33 State reports shall not refer to practice under this chapter as
34 "suicide" or "assisted suicide." Consistent with RCW 70.245.010 (7),
35 (11), and (12), 70.245.020(1), 70.245.040(1)(k), 70.245.060,

6 **Sec. 16.** RCW 70.245.190 and 2009 c 1 s 19 are each amended to

8 (1) Except as provided in RCW 70.245.200 and subsection (2) of

10 (a) A person shall not be subject to civil or criminal liability
11 or professional disciplinary action for participating in good faith
12 compliance with this chapter. This includes being present when a
13 qualified patient takes the prescribed medication to end his or her
14 life in a humane and dignified manner;

15 (b) A professional organization or association, or health care
16 provider, may not subject a person to censure, discipline,
17 suspension, loss of license, loss of privileges, loss of membership,
18 or other penalty for participating or refusing to participate in good
19 faith compliance with this chapter;

20 (c) A patient's request for or provision by an attending
21 (~~(physician))~~ qualified medical provider of medication in good faith
22 compliance with this chapter does not constitute neglect for any
23 purpose of law or provide the sole basis for the appointment of a
24 guardian or conservator; and

25 (d) Only willing health care providers shall participate in the
26 provision to a qualified patient of medication to end his or her life
27 in a humane and dignified manner. If a health care provider is unable
28 or unwilling to carry out a patient's request under this chapter, and
29 the patient transfers his or her care to a new health care provider,
30 the prior health care provider shall transfer, upon request, a copy
31 of the patient's relevant medical records to the new health care
32 provider.

33 (2)(a) A health care provider may prohibit another health care
34 provider from participating under chapter 1, Laws of 2009 on the
35 premises of the prohibiting provider if the prohibiting provider has
36 given notice to all health care providers with privileges to practice
37 on the premises and to the general public of the prohibiting
38 provider's policy regarding participating under chapter 1, Laws of
39 2009. A health care provider may not, by contract or other form of

1 agreement, prohibit another health care provider from participating
2 under chapter 1, Laws of 2009 while acting outside the course and
3 scope of the provider's capacity as an employee or independent
4 contractor of the prohibiting health care provider and while at a
5 location that is not on the prohibiting health care provider's
6 premises and not on property that is owned by, leased by, or under
7 the direct control of the prohibiting health care provider. This
8 subsection does not prevent a health care provider from providing
9 health care services to a patient that do not constitute
10 participation under chapter 1, Laws of 2009.

11 (b) A health care provider may subject another health care
12 provider to the sanctions stated in this subsection if the
13 sanctioning health care provider has notified the sanctioned provider
14 before participation in chapter 1, Laws of 2009 that it prohibits
15 participation in chapter 1, Laws of 2009:

16 (i) Loss of privileges, loss of membership, or other sanctions
17 provided under the medical staff bylaws, policies, and procedures of
18 the sanctioning health care provider if the sanctioned provider is a
19 member of the sanctioning provider's medical staff and participates
20 in chapter 1, Laws of 2009 while on the health care facility premises
21 of the sanctioning health care provider, but not including the
22 private medical office of a (~~(physician)~~) qualified medical provider
23 or other provider;

24 (ii) Termination of a lease or other property contract or other
25 nonmonetary remedies provided by a lease contract, not including loss
26 or restriction of medical staff privileges or exclusion from a
27 provider panel, if the sanctioned provider participates in chapter 1,
28 Laws of 2009 while on the premises of the sanctioning health care
29 provider or on property that is owned by or under the direct control
30 of the sanctioning health care provider; or

31 (iii) Termination of a contract or other nonmonetary remedies
32 provided by contract if the sanctioned provider participates in
33 chapter 1, Laws of 2009 while acting in the course and scope of the
34 sanctioned provider's capacity as an employee or independent
35 contractor of the sanctioning health care provider. Nothing in this
36 subsection (2) (b) (iii) prevents:

37 (A) A health care provider from participating in chapter 1, Laws
38 of 2009 while acting outside the course and scope of the provider's
39 capacity as an employee or independent contractor and while at a
40 location that is not on the sanctioning health care provider's

1 facility premises and is not on property that is owned by, leased by,
2 or under the direct control of the sanctioning health care provider;
3 or

4 (B) A patient from contracting with his or her attending
5 (~~(physician)~~) qualified medical provider and consulting (~~(physician)~~)
6 qualified medical provider to act outside the course and scope of the
7 provider's capacity as an employee or independent contractor of the
8 sanctioning health care provider and while at a location that is not
9 on the sanctioning health care provider's facility premises and is
10 not on property that is owned by, leased by, or under the direct
11 control of the sanctioning health care provider.

12 (c) A health care provider that imposes sanctions under (b) of
13 this subsection shall follow all due process and other procedures the
14 sanctioning health care provider may have that are related to the
15 imposition of sanctions on another health care provider.

16 (d) For the purposes of this subsection:

17 (i) "Notify" means a separate statement in writing to the health
18 care provider specifically informing the health care provider before
19 the provider's participation in chapter 1, Laws of 2009 of the
20 sanctioning health care provider's policy about participation in
21 activities covered by this chapter.

22 (ii) "Participate in chapter 1, Laws of 2009" means to perform
23 the duties of an attending (~~(physician)~~) qualified medical provider
24 under RCW 70.245.040, the consulting (~~(physician)~~) qualified medical
25 provider function under RCW 70.245.050, or the counseling function
