Analysis by the Legislative Reference Bureau

Under current law, the Elections Commission establishes a fee, by rule, for obtaining a copy of the official voter registration list. The fee amount is an amount estimated to cover both the cost of reproduction and the cost of maintaining the list at the state and local level.

Under this bill, a person may obtain a copy of the official voter registration list for Wisconsin, or any portion of the list, electronically by paying a fee of \$250 or less as established by the the Elections Commission. The bill authorizes the commission to charge an additional fee for providing a copy of the list in physical form in order to cover the cost of reproduction and postage, if any.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
