subsection (5) of
11	this section and rules promulgated by the supreme court.
12	(7)(a) Privileges between patients and physicians, physician
13	assistants, psychologists, or psychiatric advanced registered nurse
14	practitioners are deemed waived in proceedings under this chapter
15	relating to the administration of antipsychotic medications. As to
16	other proceedings under this chapter, the privileges are waived when
17	a court of competent jurisdiction in its discretion determines that
18	such waiver is necessary to protect either the detained person or the
19	public.
20	(b) The waiver of a privilege under this section is limited to
21	records or testimony relevant to evaluation of the detained person
22	for purposes of a proceeding under this chapter. Upon motion by the
23	detained person or on its own motion, the court shall examine a
24	record or testimony sought by a petitioner to determine whether it is
25	within the scope of the waiver.
26	(c) The record maker may not be required to testify in order to
27	introduce medical or psychological records of the detained person so
28	long as the requirements of RCW 5.45.020 are met except that portions
29	of the record which contain opinions as to the detained person's
30	mental state must be deleted from such records unless the person
31	making such conclusions is available for cross-examination.
32	(8) Nothing contained in this chapter prohibits the patient from
33	petitioning by writ of habeas corpus for release.
34	(9) Nothing in this section permits any person to knowingly
35	violate a no-contact order or a condition of an active judgment and
36	sentence or an active condition of supervision by the department of
37	corrections.
38	(10) The rights set forth under this section apply equally to
39	<u>ninety-day or one hundred eighty-day hearings under RCW 71.05.310.</u>

<u>NEW SECTION.</u> Sec. 29. A new section is added to chapter 71.05
 RCW to read as follows:

(1) The involuntary administration of antipsychotic medication or 3 electroconvulsant therapy shall not be ordered unless the petitioning 4 party proves by clear, cogent, and convincing evidence that there 5 6 exists a compelling state interest that justifies overriding the patient's lack of consent to the administration of antipsychotic 7 medications or electroconvulsant therapy, that the proposed treatment 8 is necessary and effective, and that medically acceptable alternative 9 forms of treatment are not available, have not been successful, or 10 11 are not likely to be effective.

12 (2) The court shall make specific findings of fact concerning: (a) The existence of one or more compelling state interests; (b) the 13 necessity and effectiveness of the treatment; and (c) the person's 14 desires regarding the proposed treatment. If the patient is unable to 15 16 make a rational and informed decision about consenting to or refusing 17 the proposed treatment, the court shall make a substituted judgment 18 for the patient as if he or she were competent to make such a 19 determination.

(3) The person shall be present at any hearing on a request to 20 administer antipsychotic medication or electroconvulsant therapy 21 22 filed pursuant to this subsection. The person has the right: (a) To 23 be represented by an attorney; (b) to present evidence; (c) to crossexamine witnesses; (d) to have the rules of evidence enforced; (e) to 24 25 remain silent; (f) to view and copy all petitions and reports in the 26 court file; and (g) to be given reasonable notice and an opportunity to prepare for the hearing. The court shall appoint 32 a psychiatrist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, 33 psychologist within their scope of practice, physician assistant, or 34 physician designated by such person or the person's counsel to 35 36 testify on behalf of the person in cases where an order for electroconvulsant therapy is sought. 37

(4) An order for the administration of antipsychotic medications
 entered following a hearing conducted pursuant to this section shall
 be effective for the period of the current involuntary treatment

1 order, and any interim period during which the person is awaiting 2 trial or hearing on a new petition for involuntary treatment or 3 involuntary medication.

4 (5) Any person detained pursuant to RCW 71.05.320(4), who 5 subsequently refuses antipsychotic medication, is entitled to the 6 procedures set forth in this subsection.

7 (6) Antipsychotic medication may be administered to a 8 nonconsenting person detained or committed pursuant to this chapter 9 without a court order pursuant to RCW 71.05.215(2) or under the 10 following circumstances:

11

12 (b) Medically acceptable alternatives to administration of 13 antipsychotic medications are not available, have not been 14 successful, or are not likely to be effective; and

(c) In the opinion of the physician, physician assistant, or 15 16 psychiatric advanced registered nurse practitioner with 17 responsibility for treatment of the person, or his or her designee, 18 the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized 19 pursuant to this section can be held. If antipsychotic medications 20 21 are administered over a person's lack of consent pursuant to this 22 subsection, a petition for an order authorizing the administration of antipsychotic medications must be filed on the next judicial day. The 23 hearing must be held within two judicial days. If deemed necessary by 24 25 physician, physician assistant, or psychiatric advanced the registered nurse practitioner with responsibility for the treatment 26 of the person, administration of antipsychotic medications may 27 continue until the hearing is held. 28

A person detained for ((seventy-two hour)) <u>five-day</u> evaluation and treatment may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative treatment. A petition may only be filed if the following conditions are met:

16 (B) One physician, physician assistant, psychiatric advanced 17 registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state 24 25 facts that support the finding that such person, as a result of a 26 ((mental disorder or substance use)) behavioral health disorder, presents a likelihood of serious harm, or is gravely disabled and 27 28 that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state 29 specifically that less restrictive alternative treatment 30 was considered and specify why treatment less restrictive than detention 31 32 is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that 33 such person, as a result of a ((mental disorder or as a result of a 34 substance use)) behavioral health disorder, presents a likelihood of 35 36 serious harm, is gravely disabled, or is in need of assisted outpatient behavioral health treatment, and shall set forth any 37 recommendations for less restrictive alternative treatment services; 38 39 and

15 (9) If the hospital or facility designated to provide less 16 restrictive alternative treatment is other than the facility 17 providing involuntary treatment, the outpatient facility so 18 designated to provide less restrictive alternative treatment has 19 agreed to assume such responsibility.

20 Sec. 31. RCW 71.05.235 and 2016 sp.s. c 29 s 231 are each 21 amended to read as follows:

22 (1) If an individual is referred to a designated crisis responder under RCW 10.77.088(1)(c)(i), the designated crisis responder shall 23 24 examine the individual within forty-eight hours. If the designated crisis responder determines it is not appropriate to detain the 25 individual or petition for a ninety-day less restrictive alternative 26 under RCW 71.05.230(4), that decision shall be immediately presented 27 to the superior court for hearing. The court shall hold a hearing to 28 consider the decision of the designated crisis responder not later 29 30 than the next judicial day. At the hearing the superior court shall 31 review the determination of the designated crisis responder and determine whether an order should be entered requiring the person to 32 be evaluated at an evaluation and treatment facility. No person 33 referred to an evaluation and treatment facility may be held at the 34 35 facility longer than ((seventy-two hours)) five days.

36 (2) If an individual is placed in an evaluation and treatment 37 facility under RCW 10.77.088(1)(c)(ii), a professional person shall 38 evaluate the individual for purposes of determining whether to file a 39 ninety-day inpatient or outpatient petition under this chapter.

The superior court shall review the recommendation not later than forty-eight hours, excluding Saturdays, 7 Sundays, and holidays, after the recommendation is presented. If the 8 court rejects the recommendation to unconditionally release the 9 10 individual, the court may order the individual detained at a designated evaluation and treatment facility for not more than a 11 12 ((seventy-two hour)) five-day evaluation and treatment period ((and direct the individual to appear at a surety hearing before that court 13 within seventy-two hours, or the court may release the individual but 14 15 direct the individual to appear at a surety hearing set before that 16 court within eleven days, at which time the prosecutor may file a 17 petition under this chapter for ninety-day inpatient or outpatient treatment. If a petition is filed by the prosecutor, the court may 18 19 order that the person named in the petition be detained at the evaluation and treatment facility that performed the evaluation under 20 this subsection or order the respondent to be in outpatient 21 treatment. If a petition is filed but the individual fails to appear 22 in court for the surety hearing, the court shall order that a mental 23 24 health professional or peace officer shall take such person or cause 25 such person to be taken into custody and placed in an evaluation and 26 treatment facility to be brought before the court the next judicial 27 day after detention)). If the evaluation and treatment facility files 28 a ninety-day petition within the five-day period, the clerk shall set a hearing after the day of filing consistent with RCW 71.05.300. Upon 29 30 the individual's first appearance in court after a petition has been 31 filed, proceedings under RCW 71.05.310 and 71.05.320 shall commence. 32 For an individual subject to this subsection, the ((prosecutor or)) professional person may directly file a petition for ninety-day 33 34 inpatient or outpatient treatment and no petition for initial detention or fourteen-day detention is required before such a 35 36 petition may be filed.

