AUTHORS SUBJECT TO CHANGE

1 **AN ACT to amend** 93.23 (1) (a) 1. (intro.) and 93.23 (1) (a) 2. of the statutes;
2 **relating to:** state aid for prizes awarded at local fairs.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Agriculture, Trade and Consumer Protection provides state aid to counties, agricultural societies, associations, and boards that hold local fairs to cover the cost of prizes paid out to exhibitors, up to \$10,000 per fair. This bill increases that maximum to \$20,000 per fair.

Current law also provides that an entity operating a fair may impose restrictions on the total number of fairs at which an exhibitor may participate in order to be eligible, at that fair, for a prize that is paid for with state aid. This bill keeps this provision, but provides that DATCP may not impose such restrictions.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

10 department may prescribe uniform premium lists setting forth classes of exhibits
11 which will be approved for the purposes of state aid, premium awards in such classes
12 and entry qualifications, fees and charges for exhibitors. All fairs shall receive aid
13 in the same manner and the department may not restrict the number of fairs at
