

HOUSE RESOLUTION NO. 2022-4665, by Representatives Graham, Taylor, Dent, Griffey, Mosbrucker, Young, Orcutt, Boehnke, Simmons, Walsh, and Eslick

1 WHEREAS, Survivors of violent crimes and domestic violence often
2 carry physical scars, injuries, and disabilities as a result of
3 surviving these attacks; and

4 WHEREAS, According to the United Health Foundation, "America's
5 Health Rankings in 2021," for every 1,000 residents of Washington,
6 there were 2.94 instances of violent crime in the form of murders,
7 rapes, robberies, and aggravated assaults; and

8 WHEREAS, According to the Washington Association of Sheriffs and
9 Police Chiefs, over the course of 2020, Washington saw a 47 percent
10 increase in murders from 2019; and

11 WHEREAS, The National Coalition Against Domestic Violence
12 estimates that 41.4 percent of Washington women and 31.7 percent of
13 Washington men experience intimate partner rape, stalking, or other
14 physical violence; and

15 WHEREAS, According to the U.S. Department of Justice report
16 "Socio-emotional Impact of Violent Crime," victims often face
17 nonphysical challenges, such as the possibility of trauma and
18 posttraumatic stress or socioemotional problems, affecting their
19 ability to trust or function day to day; and

20 WHEREAS, The impact of violent crime often affects more than just
21 the direct victims, devastating thousands of these victims' families
22 and friends across Washington as well; and