The burden of proof shall be by clear, 4 cogent, and convincing evidence and shall be upon the petitioner. The 5 6 person shall be present at such proceeding, which shall in all respects accord with the constitutional quarantees of due process of 7 law and the rules of evidence pursuant to RCW 71.05.360 (8) and (9). 8

16 (2) If the petition is for mental health treatment, the court <u>or</u> 17 <u>the prosecutor</u> at the time of the probable cause hearing and before 18 an order of commitment is entered shall inform the person both orally 19 and in writing that the failure to make a good faith effort to seek 20 voluntary treatment as provided in RCW 71.05.230 will result in the 21 loss of his or her firearm rights if the person is subsequently 22 detained for involuntary treatment under this section.

(3) If the person or his or her attorney alleges, prior to the commencement of the hearing, that the person has in good faith volunteered for treatment, the petitioner must show, by preponderance of the evidence, that the person has not in good faith volunteered for appropriate treatment. 18 (d) If the court finds by a preponderance of the evidence that 19 such person, as the result of a ((mental disorder or substance use)) behavioral health disorder, is in need of assisted outpatient 20 21 behavioral health treatment, and that the person does not present a 22 likelihood of serious harm ((or grave disability)) and is not gravely 23 disabled, the court shall order an appropriate less restrictive alternative course of treatment ((not to exceed)) for up to ninety 24 25 days.

27 (1) (a) Subject to (b) of this subsection, if the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and 28 that the best interests of the person or others will not be served by 29 30 a less restrictive treatment which is an alternative to detention, 31 the court shall remand him or her to the custody of the department of 32 social and health services or to a facility certified for ninety day treatment by the department for a further period of intensive 33 34 treatment not to exceed ninety days from the date of judgment.

35 (b) If the order for inpatient treatment is based on a substance 36 use disorder, ((treatment must take place at an approved substance 37 use disorder treatment program.)) the court may only enter an order 38 for commitment ((based on a substance use disorder)) if there is an 1 available ((approved substance use disorder)) treatment program with 2 adequate space for the person.

(2) If the court or jury finds that grounds set forth in RCW 9 71.05.280 have been proven, but finds that treatment less restrictive 10 11 than detention will be in the best interest of the person or others, 12 then the court shall remand him or her to the custody of the department of social and health services or to a facility certified 13 14 for ninety day treatment by the department or to a less restrictive alternative for a further period of less restrictive treatment not to 15 16 exceed ninety days from the date of judgment. If the grounds set forth in RCW 71.05.280(3) are the basis 19 of commitment, then the period of treatment may be up to but not 20 21 exceed one hundred eighty days from the date of judgment. If the 22 court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the 23 court must enter an order for less restrictive alternative treatment 24 25 for up to ninety days from the date of judgment and may not order 26 inpatient treatment.

(3) An order for less restrictive alternative treatment entered under subsection (2) of this section must name the ((mental)) <u>behavioral</u> health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the ((mental)) <u>behavioral</u> health service provider.

(4) The person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) or (2) of this section unless the superintendent or professional person in charge of the facility in which he or she is confined, or in the event of a less restrictive alternative, the designated crisis responder, files a new petition for involuntary treatment on the grounds that the committed person:

1 (a) During the current period of court ordered treatment: (i) Has 2 threatened, attempted, or inflicted physical harm upon the person of 3 another, or substantial damage upon the property of another, and (ii) 4 as a result of a ((mental disorder, substance use)) behavioral health 5 disorder(( $_{\tau}$ )) or developmental disability presents a likelihood of 6 serious harm; or

7 (b) Was taken into custody as a result of conduct in which he or 8 she attempted or inflicted serious physical harm upon the person of 9 another, and continues to present, as a result of ((mental disorder, 10 substance use)) <u>a behavioral health</u> disorder(( $_{\tau}$ )) or developmental 11 disability, a likelihood of serious harm; or

(c) (i) Is in custody pursuant to RCW 71.05.280(3) and as a result of ((mental)) <u>a behavioral health</u> disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

17 (ii) In cases under this subsection where the court has made an 18 affirmative special finding under RCW 71.05.280(3)(b), the commitment 19 shall continue for up to an additional one hundred eighty-day period whenever the petition presents prima facie evidence that the person 20 continues to suffer from a ((mental)) behavioral health disorder or 21 22 developmental disability that results in a substantial likelihood of 23 committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the 24 25 person's condition has so changed such that the ((mental)) behavioral 26 health disorder or developmental disability no longer presents a substantial likelihood of the person committing acts similar to the 27 28 charged criminal behavior. The initial or additional commitment period may include transfer to a specialized program of intensive 29 support and treatment, which may be initiated prior to or after 30 31 discharge from the state hospital; or

32

(d) Continues to be gravely disabled; or

33 (e) Is in need of assisted outpatient ((mental)) <u>behavioral</u> 34 health treatment.

35 If the conduct required to be proven in (b) and (c) of this 36 subsection was found by a judge or jury in a prior trial under this 37 chapter, it shall not be necessary to prove such conduct again.

If less restrictive alternative treatment is sought, the petition shall set forth any recommendations for less restrictive alternative treatment services. 1 (5) A new petition for involuntary treatment filed under 2 subsection (4) of this section shall be filed and heard in the 3 superior court of the county of the facility which is filing the new 4 petition for involuntary treatment unless good cause is shown for a 5 change of venue. The cost of the proceedings shall be borne by the 6 state.

7 (6) (a) The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional 8 confinement as set forth in this section are present, subject to 9 subsection (1)(b) of this section, the court may order the committed 10 person returned for an additional period of treatment not to exceed 11 12 one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If the court's order is based 13 solely on the grounds identified in subsection (4)(e) of this 14 section, the court may enter an order for less restrictive 15 16 alternative treatment not to exceed one hundred eighty days from the 17 date of judgment, and may not enter an order for inpatient treatment. An order for less restrictive alternative treatment must name the 18 19 ((mental)) <u>behavioral</u> health service provider responsible for identifying the services the person will receive in accordance with 20 21 RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the ((mental)) behavioral 22 23 health service provider.

At the end of the one hundred eighty-day period 24 (b) of 25 commitment, or one-year period of commitment if subsection (7) of 26 this section applies, the committed person shall be released unless a petition for an additional one hundred eighty-day period of continued 27 28 treatment is filed and heard in the same manner as provided in this 29 section. Successive one hundred eighty-day commitments are permissible on the same grounds and pursuant to the same procedures 30 31 as the original one hundred eighty-day commitment.

32 (7) An order for less restrictive treatment entered under 33 subsection (6) of this section may be for up to one year when the 34 person's previous commitment term was for intensive inpatient 35 treatment in a state hospital.

36 (8) No person committed as provided in this section may be 37 detained unless a valid order of commitment is in effect. No order of 38 commitment can exceed one hundred eighty days in length except as 39 provided in subsection (7) of this section. 1 Sec. 40. RCW 71.05.320 and 2018 c 201 s 3013 are each amended to 2 read as follows:

3 (1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person 4 or others will not be served by a less restrictive treatment which is 5 6 an alternative to detention, the court shall remand him or her to the 7 custody of the department of social and health services or to a facility certified for ninety day treatment by the department for a 8 further period of intensive treatment not to exceed ninety days from 9 the date of judgment. 10

11 If the ((order for inpatient treatment is based on a substance 12 use disorder, treatment must take place at an approved substance use 13 disorder treatment program. If the)) grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of 14 treatment may be up to but not exceed one hundred eighty days from 15 16 the date of judgment to the custody of the department of social and 17 health services or to a facility certified for one hundred eighty-day treatment by the department or under RCW 71.05.745. 18

(2) If the court or jury finds that grounds set forth in RCW 19 71.05.280 have been proven, but finds that treatment less restrictive 20 21 than detention will be in the best interest of the person or others, 22 then the court shall remand him or her to the custody of the department of social and health services or to a facility certified 23 for ninety day treatment by the department or to a less restrictive 24 25 alternative for a further period of less restrictive treatment not to 26 exceed ninety days from the date of judgment. ((If the order for less restrictive treatment is based on a substance use disorder, treatment 27 28 must be provided by an approved substance use disorder treatment 29 program.)) If the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not 30 31 exceed one hundred eighty days from the date of judgment. If the 32 court or jury finds that the grounds set forth in RCW 71.05.280(5) have been proven, and provide the only basis for commitment, the 33 court must enter an order for less restrictive alternative treatment 34 for up to ninety days from the date of judgment and may not order 35 36 inpatient treatment.

