### *Analysis by the Legislative Reference Bureau*

Current law requires the Board of Regents of the University of Wisconsin (UW) System to establish policies for transferring credits between UW System institutions and allows the Board of Regents to establish policies for credit transfers with other educational institutions. The Board of Regents and the Technical College System Board must also enter into an agreement, which private colleges may join, for transferring credits for core general education courses.

This bill requires the Board of Regents to accept all foreign language credits transferred from the Defense Language Institute Foreign Language Center (Institute) on behalf of a student who is a current or former member of the U.S. armed forces or of a reserve unit of the U.S. armed forces and who successfully completed a course of study at the Institute.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
