22 the new number, if any, of the chapter in which the section occurs,  
23 and adding the digit "0" to the terminal end of the number marking  
24 the position of the section within the chapter. The secretary of

26 of the legislature which are by their terms expressly amendatory of  
27 any section or sections contained in the revised code or the 1950

29 sections so renumbered, in accordance with this provision, so that  
30 each such section when published bears or is referred to by its  
31 proper new number. The secretary of state, in publishing the session  
32 laws of this thirty-second session of the legislature shall use  
33 therein the applicable new numbers of the respective sections so