37 (3) An order for less restrictive alternative treatment entered 38 under subsection (2) of this section must name the ((mental)) 39 <u>behavioral</u> health service provider responsible for identifying the 40 services the person will receive in accordance with RCW 71.05.585,

1 and must include a requirement that the person cooperate with the 2 services planned by the ((mental)) <u>behavioral</u> health service 3 provider.

4 (4) The person shall be released from involuntary treatment at 5 the expiration of the period of commitment imposed under subsection 6 (1) or (2) of this section unless the superintendent or professional 7 person in charge of the facility in which he or she is confined, or 8 in the event of a less restrictive alternative, the designated crisis 9 responder, files a new petition for involuntary treatment on the 10 grounds that the committed person:

11 (a) During the current period of court ordered treatment: (i) Has 12 threatened, attempted, or inflicted physical harm upon the person of 13 another, or substantial damage upon the property of another, and (ii) 14 as a result of a ((mental disorder, substance use)) behavioral health 15 disorder(( $_{\tau}$ )) or developmental disability presents a likelihood of 16 serious harm; or

17 (b) Was taken into custody as a result of conduct in which he or 18 she attempted or inflicted serious physical harm upon the person of 19 another, and continues to present, as a result of ((mental disorder, 20 substance use)) a behavioral health disorder(( $_{\tau}$ )) or developmental 21 disability, a likelihood of serious harm; or

(c) (i) Is in custody pursuant to RCW 71.05.280(3) and as a result of ((mental)) <u>a behavioral health</u> disorder or developmental disability continues to present a substantial likelihood of repeating acts similar to the charged criminal behavior, when considering the person's life history, progress in treatment, and the public safety.

27 (ii) In cases under this subsection where the court has made an 28 affirmative special finding under RCW 71.05.280(3)(b), the commitment shall continue for up to an additional one hundred eighty-day period 29 whenever the petition presents prima facie evidence that the person 30 31 continues to suffer from a ((mental)) behavioral health disorder or 32 developmental disability that results in a substantial likelihood of 33 committing acts similar to the charged criminal behavior, unless the person presents proof through an admissible expert opinion that the 34 person's condition has so changed such that the ((mental)) behavioral 35 health disorder or developmental disability no longer presents a 36 substantial likelihood of the person committing acts similar to the 37 charged criminal behavior. The initial or additional commitment 38 39 period may include transfer to a specialized program of intensive

1 support and treatment, which may be initiated prior to or after 2 discharge from the state hospital; or

3 (d) Continues to be gravely disabled; or

4 (e) Is in need of assisted outpatient ((mental)) <u>behavioral</u> 5 health treatment.

6 If the conduct required to be proven in (b) and (c) of this 7 subsection was found by a judge or jury in a prior trial under this 8 chapter, it shall not be necessary to prove such conduct again.

9 If less restrictive alternative treatment is sought, the petition 10 shall set forth any recommendations for less restrictive alternative 11 treatment services.

12 (5) A new petition for involuntary treatment filed under 13 subsection (4) of this section shall be filed and heard in the 14 superior court of the county of the facility which is filing the new 15 petition for involuntary treatment unless good cause is shown for a 16 change of venue. The cost of the proceedings shall be borne by the 17 state.

(6) (a) The hearing shall be held as provided in RCW 71.05.310, 18 and if the court or jury finds that the grounds for additional 19 confinement as set forth in this section are present, the court may 20 order the committed person returned for an additional period of 21 22 treatment not to exceed one hundred eighty days from the date of judgment, except as provided in subsection (7) of this section. If 23 the court's order is based solely on the grounds identified in 24 25 subsection (4)(e) of this section, the court may enter an order for less restrictive alternative treatment not to exceed one hundred 26 eighty days from the date of judgment, and may not enter an order for 27 28 inpatient treatment. An order for less restrictive alternative 29 treatment must name the ((mental)) behavioral health service provider responsible for identifying the services the person will receive in 30 31 accordance with RCW 71.05.585, and must include a requirement that 32 the person cooperate with the services planned by the ((mental)) 33 behavioral health service provider.

34 (b) At the end of the one hundred eighty-day period of 35 commitment, or one-year period of commitment if subsection (7) of 36 this section applies, the committed person shall be released unless a 37 petition for an additional one hundred eighty-day period of continued 38 treatment is filed and heard in the same manner as provided in this 39 section. The request must be made to or by the court with 9 jurisdiction over the order and specify the circumstances that give 10 11 rise to the request and what modification is being sought. The county 12 prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This 13 subsection does not limit the inherent authority of a treatment 14 provider to alter conditions of treatment for clinical reasons, and 15 16 is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and 17 prevent 18 decompensation or deterioration;

Temporary detention for evaluation under this 33 subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and 34 engagement, and may occur only when in the clinical judgment of a 35 designated crisis responder or the professional person in charge of 36 agency or facility designated to monitor less restrictive 37 an 38 alternative services temporary detention is appropriate. This 39 subsection does not limit the ability or obligation to pursue

1 revocation procedures under subsection (4) of this section in 2 appropriate circumstances; and

8 (3) The facility or agency designated to provide outpatient 9 treatment shall notify the secretary of the department of social and 10 health services or designated crisis responder when a person fails to 11 adhere to terms and conditions of court ordered treatment or 12 experiences substantial deterioration in his or her condition and, as 13 a result, presents an increased likelihood of serious harm.

(4) (a) Except as provided in subsection (6) of this section, a 14 15 designated crisis responder or the secretary of the department of 16 social and health services may upon their own motion or notification 17 by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be 18 19 apprehended and taken into custody and temporary detention in an evaluation and treatment facility ((in or near the county in which he 20 21 or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for 22 23 substance use disorder treatment, in a)), an available secure detoxification facility with adequate space, or an available approved 24 substance use disorder treatment program ((if either is available)) 25 26 with adequate space, in or near the county in which he or she is 27 receiving outpatient treatment ((and has adequate space)). 28 Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person. 29

(b) Except as provided in subsection (6) of this section, a 30 31 person detained under this subsection (4) must be held until such 32 time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the 33 hospital or facility from which he or she had been released. If the 34 person is not detained, the hearing must be scheduled within five 35 days of service on the person. The designated crisis responder or the 36 secretary of the department of social and health services may modify 37 or rescind the order at any time prior to commencement of the court 38 39 hearing.

Notice of the 10 11 filing must be provided to the court that originally ordered 12 commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's 13 14 detention.

15 (d) Except as provided in subsection (6) of this section, the 16 issues for the court to determine are whether: (i) The person adhered 17 to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there 18 19 is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further 20 21 inpatient treatment; or (iv) there is a likelihood of serious harm; 22 and, if any of the above conditions apply, whether the court should 23 reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for 24 25 inpatient treatment. The person may waive the court hearing and allow 26 the court to enter a stipulated order upon the agreement of all 27 parties. If the court orders detention for inpatient treatment, the 28 treatment period ((may be for no longer than the period)) must be for fourteen days from the revocation hearing if the outpatient order was 29 30 based on a petition under RCW 71.05.160 or 71.05.230. If the court 31 orders detention for inpatient treatment and the outpatient order was 32 based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining until the outpatient order must be converted to days 33 of inpatient treatment authorized in the original court order. A 34 court may not issue an order to detain a person for inpatient 35 treatment in a secure detoxification facility or approved substance 36 37 use disorder treatment program under this subsection unless there is a secure detoxification facility or approved substance use disorder 38 39 treatment program available and with adequate space for the person.

1 (5) In determining whether or not to take action under this 2 section the designated crisis responder, agency, or facility must 3 consider the factors specified under RCW 71.05.212 and the court must 4 consider the factors specified under RCW 71.05.245 as they apply to 5 the question of whether to enforce, modify, or revoke a court order 6 for involuntary treatment.

