
SENATE BILL 5142

State of Washington**67th Legislature****2021 Regular Session****By** Senator Frockt

1 AN ACT Relating to the profession of dental therapist; amending
2 RCW 18.32.030, 18.32.0351, 18.120.020, 18.120.020, 18.130.040,
3 18.260.010, 18.260.040, 18.260.070, 18.260.080, 69.41.010, 69.41.030,
4 69.41.030, 70.350.020, and 43.70.442; reenacting and amending RCW
5 18.130.040, 69.41.010, and 43.70.442; adding a new chapter to Title
6 18 RCW; creating a new section; providing effective dates; providing
7 an expiration date; and declaring an emergency.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9 NEW SECTION. **Sec. 1.** The legislature finds that good oral
10 health is an integral piece of overall health and well-being. Without
11 treatment, dental disease compromises overall health and requires
12 increasingly costly interventions. However, most dental disease can
13 be prevented at little cost through routine dental care and disease
14 prevention.

15 Dental-related issues are a leading reason that Washingtonians
16 seek care in hospital emergency departments, which has become the
17 source of care for many, especially uninsured and low-income
18 populations.

19 It is the intent of the legislature to expand access to oral
20 health care for all Washingtonians through an evidence-based mid-
21 level dental provider called a dental therapist. Dental therapy is a

1 strategy to address racial and ethnic disparities in health and rural
2 health care access gaps. Dental therapists are also a strategy to
3 increase workforce diversity in health care and expand career
4 opportunities for existing members of the dental care workforce such
5 as dental hygienists.

6 It is the legislature's intent that dental therapists will meet
7 the needs of local communities as they work under the direction of a
8 licensed Washington dentist. The legislature intends for dental
9 therapists to be incorporated into the dental care workforce and used
10 to effectively treat more patients.

11 It is the intent of the legislature to follow the national
12 commission on dental accreditation's standards for dental therapy
13 education. This will ensure that dental therapists are trained to the
14 highest quality standards and provide state-to-state consistency. It
15 is the intent of the legislature that incorporating the commission on
16 dental accreditation's standards for dental therapy education will
17 pave the way for Washington education institutions to become
18 accredited programs and for students to qualify for financial aid.

19 It is also the intent of the legislature to provide an efficient
20 and reasonable pathway, through a limited license, for federally
21 certified dental health aide therapists or tribally licensed dental
22 therapists to become a Washington state licensed dental therapist.

23 NEW SECTION. **Sec. 2.** The definitions in this section apply
24 throughout this chapter unless the context clearly requires

20 training that includes only screening and referral elements if
21 appropriate for occupational therapy practitioners based on practice
22 setting.

23 (11) A state or local government employee is exempt from the
24 requirements of this section if he or she receives a total of at
25 least six hours of training in suicide assessment, treatment, and

26 three hours in length.

27 (d) Beginning July 1, 2017, the training required by this
28 subsection must be on the model list developed under subsection (6)
29 of this section. Nothing in this subsection (1) (d) affects the
30 validity of training completed prior to July 1, 2017.

35 applicable continuing education or continuing competency requirements
36 for each profession.

37 (4)(a) A disciplining authority may, by rule, specify minimum
38 training and experience that is sufficient to exempt an individual
