### *Analysis by the Legislative Reference Bureau*

Current law provides rights to crime victims and witnesses. The rights for victims attach once the crime has been reported to law enforcement. This bill requires the Department of Justice to award grants to law enforcement agencies to provide services to crime victims and witnesses between the time a crime is reported until a person is charged for the crime. Under the bill, a law enforcement agency may apply for such a grant by submitting a plan to DOJ. The plan must provide that the agency will create a position of a victim and witness service coordinator who will ensure that victims and witnesses receive services. The bill requires a law enforcement agency that receives a grant to provide to DOJ data on services it provides to victims and witnesses and requires DOJ to submit a comprehensive report on the grant program after five years. The bill terminates the grant program after five years.

The bill establishes another grant program, administered by DOJ, that provides grants to law enforcement agencies and prosecutorial units to provide protection services to victims of crime, including temporary housing for crime victims. The bill provides \$5,000,000 biennially for such grants.

**ASSEMBLY BILL 1015**

Under current law, DOJ provides reimbursement to counties for costs incurred in providing services to victims and witnesses of crime. The bill increases funding for these reimbursements by \$3,250,000 in each fiscal year of the 2021-23 biennium.

The bill provides an additional \$10,000,000 in the 2021-23 biennium for crime victim services provided by DOJ across the state.

The bill also provides additional funding for higher education and for special education aid the Department of Public Instruction pays to school districts, independent charter schools, cooperative educational service agencies, and county children with disabilities education boards for purposes of maintaining compliance with maintenance of effort requirements of the federal Consolidated Appropriations Act and the federal American Rescue Plan Act.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
