1 AN ACT Relating to supporting young adults following inpatient  
2 behavioral health treatment; adding a new section to chapter 74.09  
3 RCW; and creating new sections.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The legislature has committed to and  
6 invested in ensuring that young people exiting the system of care do  
7 so with safe housing and developmentally responsive services through  
8 the enactment of Substitute Senate Bill No. 6560 (2018) and Second  
9 Substitute House Bill No. 1905 (2022).

10 (2) The legislature finds that young people who exit behavioral  
11 health inpatient treatment are the largest group of people who become  
12 homeless within three to 12 months of all the young people who exit  
13 any publicly funded system of care, as identified in a 2023 report  
14 produced by the research and data analysis division of the department  
15 of social and health services.

16 (3) The legislature has invested significant funding in the  
17 behavioral health system and finds that ensuring a person's safe  
18 return to the community postinpatient treatment is a high priority  
19 and a major opportunity to end their experience with homelessness. In  
20 addition, the legislature finds that a young person who enters  
21 treatment demonstrates the courage to engage in their personal health

1 and creates the opportunity for family and community reunification,  
2 career development, and a full life.

3 (4) The legislature further finds that it often takes more time  
4 and resources than expected during a person's inpatient treatment  
5 episode to identify a return to community plan that includes long-  
6 term, safe housing and a developmentally and culturally responsive  
7 support system that includes relationships, services, and passions.

8 (5) For these reasons, the legislature finds that having an  
9 interim housing option that provides a safe and soft landing  
10 postinpatient treatment, located on each side of the state, that has  
11 well-trained staff and peers who have behavioral health expertise, is  
12 a sound investment in our young people and our collective goals to  
13 prevent and end homelessness.

14 NEW SECTION. **Sec. 2.** A new section is added to chapter 74.09  
15 RCW to read as follows:

16 (1) Subject to the availability of amounts appropriated for this  
17 specific purpose, the postinpatient housing program for young adults  
18 is established to provide supportive transitional housing with  
19 behavioral health support focused on securing long-term housing for  
20 young adults exiting inpatient behavioral health treatment.

21 (2) To be eligible for the postinpatient housing program for  
22 young adults created under this section, a person must:

6 71.05 RCW. In addition, the authority shall consult with a transition

20 occurred for those served by the program during their inpatient  
21 treatment;

23 for:

25 or programs selected under (a) of this subsection;

27 the residential programs described under (a) of this subsection; and

30 subsection at regular intervals after those individuals leave the  
31 residential program and reporting this information to the authority;

33 residential programs described under (a) of this subsection. The  
34 flexible funding provided under this subsection may be provided to  
35 support the immediate needs of the individual. Uses of the flexible  
36 funding provided under this subsection may include, but are not  
37 limited to, the following:

38 (i) Car repair or other transportation assistance;

39 (ii) Rental application fees, a security deposit, or short-term  
40 rental assistance; or

1 (iii) Other uses that will help support the person's housing  
2 stability, education, or employment, or meet immediate basic needs;  
3 and

4 (d) Provide funding to contract with individuals or entities that  
5 provide behavioral health support to individuals determined eligible  
6 according to the criteria established in subsection (2) of this  
7 section, which may include, but are not limited to:

- 8 (i) On-site and community-based behavioral health supports;  
9 (ii) Peer supports; and  
10 (iii) Medication management.

11 (4) For purposes of this section, "transition support provider"  
12 means a community-based organization selected by the authority that

15 housing and support services for youth exiting inpatient behavioral  
16 health treatment; and

20 inpatient behavioral health discharge planners, and young people with

22 homelessness.

23 NEW SECTION. **Sec. 3.** If specific funding for the purposes of  
24 this act, referencing this act by bill or chapter number, is not  
25 provided by June 30, 2024, in the omnibus appropriations act, this  
26 act is null and void.
