Assumptions Used in Arriving at Fiscal Estimate

This bill would create a local government fund, which would be invested in the State Investment Fund like other similar trust funds.

This bill would also have newly hired employees of the City of Milwaukee and Milwaukee County become participants in the Wisconsin Retirement System (WRS). SWIB would manage the funds of these new WRS participants in the same manner as the funds of the current 663,000 WRS participants.

Neither of the above changes to current law would have a measurable fiscal impact on SWIB.
