2 **create** 16.75 (6) (ag) of the statutes; **relating to:** state procurement of signs.

Analysis by the Legislative Reference Bureau

Under current law, if a state agency makes a purchase for which the estimated cost exceeds \$50,000, the purchase must be made through competitive bidding. Under this bill, if the items being purchased are signs, the purchase must be made through competitive bidding if the estimated cost exceeds \$3,500.

Also under current law, state agencies making purchases generally must allow the Department of Corrections the opportunity to provide the materials, supplies, equipment, or services if DOC is able to do so for a price that is comparable to one obtained through competitive bidding. This bill provides an exemption for the purchase of signs.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