(6) (a) If the current commitment is solely based on the person 7 being in need of assisted outpatient behavioral health treatment as 8 defined in RCW 71.05.020, a designated crisis responder may initiate 9 inpatient detention procedures under RCW 71.05.150 or 71.05.153 when 10 11 appropriate. A designated crisis responder or the secretary may, upon 12 their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive 13 alternative treatment order under RCW 71.05.320 subsequent to an 14 order for assisted outpatient behavioral health treatment entered 15 16 under RCW 71.05.148, order the person to be apprehended and taken 17 into custody and temporary detention for inpatient evaluation in an 18 evaluation and treatment facility ((in or near the county in which he 19 or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for 20 21 substance use disorder treatment, in a)), secure detoxification 22 facility, or <u>in an</u> approved substance use disorder treatment program ((if either is available)), in or near the county in which he or she 23 is receiving outpatient treatment. Proceedings under this subsection 24 25 may be initiated without ordering the apprehension and detention of 26 the person.

(b) A person detained under this subsection may be held for evaluation for up to ((seventy-two hours)) five days, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within ((seventy-two hours)) five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

34 (c) The issues for the court to determine are whether to continue 35 the detention of the person for inpatient treatment or whether the 36 court should reinstate or modify the person's less restrictive 37 alternative order or order the person's detention for inpatient 38 treatment. To continue detention after the ((seventy-two hour)) <u>five-</u> 39 <u>day</u> period, the court must find that the person, as a result of a 40 ((mental disorder or substance use)) behavioral health disorder,

1 presents a likelihood of serious harm or is gravely disabled and, 2 after considering less restrictive alternatives to involuntary 3 detention and treatment, that no such alternatives are in the best 4 interest of the person or others.

5 (d) A court may not issue an order to detain a person for 6 inpatient treatment in a secure detoxification facility or approved 7 substance use disorder program under this subsection unless there is 8 a secure detoxification facility or approved substance use disorder 9 treatment program available and with adequate space for the person.

Sec. 50. RCW 71.05.590 and 2018 c 291 s 10 and 2018 c 201 s 3027
are each reenacted and amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

18 (a) The person is failing to adhere to the terms and conditions19 of the court order;

20 (b) Substantial deterioration in the person's functioning has 21 occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

25

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and
 responsibilities under the court order, and to offer appropriate
 incentives to motivate compliance;

35 (b) To increase the intensity of outpatient services provided to 36 the person by increasing the frequency of contacts with the provider, 37 referring the person for an assessment for assertive community 38 services, or by other means;

1 (c) To request a court hearing for review and modification of the court order. The request must be made to or by the court with 2 3 jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county 4 prosecutor shall assist the agency or facility in requesting this 5 6 hearing and issuing an appropriate summons to the person. This 7 subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and 8 is intended to be used only when court intervention is necessary or 9 10 advisable to secure the person's compliance and prevent 11 decompensation or deterioration;

12 (d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility 13 14 monitoring or providing services under the court order, or to a 15 triage facility, crisis stabilization unit, emergency department, 16 ((or to an)) evaluation and treatment facility ((if the person is committed for mental health treatment)), ((or to a)) 17 secure detoxification facility, or an approved substance use disorder 18 19 treatment program ((if the person is committed for substance use disorder treatment)). The person may be detained at the facility for 20 21 up to twelve hours for the purpose of an evaluation to determine 22 whether modification, revocation, or commitment proceedings are 23 necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention 24 25 for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable 26 attempts at outreach and engagement, and may occur only when in the 27 28 clinical judgment of a designated crisis responder or the 29 professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is 30 31 appropriate. This subsection does not limit the ability or obligation 32 to pursue revocation procedures under subsection (4) of this section 33 in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initial inpatient detention procedures under subsection (6) of this section.

39 (3) The facility or agency designated to provide outpatient 40 treatment shall notify the secretary of the department of social and

health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4) (a) Except as provided in subsection (6) of this section, a 5 6 designated crisis responder or the secretary of the department of social and health services may upon their own motion or notification 7 by the facility or agency designated to provide outpatient care order 8 a person subject to a court order under this chapter to be 9 apprehended and taken into custody and temporary detention in an 10 evaluation and treatment facility ((in or near the county in which he 11 12 or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for 13 substance use disorder treatment)), in a secure detoxification 14 15 facility, or <u>in an</u> approved substance use disorder treatment program 16 ((if either is available)), in or near the county in which he or she 17 is receiving outpatient treatment. Proceedings under this subsection 18 (4) may be initiated without ordering the apprehension and detention of the person. 19

(b) Except as provided in subsection (6) of this section, a 20 person detained under this subsection (4) must be held until such 21 22 time, not exceeding five days, as a hearing can be scheduled to 23 determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the 24 person is not detained, the hearing must be scheduled within five 25 days of service on the person. The designated crisis responder or the 26 secretary of the department of social and health services may modify 27 28 or rescind the order at any time prior to commencement of the court 29 hearing.

The designated crisis responder or secretary of the 30 (C) 31 department of social and health services shall file a revocation 32 petition and order of apprehension and detention with the court of 33 the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their 34 attorney, guardian, and conservator, if any. The person has the same 35 36 rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in 37 this section. There is no right to jury trial. The venue for 38 39 proceedings is the county where the petition is filed. Notice of the 40 filing must be provided to the court that originally ordered

HB 1814

1 commitment, if different from the court where the petition for 2 revocation is filed, within two judicial days of the person's 3 detention.

(d) Except as provided in subsection (6) of this section, the 4 issues for the court to determine are whether: (i) The person adhered 5 6 to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there 7 evidence of substantial decompensation with a reasonable 8 is probability that the decompensation can be reversed by further 9 inpatient treatment; or (iv) there is a likelihood of serious harm; 10 and, if any of the above conditions apply, whether the court should 11 reinstate or modify the person's less restrictive alternative or 12 conditional release order or order the person's detention for 13 inpatient treatment. The person may waive the court hearing and allow 14 15 the court to enter a stipulated order upon the agreement of all 16 parties. If the court orders detention for inpatient treatment, the 17 treatment period ((may be for no longer than the period)) must be for fourteen days from the revocation hearing if the outpatient order was 18 based on a petition under RCW 71.05.160 or 71.05.230. If the court 19 orders detention for inpatient treatment and the outpatient order was 20 based on a petition under RCW 71.05.290 or 71.05.320, the number of 21 days remaining until the outpatient order must be converted to days 22 of inpatient treatment authorized in the original court order. 23

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

30 (6) (a) If the current commitment is solely based on the person 31 being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate 32 inpatient detention procedures under RCW 71.05.150 or 71.05.153 when 33 appropriate. A designated crisis responder or the secretary may, upon 34 their own motion or notification by the facility or agency designated 35 to provide outpatient care to a person subject to a less restrictive 36 alternative treatment order under RCW 71.05.320 subsequent to an 37 order for assisted outpatient behavioral health treatment entered 38 39 under RCW 71.05.148, order the person to be apprehended and taken 40 into custody and temporary detention for inpatient evaluation in an

1 evaluation and treatment facility ((in or near the county in which he or she is receiving outpatient treatment if the person is committed 2 for mental health treatment, or, if the person is committed for 3 substance use disorder treatment)), in a secure detoxification 4 facility, or <u>in an</u> approved substance use disorder treatment program 5 6 ((if either is available)), in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection 7 may be initiated without ordering the apprehension and detention of 8 9 the person.

10 (b) A person detained under this subsection may be held for 11 evaluation for up to ((seventy-two hours)) five days, excluding 12 weekends and holidays, pending a court hearing. The designated crisis 13 responder or the secretary may modify or rescind the order at any 14 time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue 15 16 the detention of the person for inpatient treatment or whether the 17 court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient 18 19 treatment. To continue detention after the ((seventy-two hour)) fiveday period, the court must find that the person, as a result of a 20 21 ((mental disorder or substance use)) behavioral health disorder, presents a likelihood of serious harm or is gravely disabled and, 22 23 after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best 24 25 interest of the person or others.

26 (((d) A court may not issue an order to detain a person for 27 inpatient treatment in a secure detoxification facility or approved 28 substance use disorder program under this subsection unless there is 29 a secure detoxification facility or approved substance use disorder 30 treatment program available and with adequate space for the person.))

