15 from locally collected excess levy funds available for that purpose,
16 and compensation for board members shall not cause the state to incur
17 any present or future funding obligation.

19 receive compensation either at a daily amount of \$50 per day or a
20 portion thereof not to exceed \$5,000 per year, or up to the following

18 the compensation would otherwise be paid. The waiver shall specify
19 the month or period of months for which it is made.

20 (4) The compensation provided in this section shall be in
21 addition to any reimbursement for expenses paid to such directors by

23 (5) The dollar thresholds for salaries and per diem compensation
24 established in this section must be adjusted for inflation by the
25 office of financial management every five years, beginning July 1,
26 2023, based upon changes in the inflationary index during that time
27 period. For the purposes of this section, the office of financial
28 management must calculate the new dollar threshold and transmit it to
29 the office of the code reviser for publication in the Washington
30 State Register at least one month before the new dollar threshold is
31 to take effect.

36 of commerce.

1 (b) "Total student enrollment" means the three-year rolling
2 annual average full-time equivalent student enrollment, based on the
3 prior school year.
