Analysis by the Legislative Reference Bureau

This bill provides \$500,000 in program revenue in fiscal year 2021-22 for onetime implementation costs associated with establishing an Office of Prescription Drug Affordability in the Office of the Commissioner of Insurance. Additionally, the bill authorizes and funds for the fiscal biennium 16.0 positions for the Office of Prescription Drug Affordability.

The bill also credits to the appropriation account for OCI's general program operations all moneys received from the regulation of pharmacy benefit managers, pharmacy benefit management brokers, pharmacy benefit management consultants, pharmacy services administration organizations, and pharmaceutical sales representatives.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