31 Sec. 51. RCW 71.05.720 and 2018 c 201 s 3029 are each amended to 32 read as follows:

Annually, all community mental health employees who work directly 33 with clients shall be provided with training on safety and violence 34 prevention topics described in RCW 49.19.030. The curriculum for the 35 training shall be developed collaboratively among the authority, the 36 <u>behavioral</u> health 37 department, contracted ((mental)) service providers, and employee organizations that represent community mental 38 39 health workers.

1 Sec. 52. RCW 71.05.740 and 2018 c 201 s 3031 are each amended to 2 read as follows:

3 All behavioral health organizations in the state of Washington must forward historical ((mental)) behavioral health involuntary 4 commitment information retained by the organization including 5 6 identifying information and dates of commitment to the authority. As 7 soon as feasible, the behavioral health organizations must arrange to report new commitment data to the authority within twenty-four hours. 8 Commitment information under this section does not need to be resent 9 if it is already in the possession of the authority. Behavioral 10 11 health organizations and the authority shall be immune from liability 12 related to the sharing of commitment information under this section.

13 Sec. 53. RCW 71.05.745 and 2018 c 201 s 3032 are each amended to 14 read as follows:

15 (1) The authority may use a single bed certification process as 16 outlined in rule to provide additional treatment capacity for a 17 person suffering from a ((mental)) <u>behavioral health</u> disorder for 18 whom an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program bed is 19 not available. The facility that is the proposed site of the single 20 bed certification must be a facility that is willing and able to 21 22 provide the person with timely and appropriate treatment either directly or by arrangement with other public or private agencies. 23

(2) A single bed certification must be specific to the patientreceiving treatment.

26 (3) A designated crisis responder who submits an application for 27 a single bed certification for treatment at a facility that is 28 willing and able to provide timely and appropriate ((mental)) behavioral health treatment in good faith belief that the single bed 29 30 certification is appropriate may presume that the single bed 31 certification will be approved for the purpose of completing the detention process and responding to other emergency calls. 32

33 (4) The authority may adopt rules implementing this section and 34 continue to enforce rules it has already adopted except where 35 inconsistent with this section.

36 Sec. 54. RCW 71.05.750 and 2018 c 201 s 3033 are each amended to 37 read as follows:

1 (1) A designated crisis responder shall make a report to the authority when he or she determines a person meets detention criteria 2 under RCW 71.05.150, 71.05.153, 71.34.700, or 71.34.710 and there are 3 not any beds available at an evaluation and treatment facility, the 4 person has not been provisionally accepted for admission by a 5 6 facility, and the person cannot be served on a single bed 7 certification or less restrictive alternative. Starting at the time when the designated crisis responder determines a person meets 8 detention criteria and the investigation has been completed, the 9 designated crisis responder has twenty-four hours to 10 submit a completed report to the authority. 11

12 (2) The report required under subsection (1) of this section must 13 contain at a minimum:

14 (a) The date and time that the investigation was completed;

15 (b) The identity of the responsible behavioral health 16 organization;

17

18

(c) The county in which the person met detention criteria;

(d) A list of facilities which refused to admit the person; and

(e) Identifying information for the person, including age or dateof birth.

(3) The authority shall develop a standardized reporting form or modify the current form used for single bed certifications for the report required under subsection (2) of this section and may require additional reporting elements as it determines are necessary or supportive. The authority shall also determine the method for the transmission of the completed report from the designated crisis responder to the authority.

(4) The authority shall create quarterly reports displayed on its web site that summarize the information reported under subsection (2) of this section. At a minimum, the reports must display data by county and by month. The reports must also include the number of single bed certifications granted by category. The categories must include all of the reasons that the authority recognizes for issuing a single bed certification, as identified in rule.

35 (5) The reports provided according to this section may not 36 display "protected health information" as that term is used in the 37 federal health insurance portability and accountability act of 1996, 38 nor information contained in "mental health treatment records" <u>or</u> 39 <u>"behavioral health treatment records"</u> as ((that term is)) these terms <u>are</u> used in chapter 70.02 RCW or elsewhere in state law, and must
 otherwise be compliant with state and federal privacy laws.

3 (6) For purposes of this section, the term "single bed 4 certification" means a situation in which an adult on a ((seventy-two 5 hour)) five-day detention, fourteen-day commitment, ninety-day 6 commitment, or one hundred eighty-day commitment is detained to a 7 facility that is:

8 (a) Not licensed or certified as an inpatient evaluation and 9 treatment facility; or

10 (b) A licensed or certified inpatient evaluation and treatment 11 facility that is already at capacity.

12 Sec. 55. RCW 71.05.760 and 2018 c 201 s 3035 are each amended to 13 read as follows:

(1) (a) By April 1, 2018, the authority, by rule, must combine the 14 15 functions of a designated mental health professional and designated chemical dependency specialist by establishing a designated crisis 16 responder who is authorized to conduct investigations, detain persons 17 up to ((seventy-two hours)) five days to the proper facility, and 18 carry out the other functions identified in this chapter and chapter 19 71.34 RCW. The behavioral health organizations shall provide training 20 to the designated crisis responders as required by the authority. 21

(b) (i) To qualify as a designated crisis responder, a person must have received chemical dependency training as determined by the department and be a:

(A) Psychiatrist, psychologist, physician assistant working with
 a supervising psychiatrist, psychiatric advanced registered nurse
 practitioner, or social worker;

(B) Person who is licensed by the department as a mental health
 counselor or mental health counselor associate, or marriage and
 family therapist or marriage and family therapist associate;

31 (C) Person with a master's degree or further advanced degree in 32 counseling or one of the social sciences from an accredited college 33 or university and who have, in addition, at least two years of 34 experience in direct treatment of persons with mental illness or 35 emotional disturbance, such experience gained under the direction of 36 a mental health professional;

(D) Person who meets the waiver criteria of RCW 71.24.260, whichwaiver was granted before 1986;

1 (E) Person who had an approved waiver to perform the duties of a 2 mental health professional that was requested by the regional support 3 network and granted by the department of social and health services 4 before July 1, 2001; or

5 (F) Person who has been granted an exception of the minimum 6 requirements of a mental health professional by the department 7 consistent with rules adopted by the secretary.

8 (ii) Training must include chemical dependency training specific 9 to the duties of a designated crisis responder, including diagnosis 10 of substance abuse and dependence and assessment of risk associated 11 with substance use.

12 (c) The authority must develop a transition process for any person who has been designated as a designated mental health 13 professional or a designated chemical dependency specialist before 14 April 1, 2018, to be converted to a designated crisis responder. The 15 16 behavioral health organizations shall provide training, as required 17 by the authority, to persons converting to designated crisis 18 responders, which must include both mental health and chemical 19 dependency training applicable to the designated crisis responder role. 20

(2) (a) The authority must ensure that at least one sixteen-bed secure detoxification facility is operational by April 1, 2018, and that at least two sixteen-bed secure detoxification facilities are operational by April 1, 2019.

(b) If, at any time during the implementation of secure detoxification facility capacity, federal funding becomes unavailable for federal match for services provided in secure detoxification facilities, then the authority must cease any expansion of secure detoxification facilities until further direction is provided by the legislature.

31 Sec. 56. RCW 71.34.010 and 2018 c 201 s 5001 are each amended to 32 read as follows:

33 <u>(1)</u> It is the purpose of this chapter to assure that minors in 34 need of ((mental)) <u>behavioral</u> health care and treatment receive an 35 appropriate continuum of culturally relevant care and treatment, 36 including prevention and early intervention, self-directed care, 37 parent-directed care, and involuntary treatment. To facilitate the 38 continuum of care and treatment to minors in out-of-home placements, 39 all divisions of the authority and the department that provide

p. 77

HB 1814

1 ((mental)) behavioral health services to minors shall jointly plan
2 and deliver those services.

(2) It is also the purpose of this chapter to protect the rights 3 of minors against needless hospitalization and deprivations 4 of liberty and to enable treatment decisions to be made in response to 5 6 clinical needs in accordance with sound professional judgment. The ((mental)) behavioral health care and treatment providers shall 7 encourage the use of voluntary services and, whenever clinically 8 appropriate, the providers shall offer less restrictive alternatives 9 10 to inpatient treatment. Additionally, all ((mental)) behavioral health care and treatment providers shall assure that minors' parents 11 12 are given an opportunity to participate in the treatment decisions for their minor children. The ((mental)) behavioral health care and 13 treatment providers shall, to the extent possible, offer services 14 15 that involve minors' parents or family.

16 <u>(3) (a) It is the intent of the legislature to enhance continuity</u> 17 of care for minors with serious behavioral health disorders that can 18 be controlled or stabilized in a less restrictive alternative 19 commitment. Within the guidelines stated in *In re Labelle*, 107 Wn.2d 20 <u>196 (1986), the legislature intends to encourage appropriate</u> 21 <u>interventions at a point when there is the best opportunity to</u> 22 <u>restore the minor to or maintain satisfactory functioning.</u>

23 (b) For minors with a prior history or pattern of repeated 24 hospitalizations or law enforcement interventions due to 25 decompensation, the consideration of prior behavioral health history 26 is particularly relevant in determining whether the minor would 27 receive, if released, such care as is essential for his or her health 28 or safety.

29 (c) Therefore, the legislature finds that for minors who are 30 currently under a commitment order, a prior history of decompensation 31 leading to repeated hospitalizations or law enforcement interventions 32 should be given great weight in determining whether a new less 33 restrictive alternative commitment should be ordered.

34 <u>(4) It is also the purpose of this chapter to protect the health</u> 35 and safety of minors suffering from behavioral health disorders and 36 to protect public safety through use of the parens patriae and police 37 powers of the state. Accordingly, when construing the requirements of 38 this chapter the court must focus on the merits of the petition, 39 except where requirements have been totally disregarded, as provided 40 in *In re C.W.*, 147 Wn.2d 259, 281 (2002). A presumption in favor of 1 deciding petitions on their merits furthers both public and private interests because the mental and physical well-being of minors as 2 well as public safety may be implicated by the decision to release a 3 minor and discontinue his or her treatment. 4

(5) It is also the purpose of this chapter to assure the ability 5 6 of parents to exercise reasonable, compassionate care and control of their minor children when there is a medical necessity for treatment 7 and without the requirement of filing a petition under this chapter. 8

9 Sec. 57. RCW 71.34.020 and 2018 c 201 s 5002 are each amended to 10 read as follows:

11 Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter. 12

23 24

(4) "((Chemical dependency)) Substance use disorder" means:

(13) "Evaluation and treatment facility" means a public or 22 23 private facility or unit that is licensed or certified by the department of health to provide emergency, inpatient, residential, or 24 25 outpatient mental health evaluation and treatment services for 26 minors. A physically separate and separately-operated portion of a state hospital may be designated as an evaluation and treatment 27 28 facility for minors. A facility which is part of or operated by the 29 state or federal agency does not require licensure or certification. No correctional institution or facility, juvenile court detention 30 31 facility, or jail may be an evaluation and treatment facility within 32 the meaning of this chapter.

33 (14) "Evaluation and treatment program" means the total system of 34 services and facilities coordinated and approved by a county or 35 combination of counties for the evaluation and treatment of minors 36 under this chapter.

(15) "Gravely disabled minor" means a minor who, as a result of a ((mental)) <u>behavioral health</u> disorder((, or as a result of the use of alcohol or other psychoactive chemicals)), (a) is in danger of serious physical harm resulting from a failure to provide for his or

her essential human needs of health or safety, or <u>(b)</u> manifests severe deterioration ((in routine functioning)) from safe behavior evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

(c) To question persons testifying in support of the petition.

(7) If the hearing is for commitment for mental health treatment, the court at the time of the commitment hearing and before an order of commitment is entered shall inform the minor both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.34.730 will result in the loss of his or her firearm rights if the minor is subsequently detained for involuntary treatment under this section.

36 (8) If the minor has received medication within twenty-four hours 37 of the hearing, the court shall be informed of that fact and of the 38 probable effects of the medication. 1 (9) ((Rules of evidence shall not apply in fourteen-day 2 commitment hearings.

3 (10)) For a fourteen-day commitment, the court must find by a
4 preponderance of the evidence that:

5 (a) The minor has a ((mental disorder or substance use)) 6 <u>behavioral health</u> disorder and presents a likelihood of serious harm 7 or is gravely disabled;

8 (b) The minor is in need of evaluation and treatment of the type 9 provided by the inpatient evaluation and treatment facility, secure 10 detoxification facility, or approved substance use disorder treatment 11 program to which continued inpatient care is sought or is in need of 12 less restrictive alternative treatment found to be in the best 13 interests of the minor <u>or others</u>; and

14 (c) The minor is unwilling or unable in good faith to consent to 15 voluntary treatment.

16 ((<del>(11)</del>)) <u>(10)</u> If the court finds that the minor meets the 17 criteria for a fourteen-day commitment, the court shall either 18 authorize commitment of the minor for inpatient treatment or for less 19 restrictive alternative treatment upon such conditions as are 20 necessary. If the court determines that the minor does not meet the 21 criteria for a fourteen-day commitment, the minor shall be released.

(((12))) (11)(a) Nothing in this section prohibits the professional person in charge of the facility from releasing the minor at any time, when, in the opinion of the professional person in charge of the facility, further inpatient treatment is no longer necessary. The release may be subject to reasonable conditions if appropriate.

28 <u>(b)</u> Whenever a minor is released under this section, the 29 professional person in charge shall within three days, notify the 30 court in writing of the release.

31 (((13))) (12) A minor who has been committed for fourteen days 32 shall be released at the end of that period unless a petition for one 33 hundred eighty-day commitment is pending before the court.

34 Sec. 81. RCW 71.34.750 and 2016 sp.s. c 29 s 276 and 2016 c 155 35 s 21 are each reenacted and amended to read as follows:

36 (1) At any time during the minor's period of fourteen-day 37 commitment, the professional person in charge may petition the court 38 for an order requiring the minor to undergo an additional one hundred 39 eighty-day period of treatment. The evidence in support of the

1 petition shall be presented by the county prosecutor unless the 2 petition is filed by the professional person in charge of a state-3 operated facility in which case the evidence shall be presented by 4 the attorney general.

5 (2) The petition for one hundred eighty-day commitment shall 6 contain the following:

7

(a) The name and address of the petitioner or petitioners;

8 (b) The name of the minor alleged to meet the criteria for one 9 hundred eighty-day commitment;

10 (c) A statement that the petitioner is the professional person in 11 charge of the evaluation and treatment facility, secure 12 detoxification facility, or approved substance use disorder treatment 13 program responsible for the treatment of the minor;

14 (d) The date of the fourteen-day commitment order; and

15

(e) A summary of the facts supporting the petition.

16 (3) The petition shall be supported by accompanying affidavits 17 signed by: (a) Two examining physicians, one of whom shall be a child 18 psychiatrist, or two psychiatric advanced registered nurse practitioners, one of whom shall be a child and adolescent or family 19 psychiatric advanced registered nurse practitioner, or two physician 20 21 assistants, one of whom must be supervised by a child psychiatrist; 22 (b) one children's mental health specialist and either an examining physician, physician assistant, or a psychiatric advanced registered 23 nurse practitioner; or (c) two among an examining physician, 24 25 physician assistant, and a psychiatric advanced registered nurse practitioner, one of which needs to be a child psychiatrist  $((\frac{1}{1}))_L$  a 26 physician assistant supervised by a child psychiatrist, or a child 27 28 and adolescent psychiatric nurse practitioner. The affidavits shall describe in detail the behavior of the detained minor which supports 29 the petition and shall state whether a less restrictive alternative 30 31 to inpatient treatment is in the best interests of the minor.

32 (4) The petition for one hundred eighty-day commitment shall be filed with the clerk of the court at least three days before the 33 expiration of the fourteen-day commitment period. The petitioner or 34 the petitioner's designee shall within twenty-four hours of filing 35 serve a copy of the petition on the minor and notify the minor's 36 attorney and the minor's parent. A copy of the petition shall be 37 provided to such persons at least twenty-four hours prior to the 38 39 hearing.

1 (5) At the time of filing, the court shall set a date within 2 seven days for the hearing on the petition. ((The court may continue 3 the hearing upon the written request of the minor or the minor's attorney for not more than ten days.)) If the hearing is not 4 commenced within thirty days after the filing of the petition, 5 6 including extensions of time requested by the detained person or his 7 or her attorney or the court in the administration of justice under section 78 of this act, the minor must be released. The minor or the 8 parents shall be afforded the same rights as in a fourteen-day 9 commitment hearing. Treatment of the minor shall continue pending the 10 11 proceeding.

12 (6) For one hundred eighty-day commitment:

13 (a) The court must find by clear, cogent, and convincing evidence 14 that the minor:

15 (i) Is suffering from a mental disorder or substance use 16 disorder;

17 (ii) Presents a likelihood of serious harm or is gravely 18 disabled; and

19 (iii) Is in need of further treatment that only can be provided 20 in a one hundred eighty-day commitment.

21 (b) If commitment is for a substance use disorder, the court must 22 find that there is an available approved substance use disorder 23 treatment program that has adequate space for the minor.

(7) In determining whether an inpatient or less restrictive 24 25 alternative commitment is appropriate, great weight must be given to evidence of a prior history or pattern of decompensation and 26 27 discontinuation of treatment resulting in: (a) Repeated 28 hospitalizations; or (b) repeated peace officer interventions resulting in juvenile charges. Such evidence may be used to provide a 29 30 factual basis for concluding that the minor would not receive, if 31 released, such care as is essential for his or her health or safety.

32 (8) (a) If the court finds that the criteria for commitment are 33 met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed 34 to the custody of the secretary for further inpatient mental health 35 36 treatment, to an approved substance use disorder treatment program for further substance use disorder treatment, or to a private 37 treatment and evaluation facility for inpatient mental health or 38 39 substance use disorder treatment if the minor's parents have assumed 40 responsibility for payment for the treatment. If the court finds that

a less restrictive alternative is in the best interest of the minor,
 the court shall order less restrictive alternative treatment upon
 such conditions as necessary.

4 <u>(b)</u> If the court determines that the minor does not meet the 5 criteria for one hundred eighty-day commitment, the minor shall be 6 released.

7 ((<del>(8)</del>)) <u>(9)</u> Successive one hundred eighty-day commitments are 8 permissible on the same grounds and under the same procedures as the 9 original one hundred eighty-day commitment. Such petitions shall be 10 filed at least ((<del>five</del>)) <u>three</u> days prior to the expiration of the 11 previous one hundred eighty-day commitment order.

12 Sec. 82. RCW 71.34.750 and 2016 sp.s. c 29 s 277 are each 13 amended to read as follows:

(1) At any time during the minor's period of fourteen-day 14 15 commitment, the professional person in charge may petition the court for an order requiring the minor to undergo an additional one hundred 16 17 eighty-day period of treatment. (2) The petition for one hundred eighty-day commitment shallcontain the following:

24

The affidavits shall describe in detail the behavior of the detained minor which supports 7 the petition and shall state whether a less restrictive alternative 8 to inpatient treatment is in the best interests of the minor. 9

(4) The petition for one hundred eighty-day commitment shall be 10 11 filed with the clerk of the court at least three days before the 12 expiration of the fourteen-day commitment period. The petitioner or the petitioner's designee shall within twenty-four hours of filing 13 serve a copy of the petition on the minor and notify the minor's 14 attorney and the minor's parent. A copy of the petition shall be 15 16 provided to such persons at least twenty-four hours prior to the 17 hearing.

(5) At the time of filing, the court shall set a date within 18 19 seven days for the hearing on the petition. ((The court may continue 20 the hearing upon the written request of the minor or the minor's 21 attorney for not more than ten days.)) If the hearing is not commenced within thirty days after the filing of the petition, 22 23 including extensions of time requested by the detained person or his or her attorney or the court in the administration of justice under 24 25 section 78 of this act, the minor must be released. The minor or the 26 parents shall be afforded the same rights as in a fourteen-day commitment hearing. Treatment of the minor shall continue pending the 27 28 proceeding.

(6) For one hundred eighty-day commitment, the court must find byclear, cogent, and convincing evidence that the minor:

33 (b) Presents a likelihood of serious harm or is gravely disabled; 34 and

35 (c) Is in need of further treatment that only can be provided in 36 a one hundred eighty-day commitment.

37 (7) <u>In determining whether an inpatient or less restrictive</u> 38 <u>alternative commitment is appropriate, great weight must be given to</u> 39 <u>evidence of a prior history or pattern of decompensation and</u> 40 discontinuation of treatment resulting in: (a) Repeated

hospitalizations; or (b) repeated peace officer interventions resulting in juvenile charges. Such evidence may be used to provide a factual basis for concluding that the minor would not receive, if released, such care as is essential for his or her health or safety.

(8) (a) If the court finds that the criteria for commitment are 5 6 met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed 7 to the custody of the secretary for further inpatient mental health 8 treatment, to an approved substance use disorder treatment program 9 for further substance use disorder treatment, or to a private 10 11 treatment and evaluation facility for inpatient mental health or 12 substance use disorder treatment if the minor's parents have assumed responsibility for payment for the treatment. If the court finds that 13 a less restrictive alternative is in the best interest of the minor, 14 the court shall order less restrictive alternative treatment upon 15 16 such conditions as necessary.

(4) Less restrictive alternative treatment must be administered by a provider that is certified or licensed to provide or coordinate the full scope of services required under the less restrictive alternative order and that has agreed to assume this responsibility.

(5) The care coordinator assigned to a minor ordered to less restrictive alternative treatment must submit an individualized plan for the minor's treatment services to the court that entered the order. An initial plan must be submitted as soon as possible following the intake evaluation and a revised plan must be submitted upon any subsequent modification in which a type of service is removed from or added to the treatment plan.

(6) For the purpose of this section, "care coordinator" means a clinical practitioner who coordinates the activities of less restrictive alternative treatment. The care coordinator coordinates activities with the designated crisis responders that are necessary for enforcement and continuation of less restrictive alternative treatment orders and is responsible for coordinating service activities with other agencies and establishing and maintaining a
 therapeutic relationship with the individual on a continuing basis.

3 Sec. 84. RCW 71.34.780 and 2018 c 201 s 5020 are each amended to 4 read as follows:

5 (1) If the professional person in charge of an outpatient treatment program, a designated crisis responder, or the director or 6 secretary, as appropriate, determines that a minor is failing to 7 adhere to the conditions of the court order for less restrictive 8 alternative treatment or the conditions for the conditional release, 9 or that substantial deterioration in the minor's functioning has 10 11 occurred, the designated crisis responder, or the director or secretary, as appropriate, may order that the minor((, if committed 12 13 for mental health treatment<sub>r</sub>)) be taken into custody and transported to an inpatient evaluation and treatment facility ((or, if committed 14 15 for substance use disorder treatment, be taken into custody and 16 transported to)), a secure detoxification facility, or an approved substance use disorder treatment program ((if there is an 17 available)). The designated crisis responder or the director or 28 secretary, as appropriate, may modify or rescind the order of apprehension and detention at any time prior to the hearing. 29

30 (3) A petition for revocation of less restrictive alternative 31 treatment shall be filed by the designated crisis responder or the director ((<del>or</del>)), secretary, <u>or treatment facility</u>, as appropriate, 32 with the court in the county ((ordering the less restrictive 33 alternative treatment)) where the minor is detained. The court shall 34 conduct the hearing in that county. A petition for revocation of 35 conditional release ((may be filed with the court in the county 36 37 ordering inpatient treatment or the county where the minor on 38 conditional release is residing)) must be filed in the county where the minor is detained. A petition shall describe the behavior of the 39

minor indicating violation of the conditions or deterioration of 1 routine functioning and a dispositional recommendation. ((Upon motion 2 for good cause, the hearing may be transferred to the county of the 3 minor's residence or to the county in which the alleged violations 4 occurred.)) The hearing shall be held within seven days of the 5 6 minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive 7 alternative treatment or conditional release, or whether the minor's 8 routine functioning has substantially deteriorated, and, if so, 9 10 whether the conditions of less restrictive alternative treatment or conditional release should be modified or, subject to subsection (4) 11 12 of this section, whether the minor should be returned to inpatient treatment. Pursuant to the determination of the court, the minor 13 shall be returned to less restrictive alternative treatment 14 or 15 conditional release on the same or modified conditions or shall be returned to inpatient treatment. If the minor is returned to 16 17 inpatient treatment, RCW 71.34.760 regarding the director's placement 18 responsibility shall apply. The hearing may be waived by the minor 19 and the minor returned to inpatient treatment or to less restrictive alternative treatment or conditional release on the same or modified 20 21 conditions.

(4) A court may not order the return of a minor to inpatient treatment in a secure detoxification facility or approved substance use disorder treatment program unless there is a secure detoxification facility or approved substance use disorder treatment program available with adequate space for the minor.

27 Sec. 85. RCW 71.34.780 and 2018 c 201 s 5021 are each amended to 28 read as follows:

29 If the professional person in charge of an outpatient (1)30 treatment program, a designated crisis responder, or the director or 31 secretary, as appropriate, determines that a minor is failing to adhere to the conditions of the court order for less restrictive 32 alternative treatment or the conditions for the conditional release, 33 or that substantial deterioration in the minor's functioning has 34 occurred, the designated crisis responder, or the director or 35 secretary, as appropriate, may order that the minor((, if committed 36 for mental health treatment<sub>r</sub>)) be taken into custody and transported 37 38 to an inpatient evaluation and treatment facility ((or, if committed 39 for substance use disorder treatment, be taken into custody and

At the time of service the minor shall be informed of the right to a hearing and to representation by 8 an attorney. The designated crisis responder or the director or 9 secretary, as appropriate, may modify or rescind the order 10 of 11 apprehension and detention at any time prior to the hearing.

12 (3) A petition for revocation of less restrictive alternative treatment shall be filed by the designated crisis responder or the 13 14 director ((<del>or</del>)), secretary, <u>or treatment facility</u>, as appropriate, with the court in the county ((ordering the less restrictive 15 alternative treatment)) where the minor is detained. The court shall 16 17 conduct the hearing in that county. A petition for revocation of 18 conditional release ((may be filed with the court in the county ordering inpatient treatment or the county where the minor on 19 conditional release is residing)) must be filed in the county where 20 21 the minor is detained. A petition shall describe the behavior of the 22 minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. ((Upon motion 23 for good cause, the hearing may be transferred to the county of the 24 25 minor's residence or to the county in which the alleged violations 26 occurred.)) The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did 27 28 or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's 29 routine functioning has substantially deteriorated, and, 30 if so, 31 whether the conditions of less restrictive alternative treatment or 32 conditional release should be modified or whether the minor should be returned to inpatient treatment. Pursuant to the determination of the 33 court, the minor shall be returned to less restrictive alternative 34 treatment or conditional release on the same or modified conditions 35 or shall be returned to inpatient treatment. If the minor is returned 36 inpatient treatment, RCW 71.34.760 regarding the director's 37 to placement responsibility shall apply. The hearing may be waived by 38 39 the minor and the minor returned to inpatient treatment or to less 1 restrictive alternative treatment or conditional release on the same 2 or modified conditions.

3 Sec. 86. RCW 2.30.010 and 2015 c 291 s 1 are each amended to 4 read as follows:

5 (1) The legislature finds that judges in the trial courts throughout the state effectively utilize what are known 6 as therapeutic courts to remove a defendant's or respondent's case from 7 the criminal and civil court traditional trial track and allow those 8 9 defendants or respondents the opportunity to obtain treatment 10 services to address particular issues that may have contributed to 11 the conduct that led to their arrest or other issues before the court. Trial courts have proved adept at creative approaches in 12 fashioning a wide variety of therapeutic courts addressing the 13 spectrum of social issues that can contribute to criminal activity 14 15 and engagement with the child welfare system.

16 (2) The legislature further finds that by focusing on the specific individual's needs, providing treatment for the issues 17 18 presented, and ensuring rapid and appropriate accountability for program violations, therapeutic courts may decrease recidivism, 19 20 improve the safety of the community, and improve the life of the program participant and the lives of the participant's family members 21 22 by decreasing the severity and frequency of the specific behavior addressed by the therapeutic court. 23

24 (3) The legislature recognizes the inherent authority of the judiciary under Article IV, section 1 of the state Constitution to 25 establish therapeutic courts, and the outstanding contribution to the 26 27 state and local communities made by the establishment of therapeutic 28 courts and desires to provide a general provision in statute acknowledging and encouraging the judiciary to provide for 29 30 therapeutic court programs to address the particular needs within a 31 given judicial jurisdiction.

32 (4) Therapeutic court programs may include, but are not limited33 to:

34 (a) Adult drug court;

35 (b) Juvenile drug court;

36 (c) Family dependency treatment court or family drug court;

37 (d) Mental health court, which may include participants with 38 developmental disabilities;

39 (e) DUI court;

1	(f) Veterans treatment court;
2	(g) Truancy court;
3	(h) Domestic violence court;
4	(i) Gambling court;
5	(j) Community court;
6	(k) Homeless court;
7	(l) Treatment, responsibility, and accountability on campus (Back
8	on TRAC) court <u>; and</u>
9	(m) Involuntary treatment court.
10	NEW SECTION. Sec. 87. A new section is added to chapter 71.34
11	RCW to read as follows:
12	(1) The files and records of court proceedings under this chapter
13	and chapter 71.05 RCW shall be closed but shall be accessible to:

15	(b) The department of health;
16	(c) The authority;
17	(d) The state hospitals as defined in RCW 72.23.010;
18	(e) Any person who is the subject of a petition;
19	(f) The attorney or guardian of the person;
20	(g) Resource management services for that person; and
21	(h) Service providers authorized to receive such information by
22	resource management services.
23	(2) The authority shall adopt rules to implement this section.
24	NEW SECTION. Sec. 88. A new section is added to chapter 71.34
25	RCW to read as follows:
26	For purposes of this chapter, at any hearing the petitioner, the
27	respondent, the witnesses, the interpreters, and the presiding
28	judicial officer may be present and participate either in person or
29	by video, as determined by the court. The term "video" as used in
30	this section includes any functional equivalent. At any hearing
31	conducted by video, the technology used must permit the judicial
32	officer, counsel, all parties, and the witnesses to be able to see,

34	attorneys to use exhibits or other materials during the hearing; and
35	to allow the respondent's counsel to be in the same location as the

1 requirements of superior court civil rule 43. Notwithstanding the foregoing, the court, upon its own motion or upon a motion for good 2 3 cause by any party, may require all parties and witnesses to participate in the hearing in person rather than by video. In ruling 4 on any such motion, the court may allow in-person or video testimony; 5 6 and the court may consider, among other things, whether the respondent's alleged behavioral health disorder affects 7 the respondent's ability to perceive or participate in the proceeding by 8 9 video.

At any hearing 17 conducted by video, the technology used must permit the judicial officer, counsel, all parties, and the witnesses to be able to see, 18 hear, and speak, when authorized, during the hearing; to allow 19 attorneys to use exhibits or other materials during the hearing; and 20 21 to allow the respondent's counsel to be in the same location as the respondent unless otherwise requested by the respondent or the 22 respondent's counsel. Witnesses in a proceeding may also appear in 23 24 court through other means, including telephonically, pursuant to the requirements of superior court civil rule 43. Notwithstanding the 25 foregoing, the court, upon its own motion or upon a motion for good 26 cause by any party, may require all parties and witnesses to 27 participate in the hearing in person rather than by video. In ruling 28 on any such motion, the court may allow in-person or video testimony; 29 30 and the court may consider, among other things, whether the 31 respondent's alleged behavioral health disorder affects the respondent's ability to perceive or participate in the proceeding by 32 video. 33

34 <u>NEW SECTION.</u> Sec. 90. A new section is added to chapter 71.34 35 RCW to read as follows:

1 of a facility maintained and operated by the department shall be responsible for the cost of such care and treatment. In the event 2 that an individual is unable to pay for such treatment or in the 3 event payment would result in a substantial hardship upon the 4 individual or his or her family, then the county of residence of such 5 6 person shall be responsible for such costs. If it is not possible to 7 determine the county of residence of the person, the cost shall be borne by the county where the person was originally detained. The 8 department, or the authority, as appropriate, shall, pursuant to 9 chapter 34.05 RCW, adopt standards as to (1) inability to pay in 10 11 whole or in part, (2) a definition of substantial hardship, and (3) 12 appropriate payment schedules. Financial responsibility with respect to services and facilities of the department shall continue to be as 13 14 provided in RCW 43.20B.320 through 43.20B.360 and 43.20B.370.
